CONSTITUTION

Revised 1971

Article I. NAME

This body shall be known as the Yates Baptist Association of North Carolina.

Article II. PURPOSE

The purpose of this Association shall be to provide a convenient and orderly means for the extension of the ministry of the cooperating Baptist churches in Durham County and adjacent territories which support the programs of the Baptist State Convention of North Carolina and the Southern Baptist Convention.

Article III. ARTICLES OF FAITH

The confession of faith of this Association shall be the 'Baptist Faith and Message' with its five-point statement of the historic Baptist conception of the nature and function of confessions of faith in our religious and denominational life as adopted by the Southern Baptist Convention in 1963 at Kansas City.

(Five-Point Statement From "The Baptist Faith and Message")

(1) That they constitute a concensus of opinion of some Baptist body, large or small, for the general instruction and guidance of our own people and others concerning those articles of the Christian faith which are most surely held among us. They are not intended to add anything to the simple conditions of the salvation revealed in the New Testament, viz., repentance towards God and faith in Jesus Christ as Savior and Lord.

(2) That we do not regard them as complete statements of our faith, having any quality of finality or infallibility. As in the past so in the future Baptists should hold themselves free to revise their statements of faith as may seem to them wise and expedient at any time.

(3) That any group of Baptists, large or small have the inherent right to draw up for themselves and publish to the world a confession of their faith whenever they may think it advisable to do so.

(4) That the sole authority for faith and practice among Baptists is the Scriptures of the Old and New Testaments. Confessions are only guides in interpretation, having no authority over the conscience.

(5) That they are statements of religious convictions, drawn from the Scriptures, and are not to be used to hamper freedom of thought or investigation in other realms of life.

Article IV. MEMBERSHIP

Section 1. This Association in session shall be composed of duly elected messengers from cooperating Baptist churches in Durham County and adjacent territories and the regular elected officers of the Association and members of the Associational Board which are in agreement with the purpose as stated in Article II. When not in session this Association shall be comprised of its member churches which shall elect members to the Associational Board in accordance to Article X.

Section 2. Each church shall be represented at the annual meeting of the Association and at any special meeting during the year by messengers who shall be duly certified in the following ratio:

(1) Three for the first hundred members or fraction thereof and one for each additional hundred or fraction thereof, provided that the total number of messengers shall not exceed ten.

(2) All pastors of churches of the Association shall be recognized as messengers, in addition to those specified above.

Section 3. Only individuals who are baptized (immersed) believers and members of churches of this Association shall be seated as voting messengers at any Associational meeting.

Section 4. Churches seeking to seat messengers in the Association shall apply to the Missions Committee prior to the annual meeting of the Association, giving evidence of their faith and order and their agreement to be received under watchcare of the Association. Upon recommendation of the committee and the approval of the Association by a two-thirds majority of the members present and voting, the church or churches shall be received under watchcare of the Association for a period of one year. It is understood that during the period of watchcare such churches will be accorded all the services of the Association and all its privileges with the exception of the right to seat voting messengers and to voting representation on the Associational Board. At the end of the year of watchcare, the church or churches may, by a two-thirds vote of the Association, be received into full fellowship of the Association or continue under watchcare or have the request for fellowship rejected. article 2; Bill Byrd read the proposed changes in article 3; Mr. Barbee pointed out the articles of Faith as adopted by the Kansas City Convention of 1963 were not included in the printed report, but referred to; and reported that this committee recommended that these articles of faith be printed as a part of article 3 in our annual minutes. 17. The moderator ruled that this is essentially a constitutional matter and not a violation of our constitution and that it does not infringe as it has just been passed on the internal rights of the individual churches. Since it does not tell them they cannot count their own members; it just tells them that we will not count some of them. That's the autonomy of the association.

History of Carrboro Baptist Church 1902-1971

Preface

To best understand the Carrboro Baptist Church and its future we shall examine, in turn, its hardships, its period of expansion, and its present challenge.

A Day of Beginnings

The area in which the town of Carrboro is located was a part of a grant made to Thomas Lloyd in 1757. Mr. Lloyd, who was one of the first representatives from Orange County, was one of the many Welsh people who built their homes between Hillsborough and the present Chatham County.

The history of the town which is now known as Carrboro had its beginnings in 1882 with the extension of the railroad to serve the University of North Carolina located at Chapel Hill. The railroad spur line was a ten mile extension from the main line to within one mile of the campus of the University. This was as close as it was allowed to come. A station (University Station) was built, and passenger service continued until the automobile came to take over the bringing of people into Chapel Hill from the surrounding area. The railroad then was reduced to being a freight only line as it is today.

Shortly after the University Station was built there were also built a cotton gin, flour mill, and a blacksmith shop. The area went by the name of West Chapel Hill though it never really was a part of that town.

The community began to be settled in 1898 when Mr. Tom Lloyd built a cotton mill beginning a long association between the community and the cotton industry.

The community has had various names. In the beginning it was referred to, as already mentioned, as West Chapel Hill to designate the area to the west of Chapel Hill where the railroad station and other industry was located. The community received its first real name when in 1911 it was named Venable after the then President of the University of North Carolina, Dr. Preston Venable. The name of the town was changed to Carrboro in 1913 when Julian S. Carr bought the Lloyd Mill. This mill later became Mill No. 4 of the Durham Hosiery Mills. They later added a second mill called Mill No. 7 which served as a munitions plant during World War II. Even the streets have changed their names. Roberson Street became Greensboro and Jones Ferry Road became Main Street in the downtown area.

The relationship between the mills and the community has been one of many ups and downs. It was the coming of the mill which helped bring the people who established the town. The mills have provided employment for many people. The mills have also been the cause of economic chaos and dire hardship when they have closed or reduced operations. The good and bad times have been influential in the shaping of the Carrboro Baptist Church and for that reason this background is necessary to the understanding of the church which came to be built in this community.

Beginning and Growth of a Church

The people who came to work in Lloyd's cotton mill and the other industries in West Chapel Hill immediately began to talk of the establishment of a place of worship. Mr. Thomas Lloyd set aside a piece of property for a worship center and made the deed to the four denominations having churches in Chapel Hill, namely Presbyterian, Episcopal, Methodist, and Baptist. Neither the Presbyterian nor Episcopal Churches desired to establish another church and therefore they assigned their rights to the property over to the Baptist and Methodists, who immediately made plans to build a house of worship.

The first building, known as Union Chapel, was a 20 by 30 foot structure which was used alternately and conjunctively by the Methodists and Baptists. From the beginning this building was too small to contain the crowds of people who attended. It was then decided that the structure would be doubled in size to 40 by 60 feet.

Even with the enlarged facilities, all was not well with the worship arrangements. It was soon decided that the two congregations should have separate meeting houses and a division of the property was made. The Methodist Church erected a building on their share of the lot and conditions were better.

The Carrboro Baptist Church was first organized as the Union Chapel Church on October 30, 1902. This organization climaxed a series of meetings held during that month. Rev. J. C. Hocutt and Dr. J. William Jones constituted the Presbytery. Baptist churches in the area were represented at the organizational meeting as follows: from Mt. Carmel, Mr. and Mrs. T. E. Sparrow, Mrs. Mary Sparrow, C. T. Crittenton, and Mrs. Rebecca Sparrow; from Mt. Pisgah, Mr. and Mrs. H. M. Williams; from Chapel Hill, Mr. and Mrs. T. A. Ray, Mr. and Mrs. E. H. Wilson, and Martha A. Purefoy; from Bethel, Mr. and Mrs. A. J. McDade, and I. S. Weaver; from Lystra, Mr. W. N. Womble and Mr. Walter Womble. These were also listed as Charter Members. Officers elected at the time of organization were: Thomas E. Sparrow, Church Clerk; I. S. Weaver, Treasurer; A. J. McDade, I. S. Weaver, and W. N. Womble, Deacons.

The first members laid the foundation well. Some of them remained members of the church until their death; others went on to other responsibilities. Mr. Thomas A. Sparrow became Postmaster at Hillsborough and later served in the State Legislature. There are many descendents of the charter members in the membership today, and in a real sense they live on through their children. Another family who were not charter members but who were very influential in the church were Mr. and Mrs. B. F. Ray. They also continue to serve through their descendents.

The first pastor of the church was Rev. J. C. Hocutt (1902-1906). He came and preached every fourth Sunday at a salary of $55.00 per year. Other pastors in the early years were Rev. Ira E. D. Andrews (1906), Rev. J. F. McDuffie (1907-13), Rev. J. A. Hackney (1913-15), Rev. O. L. Riggs (1915-18), and Rev. H. C. Dorsett (1918-21).

In 1912 the name of the church was changed from Union Chapel to Venable Baptist Church to conform to the new name for the town. For the same reason the name was changed again in 1914 to Carrboro Baptist Church.

During these years the church grew in number and added the Woman's Missionary Society (1908) and B.Y.P.U. (1917).

As the church grew the need for a larger building became apparent. In 1921 Rev. J. B. Davis was called for full-time service and definite plans began to be made for a new church building. It was felt by many that the new church should be better located. To accomplish this the old property was exchanged for a lot on the corner of Main and Greensboro Streets. In 1922 the congregation began to build a brick building on this location. Construction had to stop when the building was finally finished in 1924 at final cost of about $50,000.00 Of this amount the State Mission Board donated $2,500.00. By the middle of 1924 the church had reduced the debt to $20,000.00.

The payment of the church debt was to be a long trial because of the depression years that soon came. However, it was through these sacrificial years of selling brunswick stew and counting pennies for each payment that the church developed a spirit of friendship that never left it. The church learned well how to pull together through difficult times.

On Sunday, November 1, 1942, the church held a dedication and note burning service. This marked the end of one long period of sacrifice. It also marked the beginning of growth toward an even greater test of faith. Soon the church would again feel the need to build.

Pastors who followed Rev. Davis were Rev. J. A. Hunnicutt (1924-27), Rev. Fred C. Womack (1927-28), Rev. Roy A. Morris (1928-39), Rev. William H. Poole (1940-46), Rev. Troy Jones (1947-53), Rev. Henry B. Stokes (1954-60), Rev. Calvin E. Rains (1960-1966), Rev. D. E. Parkerson (1966-1969), and Rev. Roy E. Capehart (1969-present).

Interim pastors were Dr. O. T. Binkley and Rev. Jim Cansler in 1954 and Dr. Thomas Bland, 1960. Rev. Herman Williams and Rev. Roger Sharrock served as Educational Directors. Dr. Donald E. Cook served as Interim pastor in 1966 and in 1969. Clyde J. Hull, as Assistant to Pastor in Administrative duties and Youth Activities 1965-1969; M. W. Alsobrook, Assistant to the Pastor 1971-present.

Each pastor made his own contribution according to the times through which the church moved at the time of his pastorate. Some were called to lead the church through times of preparation. Others saw this preparation grow into fulfillment in building programs. Whatever the church is today it is due at least in part to the contributions of these pastors, each of whom gave unselfishly of himself to lead the church forward.

Through the depression years it was all the church could to to keep up the debt payments. The mill had closed. Many families had moved away and the burden was heavy on those who remained. But, the debt was paid in 1942. When the Second World War was over and the young men came home to establish homes it again was apparent that the building was too small. Many studies were made as to what should be done but the memory of the heavy debt of the depression years caused the church to move slowly toward actual construction.

The church tried to meet the needs of a growing Sunday School through rented building and the purchase of the Tripp house next to the church. In the late 1940's and early 1950's the church reached its peak in attendance and enrollment in Sunday School. No further progress could be achieved until additional facilities were added.

In 1956 a new parsonage was built on the corner of Poplar Avenue and Lindsay Streets. As soon as this was paid for attention was turned to raising funds for new church construction. The Planning and Survey Committee immediately began a study to determine the best location and type of building needed. It was soon determined that the only thing possible for the church was to remain where it was and to build adequately there.

Thus it was that the church began in 1962 to construct an education building. This was completed and occupied in August 1963. The total cost of the education building was approximately $182,000.00. The congregation then turned its attention to the remodeling of the sanctuary. This was completed in June 1964 at a cost of over $60,000.00.

In December 1965 the church accepted the recommendation of the Deacons and Trustees to purchase the Lloyd property in front of the church for parking. This was done at a price of $18,000.00.

When you measure it in feet it is not very far away from where the old Union Chapel stood on Weaver Street to where the new church now stands. But, when you measure it in sacrifice, prayer, frustration and agonizing planning, it is a long road over which the church has come to its present hour. Now the church faces its greatest challenge. It is now possessed with adequate and beautiful facilities and the community around it is in the midst of unprecedented growth. Everything points to a great future. However, this will be a great future only if the people rise with the same sense of dedication shown by those who brought the church to this hour. The field is white, ready for harvest. The church moves on to the honor of God in Jesus Christ. The accomplishments of the past serve as guides and challenge to the future.

Thus one man's vision has become Carrboro Baptist Church's challenge for the future. Mr. Shelton Lloyd, member of Carrboro Baptist Church believed strongly in the future growth and development of the entire area known as the Research Triangle, and that this growth should include plans for additional churches to meet the spiritual need of the inflated number of people. On March 10, 1968, he gave Carrboro Baptist Church an entire block of extremely beautiful and highly valuable land, just under six acres, for the purpose of building a church whenever it is needed and justified. Be it resolved, that the members of this church dedicate themselves to the vision expressed in this gift of land, seeking through sincere prayer and committment of abilities and stewardship to bring to fruition what is now only a dream, a dream dedicated to the glory of God.

HISTORY OF EDGEMONT BAPTIST CHURCH

Edgemont Baptist Church was organized May 25, 1902 by Rev. J. M. Arnette, Pastor of Edgemont Mission, and twenty-two Charter Members including: Miss Swannie Scott (Mrs. W. H. Bright), Miss Addie Pope (Mrs. Addie Childress), W. C. Mason, Mr. and Mrs. J. A. Whittington, Nellie Scott, Tora Scott, Whit Hancock, Willie Ferrell, L. L. Hudson, Mrs. LuLu Ferrell, Louise Hudson, Nettie Hudson, R. E. Hurst, J. P. Berry, W. R. Dupree, May Dupree, Nora Dupree, A. W. Sorrell, Mrs. Electa Sorrell, C. C. Poe, and Mrs. Robena Poe. Rev. Arnette was also assisted by Rev. W. F. Fry, Pastor of the East Durham Baptist Church (Angier Avenue Baptist Church), and Brethern from Bethesda, East Durham and other Baptist Churches. The name Edgemont was chosen because it is near the center of the Edgemont section of the city. The church is located on the corner of East Main and Elm Streets.

The church has had twelve full time pastors since its beginning. In order of service they are: Rev. J. M. Arnette, Rev. E. R. Harris, Rev. G. H. Church, Rev. A. N. Marshall, Rev. C. C. Smith, Rev. C. S. Norville, Rev. L. F. Sodeman, Dr. J. S. Johnson, Rev. W. B. Carr, Dr. B. R. Bruner, Dr. John H. Bunn, and our current pastor, Rev. Malcolm L. Cadd.

At least seven men have been ordained as ministers of the gospel during the years the church has functioned. These men are: Brothers L. L. Hudson, Charlie Mathews, Earl B. Edwards, J. I. Memory, M. Fred Scott, Robert L. Weatherspoon, Jr., and Tommy Roberts. At least two other men have been licensed to preach the gospel, but as yet have not been ordained. These men are Coleman C. Markham and Buddy Burton.

The church grew steadily in membership and service reaching it's peak in membership during the late 1930's, when more than 1200 were enrolled. Today the membership numbers more than 700.

The first church building, a wooden structure, was destroyed by fire in 1913 and a new brick sanctuary was completed about 1915. Much credit must go to Rev. C. C. Smith for his zealous work and planning in the rebuilding and subsequent paying for the new sanctuary.

The longest record of pastoral service was that of the Rev. Charles S. Norville, numbering more than 19 1/2 years. During his tenure of service, the church had a phenominal growth in membership, and service, and an education building was erected at a cost of approximately $35,000.00. This indebtedness was repaid at the rate of approximately $100.00 per week covering a period of about nine years.

Over the years our church has employed many fine and capable church workers: secretaries, educational directors, music director, custodians, and treasurers. One of the most faithful men employed by the Church was Brother Gattis H. Murray who served as custodian for more than thirty years. Another service of the church in the home mission field was carried on during the late forties by Mrs. Ethel M. Fulghum, living now at the Baptist Home in Winston-Salem. Her witness and influence remains with many people of our community as well as our church.

In 1948, under the capable leadership of Rev. Bryant Carr, the church adopted the Unified Budget System. This sytem of finance has been a success for the church program.

The Sunday School program of the church has grown from a very small school in a one room building to a larger and well organized unit with nine departments and nineteen classes.

One very effective organization in the church has been the Woman's Missionary Society. Their goal has always been to share Jesus Christ with people everywhere.

We must not fail to express our appreciation to those individuals who have made contributions to the beauty, comfort and convenience of our church through memorial gifts.

Many, many others whose names are not mentioned have given liberally of their time, talent, money, energy, and love to advance God's Kingdom here in the Edgemont community and have helped spread the gospel here, there, and to the ends of the earth. Each pastor and church employee has made his unique contribution to the progress of this church. All of these have shared in the functions of the church and have worked well and prospered with Gods's Holy Spirit as their guide.

REPORT OF THE SUNDAY SCHOOL

The Sunday School staff has been rather inactive this past year. Due to some poorly attended conferences in the past the course taken this year was to be available whenever needed. This year some members of our group have assisted in Homestead Heights Church, Temple Church, and Edgemont Church on consultant basis.

We had a full representation to attend the VBS Clinic at Wingate College and we conducted twin sessions at Angier Avenue Church in the spring. The Rev. Ray Cumbee is VBS Director.

In the coming year for our Sunday School work there is no organized program constructed at this moment. However, there is always a member of this group available to come into any church when invited to assist in any way possible.

Malcolm L. kadd, Director

IV. REMARKS

During the past year our Associational Activities have been streamlined to only two mass meetings. We assisted churches requesting help. We congratulate Bethesda Church on the splendid participation in the tournaments. The quality of leadership for the September Leadership Workshop was superb.

I wish to thank all individuals who have assisted in the Associational Leadership during the past years. We have had many happy experiences working in the churches of Yates Association and wish to give credit to God for any success achieved.

Nannie Mae Herndon, Director

REPORT OF THE MUSIC COUNCIL

The Music Council of the Yates Baptist Association met four times during the past season in executive meetings to plan the work for the season, and make plans for the following year.

On Sunday afternoon, October 18, 1970, the tenth annual Yates Association Hymn Sing was held at Angier Avenue Church. Choirs from First and Angier Avenue participated in the service. Hymns used were favorites of members of the Yates Association churches—chosen in a poll taken throughout the member churches. The favorite two Christmas hymns, two Easter hymns, and seven favorite general hymns were used in the service. It was an inspiring and enjoyable hour of worship and praise through song.

A choir was used for the opening of each session (Tuesday morning, Tuesday afternoon, and Wednesday morning) of the 1970 Annual Associational meeting October 27 and 28. This was an Associational Choir that met just prior to each session for a rehearsal. The group did a fine job and made a wonderful contribution to the three worship periods.

The 1971 Choral Clinic was scheduled for February 22. There was a special called Associational Meeting the next evening, and it was felt we should postpone that clinic until a later time. It was later decided to wait until the following February, and ask the guest clinician, Paul Peterson, if he could be with us for that new date.

As this report is being prepared, the Music Council is making final plans for the 1971 Hymn Sing, the music for the 1971 Annual Meeting, and the 1972 Choral Clinic scheduled for February 21.

We would like to emphasize again that we, the members of the Yates Association Music Council, stand ready to give assistance to any church of the association, so far as time, opportunity, and ability permit. Call on us. We will help in any way we can.

Respectfully submitted,
John T. Laverty, Director

REPORT OF WOMAN'S MISSIONARY UNION

There is a growing awareness among our women that there is a place for them to serve in our Association more and more. We are proud to have two new Directors who are interested in our younger women and who will seek to enlist more young women in our churches.

The theme of the year was "Living the Spirit of Christ in Openness and Freedom." The 1970-71 Watchword was taken from John 8:36—"If the Son therefore shall make you free, ye shall be free indeed."

The Annual WMU Meeting was held on April 20 at Yates Church with 230 in attendance. Reverend Hubert S. Mumford, Superintendent of Missions, showed a most interesting selection of slides of the work in the Association. Miss Barbara Chance was soloist. Special music was presented by Mrs. Robert Helms and Samuel Helms, accompanied on the piano by Mrs. C. O. Couch. Mrs. Helms led the music for the evening. Dr. and Mrs. Alton Hood, Missionaries to Thailand, were the speakers for the evening. They showed slides of their work there and gave most inspring information about their experiences. Miss Lillian Sun-hsi Lu, Grace Baptist Church, Taipei, Taiwan, Republic of China, brought a brief message and the benediction. Group III Chairman, Mrs. Bessie Hilliard, was hostess for the meal.

A "Night of Encounter" was held on July 15, at the County Stadium. This was sponsored by all the organizations of the Association. The "New Direction" singers from Burlington, were a feature attraction. The former Miss North Carolina, Miss Patsy Johnson, gave her testimony and sang. Dr. Carl Bates, of Charlotte and president of the Southern Baptist Convention, gave a most inspirational talk. Albert Long was Master of Ceremonies. This was a first attempt at this sort of gathering for us and was very successful.

A "Youth Missions Fair" was held at Grace Church on Augugt 23. Nearly 800 attended this affair. Eight booths were set up showing the work of the different organizations, the Camp ground, audio visuals, and others. It was most interesting and plans are being made for an even bigger and better fair next year.

The WMU Leadership Workshop was held at First Church on September 14 with 110 enrolled. Age-level conferences were provided. Miss Linda Warren, Baptist Young Women's Director for the State, led the Conference for BYW Directors.

The Acteens have held quarterly meetings. The Girls-in-Action under the direction of Mrs. Godwin held a one day camp at the Yates Campground.

The Woman's Missionary Union ministry at Murdoch Center is continuing with fifth Sunday visitation to the cottages at the center.

The four groups keep the Associational food pantry supplied for a period of three months each.

New groups are being organized in the churches whenever new opportunities are found. The women of Yates Association are ready to serve the needs of the community at all times.

Respectfully submitted,
Mrs. V. J. Chance, Director

REPORT OF BROTHERHOOD

The Associational Brotherhood has attempted to emphasize the involving of laymen in evangelism and boys work during 1971. We have tried to use suggestions from all sources to get laymen interested in the Lord's work on an association-wide basis. We concentrated heavily on "The Night of Encounter" and involved personnel from all of the churches in our association and encouraged participation from all denominations in the city. The response was good and we feel the success of this effort had a unifying effect for our own association.

The boys work in the association has been centered in training sessions for RA leaders and a workshop for both RA leaders and Baptist Men's leaders in October of this year.

The mission study has increased this year to the most active year for men in our association in this field.

We encourage our churches to become deeply concerned about the men and boys work in their own respective fields.

Respectfully submitted,
Bruce C. Little, Director

REPORT OF CAMP COMMITTEE

During this year the water problems which have plagued the camp operations for many years seem to have been in the most part resolved. The new well and pump have been put into operation and apparently will serve us well until such time as we greatly increase activities at the camp. With a large increase in activity we will probably need to install a large storage tank to insure an adequate supply of water at peak demand periods.

Anonymous donors have paid a plumbing bill in the amount of $1,048.69 and an electrical bill in the amount of $454.48. In addition to these contributions Mr. Joe Pickard, of the Pickard Roofing Company donated work and material valued at $400.00 to cover a water storage tank and to rebuild the kitchen stove hood. Hartman's Steak House donated a fine stainless steel sink for the kitchen area. We express our heartfelt thanks to these and all others who have made this year more eventful than it might have been.

With the easing of our most critical problems we can anticipate a much more meaningful program for next year and afterward. Your committee now has as part of its membership persons of substantial experience and expertise in this area of activity. We fully expect a vast improvement in the near future.

As we mark time toward the 1977 long range goal of adding to the camp facility, your committee respectfully requests the privilege of continuing a quiet program of soliciting monies, material, and effort to continue development of the camp grounds and its facilities.

Thirteen acres of land adjacent to the Yates Camp have been purchased by a friend of the Association and is now held in option position. For full details of this transaction we refer you to the minutes of the 1970 Annual Session.

Respectfully submitted,
A. B. Stone, Jr., Chairman

REPORT OF CHRISTIAN SOCIAL MINISTRIES COMMITTEE

The Christian Social Ministries Committee has endeavored this year to evaluate itself as well as strive for a continued development of this ministry.

Looking within we have tried to evaluate our work to the present and project plans for the future. We find much of our work has been general in nature and hope for more specific and detailed work in the future.

Churches are continually encouraged to become involved in the local, city, state and denominational work of the Yourth and Family Services.

The committee this year has had conferences with the Family Counseling Service of Durham, Cooperative School for Pregnant Teenage Girls, Family Counseling Services of Chapel Hill and Orange County as well as individual conferences with many agencies of our area.

The work has increased this year to include a half day service in Counseling at Chapel Hill, a half day in the courts, and a half day at Oldham Towers in counseling the elderly. We now have a food pantry in Chapel Hill. We are grateful to Mrs. Nancy Boynton for helping us to enlarge our ministry into this area of our Association.

We are also having some relationship with the Co-ordination Council on Alcoholism at Butner and the Mental Health Clinic. Boyce Kimball is the liaison man in this area.

We continue with a one-evening referral night at Guess Road Prison Camp for inmates soon to be released. Jim Barringer carries on this ministry.

Mrs. Nancy Dickinson continues to aid our efforts in working out a relation with the Social Services Department of Durham. Recently there was a request from the Social Services Dept. regarding thirteen non-readers asking for help. This month we had a refresher course at Bethesda Church for those teachers who were interested.

We are indeed grateful to these specific individuals, to the many churches who have assisted in this work during 1971 and especially to God for granting us the privilege and joy of serving Him.

Respectfully submitted,
Malcolm L. Cadd, Chairman

REPORT OF EVANGELISM COMMITTEE

The Evangelism Committee sponsored two associational events this year. A church evangelism rally was held on the evening of November 30th at Yates Church, and on March 8-9 a Bible and Lay-Witness Conference was held at Gorman Church. Assistance was given also to the "Night of Encounter", a one-night crusade in July, and in the "Missions Fair" at Grace Church in August.

The 1972 Statewide Evangelism Conference has been scheduled for February 7-9 in the Cumberland County Memorial Auditorium in Fayetteville. Greater lay attendance from our churches in this annual conference is encouraged.

Your committee urges that priority be given in our churches to earnest prayer for revival, and that obedience be given to the Holy Spirit that He may manifest Christ as Lord over His churches and motivate His people in that witness and ministry which will glorify God.

Respectfully submitted,
Julian M. Motley, Chairman

REPORT OF INSTITUTIONAL COMMITTEE

We are proud of our three institutions, The Children's Home, The Homes for the Aging, and The Baptist Hospital.

Our churches have increased cooperative program gifts, expressing their confidence and support of our institutions in order that they might give quality Christian service to our people.

Plans for an addition to the nursing care unit in Winston Salem, which was greatly needed, should be ready this fall. This was made possible by a generous donation and a like amount raised by the trustees.

May we have more ministries fulfilled in like manner.

The Medical Center Development program is making progress. By late 1972 the new patient tower is to be ready for occupancy.

Let's continue to support our Baptist institutions and inform our people, that we may minister more effectively to our Baptist friends as Christ commanded, "Inasmuch as ye have done it unto the least of these my brethren, ye have done it unto me."

Respectfully submitted,
Mrs. W. Jethro Broadwell, Chairman

REPORT OF LIBRARY COMMITTEE

This committee did not actively participate in contributing services to the Libraries of the Association during the past year.

A questionnaire was mailed directly to all Directors of Library Services and to all churches without a Director seeking a means to render assistance to those in need, either by individual help or through a workshop. We received only two replies so we assumed the Libraries were in good order.

We wish for a most harmonious annual session and we pray for God's blessings upon the incoming officers and committees for the coming year.

Respectfully submitted,
Mrs. Vance Fisher, Chairman

REPORT OF ORDINATION COMMITTEE

Three candidates for the Christian ministry were examined by the Ordination Committee during the past year, October 1, 1970 to October 1, 1971. These were:

1. November 16, 1971, at the request of First Church to examine John T. Laverty and L. C. Johnson, Jr.
2. June 29, 1971, at the request of Watts Street to examine Roland Johnson.

These men were examined and counseled concerning the Christian ministry, and then were recommended by the Ordination Committee to their churches that ordination plans might proceed.

Respectfully submitted,
James E. West, Chairman

REPORT OF THE STUDENT WORK COMMITTEE

Two significant developments have taken place in the student work of our association. They involve "attitude" and "approach."

Some local pastors and the local chaplains, or campus ministers at Duke and the University of North Carolina, have spent time and thought in getting to know each other. Personal conversations, joint meetings, a sharing of concerns and a mutual recognition that "we are laborers together with God" and that "we need each other" have given rise to a new attitude of concern, and have sparked new attempts to find ways of ministering together to human need. Heretofore chaplains have gone about their business and pastors have gone about theirs. Each knew the other was there but real "awareness" of each other was at a minimum.

Conscious attempts are being made by chaplains to relate students and local churches in ways that will foster understanding and personal spiritual growth. Students, too, want to have contact with local congregations. Campus ministers and students have developed "Outreach Teams", who upon invitation, will go to local churches to share their faith through testimony, music, drama, and other ways. "Bridge Groups" have been formed. They don't play cards but they do talk. They work in this fashion: a student, invited by a local family, visits once a week with the family for 6-8 weeks to share ideas, concerns, and experiences in an attempt "to bridge" the student-community gap. Other students, and adults from local churches, are being enlisted to engage once a week in conversation with an international student to help him gain a mastery of spoken English. A side benefit will be the exchange of cultural and religious ideas between area residents and foreign students.

Why so much effort to enlist the understanding and support of local churches? Local interest and help is needed to encourage in the faith Baptist students and others who are in our area. Three chaplains among several thousand students is a ratio far too big. The campus ministers need the support of local church concern and friendship. They want very much to be helpful to students and they want to build close relationships between students and churches.

A new approach is being tried in campus ministry. On all campuses except that of the University of North Carolina only one person serves as chaplain to Baptist students. He also serves as administrator of the Student Center. This year at U.N.C. two chaplains and a chaplain intern are working together. This is an experiment in a multiple ministry. One chaplain works primarily with undergraduates, another as administrator and with graduate students, faculty and married students. The intern is making contact with religious groups on campus such as Campus Crusade, the Fellowship of Christian Athletes – and all others – to determine how and to what kinds of people they minister. A research paper will conclude the study. He also is establishing contact and rapport with athletes and the social fraternities by meeting regularly with the leadership of the groups and by going into the dorms. An advisory council from local churches meeting regularly through the year will offer counsel and appraisal of this pilot project.

Individuals and churches interested in knowing more about the campus ministry at Duke or U.N.C., or about working more closely with the chaplains and students may write or call the campus ministers:

Duke:

Mr. David May, Chaplain
Box 4351 Duke Sta.
Duke University
Durham, N. C. 27706
Phone: 286-6097

U.N.C.:

Mr. Bob Phillips, Chaplain
Mr. Joe Clontz, Chaplain
Dr. David Smith, Intern
P. O. Box 467
Chapel Hill, N. C. 27514
Phone: 942-4266

The chaplains are willing to speak in local churches. They are willing to help arrange student visits for special purposes or programs in local churches. The campus ministry and the local church ministry can augment each other.

Robert M. Winecoff, Chairman

REPORT OF YOUTH COUNCIL ADVISORY COMMITTEE

The Youth Advisory Committee was formed two years ago and continues to express an increasing awareness and concern for the youth of Yates Association.

The Associational Youth Council is an outgrowth of this committee. Each church in our association was asked to elect or appoint two representatives, one from the Junior High age grouping, and one from the Senior High division, to serve on the Council. The Youth Council has met regularly on the 3rd Sunday of each month with special meetings scheduled as need dictated. Response was good as representatives of 27 churches have attended meetings during the church year.

Several projects have been carried out during the past year which have involved many youth in planning and participation. It is indeed refreshing and encouraging to be a part of such a committee.

The Associational Youth Rally, held March 20, was a project of the Youth Council. Twenty-one churches were represented and many young people participated in the program.

The Youth Council was active in the planning, publicity and program of the "Night of Encounter," July 15. This was a wonderful program of inspiration and evangelism. Many youth and adults went forward to publicly profess faith in Jesus Christ as Lord of Life.

A Mission Bible School, held in early August, was sponsored by the Youth Council with youth from six churches participating. The school was held at the Recreation Center of the Hoover Road Housing Project just off Angier Avenue. Great interest was shown as attendance averaged ninety-two. Any church wishing to sponsor a mission Bible School next summer is encouraged to do so through our associational organization.

In late August, the youth of many churches participated in the planning and execution of the first annual Associational "Youth Missions Fair." This festive occasion was an attempt to offer the people of the churches a unique view of the association and its ministries.

Our hope for the new year is to expand and stabilize the organization of the Advisory Committee, whose members have served as advisors to the Youth Council. I wish to thank those who have served on this committee, the Youth Council President, George S. Love, III, and the youth of Yates Association for their contagious enthusiasm and response to the challenge of adventure with Christ.

It is an exciting and most rewarding work.

Stephen D. Ackerman, Chairman

REPORT OF ASSOCIATIONAL BOARD

The associational year has been one of increasing harmony and a return to more emphasis upon evangelism. As we review the actions of the Associational Board and its Council, there may be easily seen something of this dual emphasis.

The 1970 annual meeting closed on a note of continued debate over the "Baptism" controversy. To this date the matter has not been settled though it does appear that much progress has been made. Subsequent Board meetings met in the shadow of the "overhang" of the issue and were thus somewhat restricted from greater vision in terms of missionary enterprise.

Aside from normal financial and organizational concerns which have traditionally claimed the attention of the Board, these significant actions were taken for the year:

1. An Evangelism Rally was conducted on November 30 at Gorman Church with Dr. Thomas L. Neely as speaker, and the film "Like a Might Army" as a feature.

2. The caretaker's house (hence known as the Johnson-Taylor Building) was dedicated on November 17, 1970.

3. On December 22, 1970, the moderator in a letter to all Board members called for a Special Board meeting to be held at Cresset Baptist Church. The Meeting was held on January 12, 1971 at 7:30 p.m. and the following proposals were approved as recommendations for a Called Associational Meeting.

Proposed By-Laws:

1. Only individuals who are baptized (immersed) believers:

(a) shall be seated as voting messengers at any associational meetings

(b) shall be reported by the churches on the annual letters to the association; and

(c) shall hold any position within the associational organization.

2. Our association adopts as its guide for doctrine and practice the Southern Baptist Articles of Faith as adopted by the Kansas City Convention of 1963. This includes that Statement's Introduction.

Also, a motion was approved which instructed our association's Constitution Committee to bring recommendations to the 1971 annual meeting to revise our constitution so that it will reflect our desire to be an association comprised of both messengers and cooperating churches; both doctrinal and missionary in concern.

These proposals shall henceforth be referred to in this report by the designation: IO (Immersion Only) Proposals.

Following the Board meeting at Cresset, the association convened in Special Session at Grey Stone Baptist Church on the night of February 23 at 7:30. At that meeting several amendments were presented which would have altered the IO Proposals of the Cresset Board meeting. All failed and the Called Session overwhelmingly approved the IO Proposals and also authorized the moderator to appoint a Special Constitutional Committee of seven members which would incorporate the IO Proposals along with some other changes into a proposed revised constitution. These changes were to be presented to the annual meeting of 1971.

4. The Board meeting at Ephesus Church on March 23, 1971, approved the Council's recommendation that the fall meeting time be changed to Monday through Wednesday nights, the first two nights for business, and the third for inspiration. At this time also, the moderator announced the names of the Special Constitution Committee. They were: Russell Barbee, Chairman, W. J. Broadwell, W. E. Byrd, Jr., Eric Shepherd, Malcolm Cadd, J. B. Buchanan, and Julian Motley. It was announced that the Garrett Road property was fully paid for and was now wholly owned by the Association.

5. The Board meeting at Page Road Church on May 11, 1971, joined others in issuing an invitation to Billy Graham to lead a crusade in the Triangle Area in 1973.

6. The Associational Brotherhood sponsored a highly successful "Night of Encounter" in July. It was indicated that future such events would be conducted in the years succeeding.

7. The Board meeting at Ebenezer Church in September, 1971, encouraged support of the World Missions Conference planned for April, 1972. Representatives were elected to serve with the Triangle Study Committee of the Raleigh and Mt. Zion Associations.

This report reveals that a great deal of positive action was taken this year by our Board. We continue to believe in and support the concept of Associational Missions and trust that democratic processes will enable us to deal forthrightly with the crisis which confronts us through the years until Jesus comes.

Respectfully submitted,
Ned Mathews, moderator

REPORT OF AUDITOR

I have examined the statement of cash receipts and expenditures of the Yates Baptist Association for the calendar year ended December 31, 1970. My examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances, except that it was not practical to extend my examination of income beyond the recorded receipts.

In my opinion, the accompanying statement of cash receipts and expenditures presents fairly the recorded cash transactions of the Yates Baptist Association for the calendar year ended December 31, 1970 on a basis consistent with that of the preceding year.

RESOLUTIONS COMMITTEE

Yates Baptist Association
October 26, 1971

Resolved, that we join in Christian expression of thanks:

To the Rev. Ned L. Mathews, Moderator of this association, for his courageous and considerate conduct of the 23rd Annual Meeting of the Yates Baptist Association on October 25 and to Mr. John Clayton for his gracious presiding on the 26, 1971; to Mr. Harrell Perry for his efficient recording of the minutes of this meeting and those previous sessions; to the Rev. Hubert S. Mumford, Associational Missionary, for his untiring efforts in behalf of the Lord's work promoted by the Yates Baptist Association; to the Program Committee in their presentation and completion of the program under unusual circumstances; to the Special Constitution Committee under the direction of the Rev. Russell Barbee who labored on the revision of the Yates Association constitution for presentation and approval at this meeting; and to the Executive Board and standing committees who have functioned throughout the year to encourage and guide the work fo the Yates Baptist Association.

Also, we would thank the Grey Stone Baptist Church and the Edgemont Baptist Church for the use of their buildings for the meeting of the Association on October 25, and 26; and Mr. John Laverty and his assistants who presented the music during the meeting.

Let us remember in Christian love and honor those of our number who have gone from our midst in death during the past year to be at home with the Lord.

As we were exhorted in the annual sermon "Seeing Jesus", by the Rev. Crate Jones, let us look forward to the coming year with expectation of a fresh view of our Lord Jesus Christ. As Paul admonished: "Those things which ye have both learned, and received, and heard, and seen in me, do: and the God of Peace shall be with you. Only let your conduct be as it becometh the gospel of Christ. . .that ye stand fast in one spirit, with one mind striving together for the faith of the Gospel; and in nothing terrified by your adversaries, which is to them an evident token of perdition, but to you of salvation, and that of God. (Philippians 4:9, 1:27)

Respectfully submitted,
Mrs. John A. Freeman, Chairman
Mrs. S. E. Dennis

CONSTITUTION

Revised 1971

Article I. NAME

This body shall be known as the Yates Baptist Association of North Carolina.

Article II. PURPOSE

The purpose of this Association shall be to provide a convenient and orderly means for the extension of the ministry of the cooperating Baptist churches in Durham County and adjacent territories which support the programs of the Baptist State Convention of North Carolina and the Southern Baptist Convention.

Article III. ARTICLES OF FAITH

The confession of faith of this Association shall be the 'Baptist Faith and Message' with its five-point statement of the historic Baptist conception of the nature and function of confessions of faith in our religious and denominational life as adopted by the Southern Baptist Convention in 1963 at Kansas City.

(Five-Point Statement From "The Baptist Faith and Message")

(1) That they constitute a concensus of opinion of some Baptist body, large or small, for the general instruction and guidance of our own people and others concerning those articles of the Christian faith which are most surely held among us. They are not intended to add anything to the simple conditions of the salvation revealed in the New Testament, viz., repentance towards God and faith in Jesus Christ as Savior and Lord.

(2) That we do not regard them as complete statements of our faith, having any quality of finality or infallibility. As in the past so in the future Baptists should hold themselves free to revise their statements of faith as may seem to them wise and expedient at any time.

(3) That any group of Baptists, large or small have the inherent right to draw up for themselves and publish to the world a confession of their faith whenever they may think it advisable to do so.

(4) That the sole authority for faith and practice among Baptists is the Scriptures of the Old and New Testaments. Confessions are only guides in interpretation, having no authority over the conscience.

(5) That they are statements of religious convictions, drawn from the Scriptures, and are not to be used to hamper freedom of thought or investigation in other realms of life.

Article IV. MEMBERSHIP

Section 1. This Association in session shall be composed of duly elected messengers from cooperating Baptist churches in Durham County and adjacent territories and the regular elected officers of the Association and members of the Associational Board which are in agreement with the purpose as stated in Article II. When not in session this Association shall be comprised of its member churches which shall elect members to the Associational Board in accordance to Article X.

Section 5. The Association shall have the power, upon giving notice of nine months and by two-thirds majority vote of messengers present and voting, to withdraw fellowship from any church that shall willfully depart from orthodox principles of the Christian religion as taught in the Bible and as believed by Baptists, or that fails to represent itself either by messenger or letter at the annual session of the Association without sufficient reason, or that fails to support causes fostered by the denomination at large and of this Association in particular, or that ceases to be missionary in practice.

HISTORY OF GRACE BAPTIST CHURCH

On August 25, 1887, Mr. Fred C. Geer gave a piece of land, located on the corner of Mangum Street and Trinity Avenue, to the First Baptist Church. Although he was not a church member or a professing Christian, he gave this land with the understanding that it be used for the building of a Missionary Baptist Church. At that time a church was needed on the north side of town since it was a rapidly growing part of the city.

Work was not seriously considered until 1904 when the First Baptist Church, recognizing the need of a church in this residential section, began planning to build a missionary church. Mr. Geer made a donation of one thousand dollars to start the work on the building, which began in 1906. This building, completed in June, 1907, was called the North Durham Baptist Church. Plans were then made to organize the church on July 23, but because some unrecorded matters were not complete, the actual organization is dated on July 30, 1907. There were 54 charter members. Most of these came by letter from the First Baptist Church. The church adopted the Philadelphia covenant and elected officers at the first business session. The officers included four deacons, a church clerk, and a treasurer.

The Reverend J. M. Arnette was called to be the first pastor and he began his duties in August, 1907. The church grew steadily from that time in membership, financial growth, and spiritual influence in the community. Early in its existence, the church became self-sustaining and never actually received any outside aid, becoming the first Baptist church in the state not receiving any aid from the N. C. Baptist State Convention. The church was received into the Mount Zion Association and continued its membership with them until 1948 when a letter was secured, along with twenty-six other churches, to form the Yates Association in the eastern section of the Mount Zion territory. While Mr. Arnette was pastor, the church felt the need of more room for Sunday School. They discussed enlarging the church but took no definite action. After eight years of faithful service, Mr. Arnette resigned in May, 1915.

In July of that year, Reverend R. R. Lanier, called from the Southern Baptist Theological Seminary in Louisville, became the pastor but resigned in March, 1918.

The third pastor, the Reverend Victor McGuire came from the Second Baptist Church of Danville, Virginia. He had been with the church a little less than a year when the Foreign Mission Board appointed him to go as a missionary to China. He had felt God calling him to foreign service since his first years at Wake Forest College. He served as pastor from September, 1918, to July, 1919. Although he stayed only a short time with the church, he did much in helping the church and the community. He opened the eyes of many to the cause of foreign missions. He was a greatly beloved man and comforted many in time of sorrow during the great influenza epidemic. During Mr. McGuire's pastorate, plans were drawn for an up-to-date Sunday School building. In July, 1919, this new addition was begun.

After being discharged from service with the American Red Cross, the Reverend William J. Crain was called to lead the church in September 1919. It was during his service that the new addition to the church was completed. The church membership at this time was 275. On May 15, 1921, the name of the church was changed from North Durham Baptist Church to Grace Baptist Church. In January, 1922, Mr. Crain resigned.

On April 16, 1922, the Reverend George T. Watkins, D. D. came as pastor to Grace from the First Baptist Church of Goldsboro. During his service, Grace Baptist Church became one of the leading churches of the city. The membership grew to 590, and the financial support to all local and denominational causes reached a high peak.

On October 8, 1932, after ten years of faithful ministry, the beloved pastor died. Everyone had grown to love Dr. Watkins and the entire city mourned his death. In 1933 the Watkins Memorial Hut was erected as a monument to his loyal service.

On May 15, 1933, the Reverend Henry B. Anderson began his ministry, having been called from Enfield Baptist Church. During his thirty-three years of pastorate, much was accomplished for the Lord.

On February 12, 1936, a pastorium at 1104 North Mangum Street was purchased by the church for the pastor. It was Dr. George T. Watkins, Jr., son of the former pastor, who was instrumental in getting the debt paid on the pastorium and beginning a building fund for our present church building.

On June 1, 1938, Miss Mary Lucille Sanders was called as Church Secretary and Young People's Director. At no time since then has our pastor been without a staff member to help him.

January 25, 1941, Mr. K. U. Bryan purchased the lot just north of the church at 1004 North Mangum Street and gave it to the church to encourage an immediate building program. On June 9, 1948, the ground-breaking service was held and work was begun at once on the sanctuary. The cornerstone was placed in the sanctuary on February 20, 1949. Our sanctuary was completed and occupied on the first Sunday in October, 1950, at a cost of $324,100.00.

On October 5, 1952, a three-manual pipe organ, purchased from Standaart Organ Company of Suffolk, Virginia, and costing about $25,000.00 when installed, was dedicated. The dedication recital was played by Dr. Harry E. Cooper, Dean of Music, Meredith College in Raleigh, North Carolina.

The young people led a drive to buy the grand piano used in the sanctuary.

In 1945 the church adopted Dr. Coleman Clarke as our first foreign missionary to Japan.

A Dedication and Note Burning Service for the sanctuary was held on Sunday, September 12, 1954.

Work on a vast Education Building began in September, 1956, and the first services were held on the second Sunday in October, 1958.

In 1960 Mr. Anderson journeyed on a world tour. He left June 22, 1960, and returned August 25. He attended the Baptist World Alliance in Rio de Janeiro and visited many missionaries in their various countries and places of service, speaking and witnessing in these places.

Homestead Heights Baptist Church started in 1962 as a mission from Grace Baptist Church. The Reverend Samuel James, now a missionary to South Vietnam, was first pastor.

A Kindergarten and Day Nursery was started in 1964 with a present enrollment of 110.

Some other highlights during the ministry of Mr. Anderson were paving of the parking lot and Family Night Worship Service.

Following the retirement of Mr. Anderson December 31, 1965, the Reverend Robert E. Gray, who had served as our associate pastor for a year, was called as pastor beginning January 1, 1966. During his five years of ministry, there were many highlights of Grace Church.

In November 1967 Reverend and Mrs. George W. Braswell were appointed as missionaries to Teheran, Iran, replacing Dr. and Mrs. Coleman Clarke who had returned from the foreign mission field. The same year we adopted two additional missionaries—Reverend and Mrs. Kenneth R. Bragg, Tokyo, Japan, and Reverend and Mrs. Bob Compton who are serving in Cali, Colombia, South America.

In 1967 the church had an opportunity to participate in its first pictorial directory which has proven a big asset to the entire membership.

On June 19, 1968 a long range improvement plan, which had been a vision of the church, was voted on by the church. They consisted of the following projects:

1. Installation of recreation facilities
2. Installation of a new sound system
3. Completion and furnishing of the Church Parlor
*4. Construction of a portico at the north entrance to the education building
5. Construction of a ramp leading into northeast hallway of sanctuary

*As of this date all have been completed with the exception of the construction of a portico.

October 16, 1968 a house and lot were purchased from Mrs. Carolyn Meredith at 112 Seeman Street.

On December 15, 1968, the church adopted as lifetime deacons Mr. K. U. Bryan and Mr. A. P. Tilley.

July 27, 1969 was a highlight in the life of Grace Baptist Church — a ceremony of the note burning of the Education Building was held.

Mr. Gray resigned November 30, 1970 to become pastor of Edenton Baptist Church, Edenton, North Carolina.

Following the resignation of Mr. Gray, the Reverend Dennis W. Hockaday was called as interim pastor and served the church for eight months, from January 1, 1971 through August 31, 1971.

On September 1, 1971 the Reverend Fred A. King, our present pastor, came to us from the First Baptist Church, Mebane, North Carolina.

October 10, 1971 the church voted to install air conditioning in the Educational Building on the second and third floors which was completed and in use in the summer of 1972.

For several years the church had desired a constitution and after years of faithful work by a special committee, the church adopted said constitution December 5, 1971.

In April, 1972, two new missionaries were appointed. They are Dr. and Mrs. Paul Miller, Nigeria, Africa, and Reverend and Mrs. Gene Henson, Brazil. At the present time we are supporting three missionaries.

Seeing the need of a ministry to our Shut-ins, the Branch Bible Class of our Sunday School is sponsoring a Tape Ministry which began this year.

The Welcome Club was organized in the fall of 1971 for elderly members of the church and their friends. This provides them with Bible study, fellowship, meals, ceramics and occasional trips.

The church also has a very active youth program; Woman's Missionary Union and its auxiliaries; and a music program consisting of choirs of all ages.

The church now owns an entire city block with the exception of one house and lot. The total cost of buildings, furnishings and extra real estate would be approximately one million dollars.

Our church enrollment is 1,041 with a budget of $102,712.40 for 1972. We feel that our church is unique in that it has had only eight pastors in its sixty-five year history.

The Grace Baptist Church is located among some of the most stable people of the city and all during its history has enjoyed a steady and substantial growth.

HISTORY OF LAKEWOOD BAPTIST CHURCH

Lakewood Baptist Church was organized in the old frame structure of Lakewood School on April 14, 1912. There were eight charter members: Mr. and Mrs. F. A. Ward, Mr. and Mrs. R. L. Rigsbee, Mr. D. E. Durham, Mrs. J. G. Rigsbee, Mrs. A. T. Woods, and Mrs. J. C. Myrick.

Three ministers assisted in the organization: Rev. W. C. Barrett, Rev. M. C. Davis and Rev. R. P. Ellington. The church called Rev. R. P. Ellington as the first pastor.

During the first year and a half after its organization the church experienced difficulty in finding a place of worship. Services were held in the old frame structure of Lakewood School during the summer months and the Lakewood Park buildings in the winter.

The first officers of the church were: Trustees: Mr. F. A. Ward and Mr. R. L. Rigsbee; Church Clerk and Treasurer: Mr. W. G. Pendergrass; Organist: Mrs. J. C. Myrick; Sunday School Superintendent: Mr. D. E. Durham; Deacons: Mr. F. A. Ward and Mr. R. L. Rigsbee.

In February, 1913, the church called Rev. W. E. Warren to succeed Rev. R. P. Ellington, who resigned to enter the seminary for theological training.

In April, 1913, the church held a revival in the Lakewood Park Casino which resulted in many additions to the membership. This brought about an urgent need for a new building. A lot was purchased on the corner of Bivins and James Streets and a white frame building was begun in the fall of 1914. By April 2, 1916, the church was debt free and the building was dedicated.

Through the ensuing years the Sunday School experienced growth that brought about a need for more space. This was met by building additional Sunday School rooms in the basement of the church.

In 1920 the congregation accepted a challenge to secure a parsonage which was purchased in that year on Lakewood Avenue.

On June 15, 1924, the church was relocated from the frame structure on James Street to the present building on Chapel Hill Road. The building was not quite complete and worship services were held in the basement until January 4, 1925, when the first service of worship was held in the main auditorium of the new building. The old church building on James Street was sold to Mr. J. E. Latta in 1924, at which time the parsonage on Lakewood Avenue was also sold.

On May 30, 1928, Mr. F. A. Ward passed away, and following his death the church suffered to the extent of being sold for the debt by the Jefferson Standard Life Insurance Company. The insurance company bought the building in 1930 and rented it to the church for $100 per month. In November 1930, the Rev. H. T. Stephens conducted a revival for the church and through his influence and guidance the church bought the building and refinanced it.

The decade of the forties found the church experiencing new life and vitality with Dr. Trela D. Collins coming as pastor on September 1, 1940. During his ministry Dr. Collins led the church to become debt free and it was dedicated in January, 1944. A new parsonage at 1603 Lakewood Avenue was purchased during the ministry of Dr. Collins. On November 13, 1949, Dr. Collins submitted his resignation to become effective January 1, 1950. At a homecoming celebration of the church's fortieth anniversary, the balance due on the parsonage was retired in full.

Following the pastorate of Rev. Lamar Kincaid (April 1, 1950 to April 10, 1955), the church called Dr. Trela Collins as interim pastor. During his interim period, Dr. Collins led the church to adopt the unified budget system with a goal of erecting an educational building. Pledges from the membership for this purpose were accepted on November 11, 1955, amounting to $25,180.20. Groundbreaking ceremony for the educational building was held on Sunday, August 4, 1957. The new building was used for the first time on May 18, 1958.

Dr. Collins resigned as interim pastor on June 1, 1958, and on this date Rev. J. Henry Coffer, Jr. was called as pastor. Mr. Coffer served the church until September 30, 1960.

On November 16, 1960, Rev. John Grant began his ministry as pastor of Lakewood.

In the spring of 1961, an anonymous donor made it possible for an addition to be constructed to the parsonage at 1603 Lakewood Avenue. A new bedroom, bath and basement room were added, making the parsonage more adequate for the pastor and his family.

A new organ and piano, new carpets were installed in the sanctuary in 1966, with all of the improvements accomplished through a successful fund-raising campaign. Also, the church installed air conditioning throughout both sanctuary and educational buildings.

On October 30, 1966, Mr. Grant concluded his ministry at Lakewood.

Dr. John Freeman was called as interim pastor and served until August, 1967, at which time Rev. Everette J. Smith came to Lakewood as pastor.

The church sold the parsonage on Lakewood Avenue and purchased the Stewart Rigsbee home at 1923 Ward Street. Since purchasing the house several improvements have been added to it: the kitchen was completely remodeled in 1970 and in 1971 central air conditioning was installed.

Around the first of March of 1972 the church became debt free of all improvements which were air conditioning of the sanctuary and educational building and purchasing of the home on Ward Street.

The church has already approved a major renovation program to the exterior of the sanctuary plus remodeling of kitchen and fellowship hall, class rooms, rest rooms, a ramp between educational building and sanctuary, and improvements to the vestibule. This project has been awarded to the Delta Construction Company and construction is to begin the first of November.

Growth in Lakewood has not been as some churches have experienced, but a strong and mature fellowship is being experienced among the people.

The financial strength of the church has continued to grow in a healthy manner. The 1972 budget became the largest in the history of the church and response to it during the year has far exceeded the previous year.

The church has had thirteen pastors since its beginning. Rev. H. F. Lindsey was the first full-time pastor. Two of the men has served the church twice as pastors, Rev. W. H. Hartsell and Dr. Trela D. Collins. The church has had two brothers as pastors. Rev. W. H. Hartsell, upon his death in September 9, 1932, was succeeded by his brother Rev. P. P. Hartsell as pastor of the church.

In order of service, the following men served as pastor at Lakewood; Rev. R. P. Ellington, Rev. W. E. Warren, Rev. H. F. Lindsey, Rev. W. H. Hartsell, Rev. C. T. Plybon, Rev. L. W. Teague, Rev. W. H. Hartsell (second time) Rev. P. P. Hartsell, Rev. L. R. Ennis, Dr. Trela D. Collins, Rev. E. Lamar Kincaid, Dr. Trela Collins (second time), Rev. J. Henry Coffer, Rev. John C. Grant, and our present pastor, Rev. Everette J. Smith.

Over the years our church has employed many fine and capable church workers; secretaries, educational directors, music directors, custodians and others.

The present structure has stood at the corner of Bivins Street and Chapel Hill Road since 1924. When you measure it in feet it is not very far from where a little band of eight people gathered to organize Lakewood Baptist Church in the old frame structure of Lakewood School on April 14, 1912. (The organization took place where the Lakewood Y.M.C.A. is located today on Chapel Hill Road.) But when you measure the reality of Lakewood Baptist Church in terms of sacrifice, prayer, frustration and agonizing planning, it is a long road over which the church has come to its present hour.

Lakewood Baptist Church continues to stand as a witness to God's saving grace through Jesus Christ. Her heritage is rich and her future is bright because the same sense of dedication shown by those in years gone by is evidenced in the lives of those in the present hour.

REPORT OF BROTHERHOOD

Baptist Men

During the year we have tried to emphasize the role of laymen serving in their respective church fields and beyond in other fields of mission activity.

The Spireno Campaign in the spring, with Richard Hogue as speaker, was an interdenominational effort in which we encourage men to cooperate in witnessing and counseling along with men of other cooperating churches.

On May 23 we had Dr. Glendon McCullough, the new Director of the Brotherhood Commission, S.B.C., come to our association for three meetings; one in the afternoon with Superintendents of Missions from across the state led by Edwin Bullock, State Brotherhood Director, a Ladies' Night banquet with nearly 300 people present, and a service at 7:30 p.m. to which the general public was invited. It was a big affair!

On October 3 a Mission Action Workshop was held in Ebenezer Church. It was divided into two sessions; one in which people of the various churches were able to share mission activities in which they were already involved successfully; a second in which speakers from Raleigh spoke on possible mission activities in the areas of the Retarded, Juvenile Delinquents, Golden Agers and Jail Ministries.

Simultaneously with the workshop our associational R. A. leadership conducted a sharing session with a large group of church R. A. leaders and counselors.

The R. A. work is still the greatest motivation force for Baptist men everywhere and a force we want to use to involve men in service to man and God. The Royal Ambassador work is the only area of the Brotherhood organization really working in many churches.

Our hope for the coming years is to enlist Baptist men in Christian missions and activities with the goal of winning people to Jesus Christ. The Baptist pastors are the keys to helping us achieve this aim.

Respectully submitted,
Bruce C. Little, Director

REPORT OF WOMAN'S MISSIONARY UNION

At the close of a term of office as Associational WMU Director you feel a sense of relief that now the responsibility is in more capable hands, but an empty feeling of regret also, that you did not accomplish all you wished for.

The theme of the year was "Living the Spirit of Christ in Expectancy and Creativity." The 1971-72 Watchword was taken from Phil. 2:11—"All will openly proclaim that Jesus Christ is the Lord, to the Glory of God the Father."

The Annual WMU Meeting was held on April 25 at First Church, there were more than 400 in attendance. The afternoon Session was a business and report session, with Reverend Hubert S. Mumford, Superintendent of Missions, giving a good report of happenings in the Association, and Rev. Boyce Kimball giving illustrations of his work. The evening session opened with a meditation by Rev. Mumford. Mrs. Hubert Mumford introduced the speaker for the evening, Claude H. Rhea, Dean, School of Music, Samford University, Birmingham, Alabama. He brought a most inspirational program in the form of Song and Story. Rev. Robert E. Gray, former pastor of Grace Church, now serving in Edenton, N. C. brought the benediction. Group III Chairman, Mrs. Frank Nelson, and members from Braggtown, Calvary, Cheek Heights, Durham Memorial, Faith, Fieldcrest, First, Gorman, Grace, Holloway Street, Plainview, Red Mountain, Ridgecrest, were hostesses for the meal.

A Prayer Retreat under the direction of Mrs. Millard Page, was held in the fall at Camp Mundo Vista. Missionary to Vietnam, Mrs. Rachel James brought the devotional message.

All of the incoming officers attended an overnight workshop at Camp Mundo Vista, in preparation for the new year, and to teach the three night workshop held at Grey Stone Church in September. About 207 women from our churches took advantage of this work shop. Miss Sara Ann Hobbs, our State WMU Executive Secretary taught the Directors of the WMU.

The Acteens, under the direction of Mrs. Merle Edmonds, had some most inspirational quarterly meetings, with a large number of our young girls taking part.

Mrs. W. A. Godwin, Girls in Action Director, and Mrs. E. F. Dollar, Jr., Mission Friends Director, kept in close touch with the churches, assisting where needed.

The Woman's Missionary Union Ministry at Murdoch Center is continuing with fifth Sunday visitation to the cottages at the center.

The groups are each assigned a quarter to take care of the food pantry at the Association Office, and they do a good job of keeping it filled.

As an association group, we have several worthwhile projects we help with: Fellowship house, Maynard House and any others we are called on to assist. We hope to work with the Baptist Men and be of assistance to them when needed. Just call us, we'll help you.

Respectfully submitted,
Mrs. V. J. Chance, Director.

REPORT OF THE SUNDAY SCHOOL

The Associational Sunday School officers have been experiencing a rebuilding year. Due to some unforeseen circumstances, our group was not able to function in solid fashion as a full committee. I wish to express my sincere appreciation to Doug West for supplementing our group work in the Youth Division.

The Rev. Ray Cumbee and his corps of workers reported 26 participating churches with 210 church leaders in attendance at the two Vacation Bible School Clinics. We're grateful to Grace Baptist Church for the use of their facilities for the clinics.

We were invited to work with Temple Baptist Church during the year. Our officers hope to be able to help your church in any way during the coming year. If there are specific areas in which we may be of service, we will respond gladly. Feel free to call upon us.

Finally, I wish to note the current emphasis in Sunday School work. There was a two-day ReaLife Conference in our association in May. The emphases were twofold; spiritual renewal of church leaders and workers plus a commitment to the enlistment of new Sunday School members. These two emphases of the ReaLife concept will be continued in the coming year. Our Sunday School membership has continued to drop for several years. Let us covenant together to reverse this unholy trend. The first words of our Lord was to the effect that "I must be about my Father's business." His last words were "Ye shall be my witnesses . . . . . "

Respectfully submitted,
W. T. Brogden, Director

REPORT OF CAMP COMMITTEE

This year has been spent in studying the type of facilities that we can and should erect to assure resident summer camps as quickly as possible. Cabins accommodating about 10 people each are preferred but they may differ in facilities. It is hoped that people of financial means may be located who will give the necessary $4-5,000 for a cabin in memory or in honor of a loved one.

A brochure is being produced that will show the elevation and floor-plans of these proposed cabins, and a swimming pool to meet minimum needs.

Pray that God may lead us to individuals who see these real and immediate needs!

During the past twelve months 83 different groups from 28 churches have used the various facilities at the camp, especially the Nichols-Maddry Lodge.

REPORT OF ASSOCIATIONAL BOARD

At Associational Board meetings the following significant actions were taken:

Berea Baptist Church — November 9, 1971

That the City-Metropolitan Missions Study Committee be dissolved and a new committee of seven be appointed by the moderator not later than the May Board meeting.

That the annual meeting for 1972 be on Monday and Tuesday nights October 23-24 and that any inspirational emphasis be incorporated into these two nights.

Goals approved were to enlarge the Laubach literacy program, launch a Yates Bible Training Center (Seminary Extension material), cooperate with the city-wide Spireno Crusade on March 26-31, 1972, and enlist 42 churches for World Missions Week, April 16-19, 1972.

Westwood Baptist Church — February 15, 1972

Named the committee replacing the City-Metropolitan Study Committee as the "Future Development Committee" with the responsibility of

(a) surveying our geographical area to discover needs that we can and should meet.
(b) restructuring our organization to make it more efficient in meeting those needs.
(c) planning to meet those needs in consultation with our committees and organizations.
(d) encouraging the association to carry out the plans.

Approved that dates in the associational calendar of activities beginning with January 1, 1973, be set without reference to the Sundays they follow, and suggested that the churches do the same.

Mount Hermon Church — May 16, 1972

Mrs. Frances Dorrity, incoming Director of WMU, reported 37 of 48 churches were represented at the First Baptist Church with 265 served supper and 450 present for the evening service when Dr. Claude Rhea of Samford University gave a presentation "Missions in Music".

Bruce Little, Director of Brotherhood, promoted the coming of Dr. Glendon McCullough for the Ladies Night supper and program at the First Baptist Church on May 23, 1972.

Lowe's Grove Church — July 18, 1972

A recommendation of the Executive Committee was approved that the moderator appoint a Church Training Research Committee of at least five, with Miss Nannie Mae Herndon as Chairman to investigate

(1) the personal development needs of the members of our churches.
(2) what our association can and should do to assist the churches in meeting those needs, and
(3) how to set up and carry out such a program.

Rev. Ray Cumbee was elected Chairman of the Constitution Committee in place of R. F. Smith, resigned, and Rev. B. E. White, Jr. in place of Rev. Marshall Sargent, on the Program Committee.

Homestead Heights Church — September 12, 1972

The clerk called attention to a Church Clerks Conference for September 16-17. Progress was reported in the Literacy Program with a training session planned for November. A workshop was announced for Baptist men and boys for October and a Hymn Sing at Guess Road on October 15.

Mrs. Emily Warren was presented a gift in recognition of nine years service in the associational office.

University Church, Chapel Hill, N. C. — October 17, 1972

The principal item of business was a report of the associational Constitution Committee by Rev. Ray Cumbee, Chairman. These recommended changes were approved by the Board for presentation at the annual meeting for adoption.

Upon recommendation of the finance committee the board voted to extend the vacation of the Superintendent of Missions to three weeks in 1973 and to four weeks after 20 years.

A letter from the Watts Street Church was read which summarized official action by its congregation during the past year pertaining to its relationship to Yates Association. A motion was made, seconded, and approved the letter be received as information.

During this year I've visited in many of our churches on various occasions and have found a genuine welcome by the ministers and congregations.

I deeply appreciate the cooperative, helpful spirit shown to me by our associational leaders, and a growing spirit of Christian fellowship toward each other is evidenced.

The future looks bright, with many committees already working and others making significant plans for 1973.

Respectfully submitted,
John H. Clayton, Moderator

REPORT OF RESOLUTIONS COMMITTEE

Be it resolved with grateful hearts:

That we express our thanks to our Moderator, Mr. John Clayton and our Vice-Moderator, the Reverend Robert Winecoff, to our Clerk, Mr. Harrell B. Perry, to our Superintendent of Missions, the Reverend Hubert S. Mumford, to our Program Committee, and to all other committees for the faithful performance of their duties during the past year and in the preparation for the meeting of this our Twenty-Fourth Annual Session of The Yates Baptist Association;

That we also thank Mr. John Laverty and his assistants for leading us in worship through music and that we express our appreciation to every brother and sister in Christ who has labored in love for the Lord in any capacity in our Association;

That we thank God for our host churches, Angier Avenue and Mt. Moriah, for the use of their buildings and facilities for the meeting of the Association;

That we express our gratitude to the Reverend Warren Kerr for the challenging message on Monday evening and to the Reverend Richard Smith of the Baptist State Convention and the Reverend William Powell of the Home Mission Board for timely and informative messages on Tuesday evening;

That we bow our heads and hearts in loving memory and thankfulness for the inspiration given to us by those of our number who during the past year have gone to be with the Lord;

That we as individuals pray earnestly for God's guidance in the casting of our vote in the local and national election two weeks from today;

That we accept Paul's exhortation in Colossians 3:16 "Let the word of Christ dwell in you richly in all wisdom; teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord", so that the churches in this Association will witness as never before to the lost in our midst and to the distraught, troubled and confused persons all around us, recognizing the fact that except for the grace of God we too would be included in their number. Let us thank God for a Saviour who is able to meet our every need.

REPORT OF ORDINATION COMMITTEE

During the past year (October 1, 1971 to October 1, 1972) one candidate was examined by the Ordination Committee. On May 1, 1972 Mr. Andrew King was examined, at the request of the First Baptist Church.

After examining and counseling Mr. King concerning the Christian ministry, the Ordination Committee recommended him to the First Baptist Church that ordination plans might proceed.

As a matter of information, Mr. Tommy Robertson was examined (October 7, 1972) and ordained (October 8, 1972) by the Bethesda Baptist Church.

We wish for Mr. King and Mr. Robertson long and fruitful ministries in the Lord's work.

REPORT OF CHURCH TRAINING RESEARCH COMMITTEE

ASSIGNMENT: The Board of the Yates Baptist Association voted in July that the Moderator appoint a Church Training Research Committee of at least five, with Miss Nannie Mae Herndon as chairman, to investigate, (1) the personal development needs of the members of our churches, (2) what our association can and should do to assist the churches in meeting these needs, and (3) how to set up and carry out such a program.

ORGANIZATION: The Moderator, Missionary and I met and named the committee. After 4 meetings of this group and numerous committee meetings we are organized with the following committees:

DEPARTMENT OF PERSONAL CHRISTIAN DEVELOPMENT

Church Training Research Committee

Nannie Mae Herndon, Chmn.
John Clayton
H. S. Mumford

Committee

Creative Activities: Mrs. Martin Rigsbee, Alan Rigsbee
Continuing Education: Randy Cain
Yates Bible Training Centers: Coy Yates, Thad Ashley
New Member & Leaders Training: Ed Kissiah, Charles Gardner
Member Training: Mrs. Doris Ashley, Mrs. Mary L. Tilley, Eric Kyles
Youth Training: Dianne Godwin, Archie Daniel

CONCERN: There needs to be some reorganizing, restructuring and updating prorams and concepts regarding training. The entire committee is aware that Personal Christian Training should take place throughout the week and not limited to the Sunday evening program. Every church sponsored activity and/or organization should contribute to meeting the needs of the membership for growth as Christians or it should be discontinued.

PROGRESS: The committee feels that the title of the Training Organization should be expanded to include all phases of the training.; therefore, we have chosen to call this the Department of Personal Christian Development. We have divided into 6 major committees for work:

First, Creative Activities is studying and evaluating the Tournaments, Bible Drills, and Festivals of the Arts to learn what is needed and wanted by the church membership to increase Bible knowledge and awareness and appreciation of God, the Word, and the Church.

Second, the Continuing Education is new to many. The committee feels that the field is wide open for courses on Personal Christian development to be taught throughout the week in homes, schools, churches, and institutions. Many agencies are ready and waiting to offer such courses either free or at a nominal fee. A list of possible opportunities for training has been compiled. We are now endeavoring to learn what the church members want for continuing their Christian education.

Third, Yates Bible Training Center. We have heard the cry from the lay leaders for more Bible Training. This committee has compiled a list of available Bible courses and is working on scheduling and communication.

Fourth, New Member and Leader Training. We are aware of the large percentage of church drop-outs on our rolls and of the failure to involve new church members in a study of the meaning of church membership. The ineffective untrained leadership in the churches results in poor quality, lack of interest, and often discouraged laity. This committee is studying the needs and making some suggestions as a result of their study.

Fifth, Member Training. This committee is attempting to list available courses of study and compile a questionnaire to help with their survey of member needs for personal Christian development.

Sixth, Youth Training. Most youths involved in the Sunday evening training program are also in the Church Music Program. What happens to the youth who isn't interested in music or who doesn't play ball? Our committee is working on a questionnaire to try to find out from the youths what other interests they have that needs to be developed in an expanded training session.

Conclusion: We expect to be working many months trying to discover the needs of the church members. Any ideas you have regarding the curriculum for enlarging the program for Personal Christian Development will be welcomed by members of this Research Committee.

REPORT OF THE MUSIC COUNCIL

The Music Council of the Yates Baptist Association met four times during the past season in executive meetings to plan the work of the council for the season, and make some tentative plans for the coming season.

On Sunday afternoon, October 17, 1971, the eleventh annual Yates Association Hymn Sing was held at Grey Stone Baptist Church. Choirs from Durham Memorial, Holloway Street, and Grey Stone participated. Hymns were favorites of members of the Yates Association churches, chosen in a poll taken throughout the member churches. There was a good attendance for this inspiring and enjoyable hour of worship and praise through song.

An associational choir was used in each session of the 1971 Annual Associational Meeting on October 25 and 26. This group met just prior to each session for rehearsal;

they did a grand job and made a wonderful contribution to the worship periods.

The annual Choral Clinic for choir members and music leaders in the churches was held at Yates Baptist Church on Monday, February 21, 1972. About 60 people attended, representing 18 churches. Guest leader for the clinic was Dr. Paul W. Peterson of Salem College, an outstanding choral and vocal authority. Largest attendance from any single church were the members from Yates and Lowe's Grove.

As this report is being prepared, the Music Council is making final plans for the 1972 Hymn Sing and the music for the 1972 Annual Meeting.

We would like to emphasize again that we, the members of the Yates Association Music Council, stand ready to give assistance to any church of the association, so far as time, opportunity, and ability permit. If there is any way we can serve you better—anything we can or should include in our work, let us know, for we want to minister in the most effective way we are capable of. Please call on us-we will help in any way we can.

Respectfully submitted,
John T. Laverty, Director.

REPORT OF CHRISTIAN SOCIAL MINISTRIES COMMITTEE

The Christian Social Ministries Committee had a good year with our emphasis majoring on two ministries: literacy and volunteers to work with probationers. The former program is quite strong now with 12 people teaching non-readers and other prepared to teach. In addition, another training program is being planned. The probationers ministry has just begun under the direction of Steve Williams. In addition to those two ministries, Rev. Boyce Kimball is working closely with Sheriff Marvin Davis to establish a program of work with the jail where two Christians would assist the jailers on Friday and Saturday nights. This new program seems to show real promise of truly being a Christian ministry of caring.

As outgoing Chairman of the Christian Social Ministries Committee my main wish for this work is that Christian social ministries will receive more acceptance as a valid form of Christian service. I would like to recommend these books which have helped me in this regard, in addition to the Bible. They are: "The Greening of the Church" by Findley Edge; "Christian Manifesto" by Ernest Campbell; "Christian Reality and Appearance" by John A Mackay.

Respectfully submitted
Russell L. Wimmer, Chairman

REPORT OF EVANGELISM COMMITTEE

It is exciting what the Holy Spirit is doing through the ministry of evangelism in our state. Six thousand youth and adults in 425 churches have now participated in Lay Evangelism Schools or Pastor's Retreats. We thank God for this tremendous response to the important emphasis of lay witnessing. The Yates Association Evangelism Committee in cooperation with the North Carolina Baptist Convention Division of Evangelism sponsored a Pastor's Retreat on Lay Evangelism Schools. The purpose of the Retreat was to train pastors and lay persons to direct Lay Evangelism Schools in their own churches. The retreat was held at Angier Avenue Baptist Church on April 24, 1972, from 9 a.m. to 3 p.m., and was led by Mr. Jimmy D. Hinson. Eleven of our churches were represented by twelve ministers.

The Evangelism Committee sought the support and participation of our Association churches in the area Spireno Crusade held March 18-25. The Crusade response was very large, and we hope, very fruitful.

Over 2,400 pastors and lay persons attended the 26th Statewide Evangelism Conference in Fayetteville last February. Besides our receiving challenges from outstanding speakers, special conferences were held with practical emphasis on different phases of evangelism.

About 16,000 people attended the Second Annual Statewide Youth Evangelism night in Greensboro this summer with Arthur Blessit as speaker, and several of our churches were well represented.

As we anticipate the new year, we look forward once again to having another Pastor's Retreat on Lay Evangelism Schools, to an emphasis on inner-faith witness, to participation in the Central Carolina Billy Graham Evangelistic Crusade in Carter Stadium, Raleigh, and to the 27th Statewide Evangelism Conference February 5-7, 1973 at Ovens Auditorium, Charlotte.

Remember to pray earnestly for the leadership of the Holy Spirit in the total ministry of evangelism in North Carolina, our nation and our world.

Respectfully submitted,
James L. Jackson, Jr., Chairman

REPORT OF YOUTH COUNCIL ADVISORY COMMITTEE

The Youth Council Advisory Committee this year has not functioned as in previous years. Instead of trying to work through an Associational Youth Council, which was for various reasons ineffective, we have sought to provide a monthly "youth happening"or "rally" offering opportunities for worship and fellowship. Attendance and participation was not as we had hoped; in five meetings average attendance was 105 with approximately 70% of those attending in the youth age group.

Encouraging several mission Bible Schools in the inner city and apartment complexes was a part of the committee's ministry. During July and August a Mission Bible School was conducted, again in the Hoover Road Housing Project just off Angier Avenue.

Plans are being made for the continuation of the special monthly youth meetings with Barry St. Clair, associate director of the Department of Evangelism, Home Mission Board, and the "Listen, America" team (college students from across the state) as the features of our November and December, 1972 meetings.

The possibilities for this ministry are infinite, limited only by the failure of local youth leaders to join in such a cooperative effort.

Respectfully submitted,
Steve D. Ackerman, Chairman

REPORT OF FUTURE DEVELOPMENT COMMITTEE

The organizational meeting of the committee was held on May 3. The committee was comprised of Bob Bailey, Chairman, Charles Midkiff, Steve Ackerman, Nels Falk, Gerald Goodwin, Fred King, Ned Mathews, ex-officio members Moderator John Clayton and Superintendent of Missions Hubert Mumford. Following the organizational meeting five meetings were held in the next five months. The work of the committee breaks down into these main areas.

It was apparent that some awareness of the area of the Association and the surrounding areas was necessary in order to make plans for future development. Therefore, the Missions Committee was requested to do a study of the current makeup and the proposed trends of the area with regard to churches, housing, recreation, finances, community services, education, and the like. This committee is currently working on this assignment and will be submitting a preliminary report before the year is over.

A second phase of the early work of the committee was to study the structure of the Association. A sub-committee comprised of Charles Midkiff, Chairman, Steve Ackerman, Nels Falk, Gerald Goodwin, and Fred King was given the task of surveying the associational structures of representative metropolitan associations across the Convention. After a great deal of study and several meetings of the sub-committee, this group recommended to the total committees a chart drawn up by Mr. Mumford. Initial discussion of the chart has revealed several proposed changes. Further study will be given before the chart and proposed descriptions of committee work will be finalized.

Another phase of the committee's exploration was to determine some of the special projects our Association might engage in. Although anticipating the benefit of the Missions Committee's report before going into this area at great length, there was preliminary discussion of some more intensive mission work, both in the special sites as well as in existing churches. There was also interest in trying to provide housing and encouragement for special persons in need such as retarded adults, drug users, alcoholics, and the aged. The committee will continue to explore ways of involving the resources of our churches in the areas of greatest needs of mankind in our area.

The committee has also studied the make-up of the associational office staff. One meeting was spent in interviews of the staff, requesting their evaluation of staff procedure and recommendation for the organizational structure of the staff. The committee is still studying this phase of the work and will anticipate bringing some recommendation in the near future.

At the outset of its work, this committee did not feel that its job would be a short-lived one. We do anticipate continuing to meet in the months ahead and hope to bring to a point of focus for recommendation and discussion the various insights gained from the study. The committee is optimistic that the future of our Association offers potential for a great deal of development in terms of our ability and strength to proclaim Christ's name in this area.

Ernest Ferrell was named by Moderator John Clayton to replace Nels Falk, who moved from the Association.

Respectfully submitted,
Bob Bailey, Chairman

REPORT OF DEACONS' COMMITTEE

On January 25 an Associational "Share In" was held at Calvary Church as sponsored by the Deacons Committee. Opportunities were given to members of the churches to share successful activities and/or progressive steps during the past year. The agenda for the meeting was divided into seven categories: music and youth, new personnel, new facilities, finances, outreach, ministry, and deacon projects. A male quartet sang two numbers during the program.

Respectfully submitted,
Ed Bishop, Chairman

SUPPLEMENTAL REPORT OF PROGRAM COMMITTEE

We recommend:

1. that the 1973 annual meeting be held on Monday night, October 29, Tuesday morning through lunch and Tuesday night, October 30;
2. that our churches be formed into groups with one group furnishing the food for lunch each year on a rotating basis;
3. that our Associational Woman's Missionary Union be asked to group the churches and set up a convenient procedure for serving the lunches in cooperation with the host churches.

Respectfully submitted,
Crate Jones, Chairman

REPORT OF AUDITOR

I have examined the statement of cash receipts and expenditures of the Yates Baptist Association for the calendar year ended December 31, 1971. My examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances, except that it was not practical to extend my examination of income beyond the recorded receipts.

In my opinion, the accompanying statement of cash receipts and expenditures presents fairly the recorded cash transactions of the Yates Baptist Association for the calendar year ended December 31, 1971 on a basis consistent with that of the preceding year.

STATEMENT OF CASH RECEIPTS AND EXPENDITURES FOR THE YEAR ENDED DECEMBER 31, 1971

REPORT OF FINANCE COMMITTEE

The Finance Committee met several times during the year to formulate realistic financial goals for 1973. The committee presents goals actually lower than the present budget, not to cut back the program, but to allow money for new anticipated projects. It is hoped that "pledges" for 1973 from our churches will show an increase over 1972 and allow for these projects.

The committee recommends 1) that we purchase a strip of land (150′ x 500′) on Garrett Road adjoining our present property, for $6,000.00, 2) that we apply to our state convention for $2,000 toward an initial payment in January, and 3) that the association make no immediate plans for erecting facilities on the property in order to accelerate the development of our Yates Camp on Wake Forest Highway.

The finance committee also forwards with its approval a recommendation from the Missions Committee that we employ one (or two) college students for the summer of 1973 if income permits (Mission Bible Schools, Weekday Ministries, and other projects).

Respectfully submitted,
Stewart Pickett, Chairman

CONSTITUTION
Revised 1973

Article I. NAME

This body shall be known as the Yates Baptist Association of North Carolina.

Article II. PURPOSE

The purpose of this Association shall be to provide a convenient and orderly means for the extension of the ministry of the cooperating Baptist churches in Durham County and adjacent territories which support the programs of the Baptist State Convention of North Carolina and the Southern Baptist Convention.

Article III. ARTICLES OF FAITH

The confession of faith of this Association shall be the "Baptist Faith and Message" with its five-point statement of the historic Baptist conception of the nature and function of confessions of faith in our religious and denominational life as adopted by the Southern Baptist Convention in 1963 at Kansas City.

(Five-Point Statement From "The Baptist Faith and Message")

(1) That they constitute a concensus of opinion of some Baptist body, large or small, for the general instruction and guidance of our own people and others concerning those articles of the Christian faith which are most surely held among us. They are not intended to add anything to the simple conditions of the salvation revealed in the New Testament, viz., repentance towards God and faith in Jesus Christ as Savior and Lord.

(2) That we do not regard them as complete statements of our faith, having any quality of finality or infalibility. As in the past so in the future Baptists should hold themselves free to revise their statements of faith as may seem to them wise and expedient at any time.

(3) That any group of Baptists, large or small, have the inherrent right to draw up for themselves and publish to the world a confession of their faith whenever they may think it advisable to do so.

(4) That the sole authority for faith and practice among Baptists is the Scriptures of the Old and New Testaments. Confessions are only guides in interpretation, having no authority over the conscience.

(5) That they are statements of religious convictions, drawn from the Scriptures, and are not to be used to hamper freedom of thought or investigation in other realms of life.

Article IV. MEMBERSHIP

"I move that the Yates Baptist Association, meeting in its 25th Annual Session on October 30, at Rose of Sharon Baptist Church, go on record as expressing our opposition to Liquor-by-the-Drink, and that we pledge to do all we can so that this proposal will be defeated on November 6, 1973.

"This motion is made with the firm conviction that it is our Christian responsibility to exert every possible effort to decrease the flow of alcohol in our great state."

Dr. White moved the adoption of the program with this addition. Seconded and approved.

4. The Rev. Jerreal B. Buchanan, host pastor, was recognized to bring words of welcome. The welcome was so unique that the messengers voted to include it in the printed minutes. It is as follows:

> *"We welcome you to Parkwood and to this particular church, which was organized October 1969 and which, at the present time, is the last church to be organized and join the Yates Baptist Association. We hope we do not remain the last and, therefore, encourage you to organize new churches in the future. To welcome you we wish to use the following words:*
>
> *"To messengers of all the churches*
> *From Bells to Berea*
> *The Red Mountain*
> *To the Valley of Hope.*
>
> *"Messengers from all the churches*
> *Named after Streets, Groves, Avenues . . Heights and Branches*
>
> *"Welcome to those in view of parks*
> *And to those by the lakes . .*

From Parkwood, the established last
To all of those established first.

"Welcome to Yates Association on number twenty-five
Being a bridge over troubled water you survived.
May you as a servant many more years endure
Until His coming and call makes our election sure.

"These two hours in comfort we hope you'll be
In addition to our facilities we offer additional three
Rest rooms, we have; two on each floor
A nursery for the tots to the last, next door.

"Moderators we welcome, both present and past,
From Edwards to Clayton, the first and the last.
For you – a receiving line – greetings we think
Along with cookies, peanuts, 'and punch by the drink.'

"To each messenger and officer, welcome and a loving handclasp
From the church you engendered, and organized last.
A good example we expect, and harmony we crave
So smile, be patient, believe and behave."

5. Dr. White introduced the Rev. H. B. Anderson who reminisced about the early days of the Association, "Remembering Our Beginning."

6. "To God Be The Glory" was sung by the messengers with the Rev. John T. Laverty leading and Miss Mary Ruty Laverty at the organ.

7. Mr. W. J. Broadwell, chairman of the Nominations Committee, briught the nominations for officers, committees and organizations. Motion made by Robert D. Holleman, seconded and approved.

8. Mr. John Clayton, Moderator, brought the report of the Association Board. It included one recommendation, which referred to board meetings on May 8, and October 9, 1973:

In the Board meeting on May 8, 1973, it was agreed to accept as compliance with the Constitution, an additional figure on the Annual Letter form showing "total immersed members":

On October 9, 1973, the Board voted:

(1) that we return Annual Letters to the churches when they do not comply with the prescribed procedures; and

(2) that the Association in its first session at Parkwood on Monday night, October 29, officially vote on withdrawing fellowship and excusing voting messengers from churches not complying.

The Rev. Andrew King moved that it be adopted; it was seconded.

Mr. Harrell Perry, the Association Clerk, reported that all annual association letters had been received, but the letter from Watts Street Baptist Church had been returned to the church because it did not give its "total immersed members" in accordance with the Board's recommendation.

Mr. Floyd Fletcher of Watts Street Church asked for clarification of the conditions under which the letter was declared unacceptable and was returned. The Moderator, in answer, read the account of the action taken on November 21, 1972, at Mt. Carmel Church as follows:

> "On November 21, 1972, at Mt. Carmel Church, the Board voted to request 'that all member churches respect the Constitution of the Association, and to refrain from any practice which denies the Association the right to abide by its own Constitution, determine the membership of the Association and who shall be reported through it, and that any church or churches imposing such practices be respectfully requested to comply with these requests by the time of the next Associational meeting,---"

The Rev. Robert McClernon, pastor of Watts Street Church, asked that their cover letter accompanying the Annual Lettef report to the Association be read to the body. The Moderator asked Mr. McClernon to read it. It follows:

Dear Mr. Perry:

In reference to the space added to our Annual Letter form asking for "total immersed members", I have been instructed by our congregation to inform you that we have as many as 800 immersed members, and are thereby qualified under the Constitution of the Yates Baptist Association to have present ten voting messengers at the 1973 Annual Meeting."

There was a call for "the previous question" by the Rev. Winburn Davis; it was seconded. Dr. Henry Turlington asked for additional information pertaining to the proposed exclusion of Watts Street Church. The Rev. Robert McClernon asked the Moderator for the place in the Constitution which gives authority for this action.

The Moderator ruled that we should proceed to a vote on the "previous question." Dr. B. E. White asked for a re-statement of the "previous question." The Clerk stated "that the Association Board report be adopted." A vote on the "previous question" (to close debate) was passed.

Dr. Henry Turlington asked "If the Association should vote for this report, would this exclude the messengers from a given church?" The Mr. Davis stated that in his opinion the report should be adopted and then any recommendations in it would be acted upon separately. After some discussion, the Parliamentarian agreed with the interpretation of Mr. Davis.

Dr. Robert Bailey then asked when the time would be allowed to vote on the recommendations saying that only the report was listed in the printed program. He also stated that in his opinion the Board had exceeded its authority, that churches not contributing to the Association should also be subject to exclusion, and that Watts Street had actually complied with the Association Board's request.

The Moderator reminded the body that the "question" had been called for on the Board report and approved. The Board report was adopted overwhelmingly.

9. The Rev. Howard Corley was recognized, who asked for the record, if there was a church in the Association that did not give its "total immersed members" on the Annual Letter to the Association. Mr. Harrell Perry, Clerk, stated that the first page of the Watts Street letter for "total immersed members" was blank, and according to the instructions given him by the Association Board in the October 5 meeting, and by the Executive Committee, he returned the letter to the church. Mr. Perry also said that an accompanying note from the church stated that they had "as many as 800 immersed members, and are thereby quailfied . . . to have present ten voting messengers at the 1973 Annual Meeting but, the Clerk continued, "no specific number was given."

Mr. Corley then moved that the Association "withdraw . . fellowship from this church (Watts Street) that has deliberately refused to adhere to its (Association's) requirements." A second was made. The Moderator stated it required a two-thirds vote.

The Rev. J. A. Fogleman asked that the motion passed at the Lakewood Board meeting be read, stating that the wording in the Board report was not exact. The Moderator stated that he had already read from the exact report. Mr. Corley objected, stating that this was irrelevant to the motion on the floor. The Moderator agreed with Mr. Corley's interpretation but consented to read it as information. The introductory statement, as well as the recommendations, are as follows:

> The Executive Committee makes the following observations:
> (1) that during the Annual Meeting of 1971, we voted to accept only immersed persons as Association leaders, as messengers to the Association meetings, and as members reported on the annual Association Church Letter forms:
> (2) that, in a well-attended meeting on November 21, 1972, at Mt. Carmel Church, the Board voted to request "that all member churches respect the Constitution of the Association, and to refrain from any practice which denies the Association the right to abide by its own Constitution, determine the membership of the Association, and who shall be reported through it, and that any church or churches imposing such practices be respectfully requested to comply with these requests by the time of the next Associational Meeting, or to consider themselves to have withdrawn, using Section 6 of Article IV of the Constitution, or face possible action by the Association, using Section 5 of Article IV of the Constitution."
> (3) that, in the Board Meeting on May 8, 1973, it was agreed to accept as compliance with the Constitution, an additional figure on the Annual Letter form showing "total immersed members";
> The Executive Committee therefore recommends:
> (1) that we return Annual Letters to the churches when they do not comply with the prescribed procedures; and
> (2) that the Association in its first seesion at Parkwood on Monday night, October 29, officially vote on withdrawing fellowship and excusing voting messengers from churches not complying.

Mr. McClernon asked "that the Moderator declare this motion out of order on the grounds that it is in violation with Section 5 of Article 4 of the Constitution covering the areas under which a church may be excluded from the fellowship of the Yates Baptist Association."

Mr. Holleman, Parliamentarian, advised the Moderator that no motion had been made. The Moderator asked for a motion; it was made and seconded. The Rev. Everette Smith was recognized, and called attention to the time schedule for the program. Dr. B. E. White, Chairman of the Annual Meeting Committee, moved that the discussion be extended five more minutes, and if we were not finished, that the matter be set for a specific time "tomorrow".

Before a vote was taken, Mr. Roy Watson called for the "question" on the main motion. Mr. McClernon then reminded the Parliamentarian that the Moderator had to make a ruling as to whether or not the original motion was in order (rather than have a vote on the matter). Before the Moderator made a ruling, the Parliamentarian suggested that the time be extended another five minutes by common consent. The Moderator then ruled that the original motion was in order. Mr. Roy Watson called for the question again.

The Moderator then asked the Clerk to read the motion as originally given by the Rev. Howard Corley. It was stated: "that we withdraw fellowship from the Watts Street Baptist Church."

Dr. Henry Turlington reminded the Moderator that the call for the question (to close debate) had not been voted on, and then added that he thought we ought to discuss whether or not Watts Street Church had attempted to comply with the request of the Association. Dr. B. E. White suggested that we vote on the "call for the previous question." This was passed overwhelmingly.

The Moderator then asked for a voice vote on withdrawing fellowship from Watts Street Church; it was inconclusive. The Moderator said he would entertain a motion for a "division of the house" by standing vote. Dr. B. E. White so moved, seconded. At this moment the Rev. Crate Jones asked, "May I rise at the point of personal privilege?" He emphasized the confusion of the occasion, our common desire to do the right thing, our contrary spirits in trying to take such right action, and then asked for someone to offer prayer. The Parliamentarian called on the Rev. Henry B. Anderson, one of our senior ministers, to pray. Mr. Anderson prayed for God's help for those about to vote. A standing vote was taken:

132 for and 126 against. Two-thirds vote was lost.

10. The hymn, "O Thou Whose Hand" was sung, led by the Rev. John Laverty with Miss Laverty at the organ.

11. Dr. R. M. Winecoff, Vice-Moderator, recognized the former Moderators who were in attendance on this 25 Anniversary. They were: Mr. W. J. Broadwell, Rev. W. B. Carr, Rev. Victor S. Dowd, Rev. John Edwards, Mr. R. D. Holleman, Rev. Ray K. Hodge. The Rev. H. S. Mumford, Superintendent of Missions, presented each of them "Certificates of Recognition".

Other former Moderators not present: Rev. J. Russell Barbee, Mr. H. C. Bradshaw, Rev. John Knight, Mr. Bruce C. Little, Rev. Charles Maddry (deceased), Rev. Ned Matthews, and Rev. C. N. Royal (deceased).

12. "God Make Me an Instrument" was sung by blind soloist, Mrs. Betty Eagle, of Holloway Street Church. The Rev. W. Gattis Perry read a scripture passage from Hebrews II, and Dr. Henry Turlington preached the Annual Sermon on the subject, "Faith, Love, and Freedom."

13. After the message the Rev. W. Gattis Perry was recognized to present a new 1974 Mercury Montego and over $100 "for gas" to the Superintendent of Missions for nearly 20 years of service to the Association. Mr. Mumford responded with words of profound thanks, and admitted, "it was a complete surprise."

REPORT SECTION

HISTORY OF FIRST BAPTIST CHURCH

On Sunday, August 12, 1845, what is now the First Baptist Church of Durham, was organized. Three months after the Southern Baptist Convention was begun, a small group of Baptists met in Piney Grove School House, one mile south of what is now West Durham, and the Reverend Jesse Howell led in constituting the Rose of Sharon Baptist Church.

In 1850 the congregation decided to move to Prattsburg, a section of what is now the city of Durham, because the young congregation began to demand a central location. However, the close proximity of the railroad station to their position at 112 Pettigrew Street was detrimental to the orderly conduct of religious services, as well as frightening to the horses, and a new location was necessary.

In 1854 the church was given four acres of land at what is now 506 Cleveland Street in exchange for its property near the railroad, and a second house of worship was built. In succession two houses of worship were erected on Mangum Street before the congregation settled in their present position on the unsold portion of the Cleveland Street property when the building was completed in September, 1927.

The church in its early life was a typical country church of its time. There was preaching once a month and communion every quarter. In 1873, preaching was begun twice a month, and three years later they began two services each Sunday with communion every month. Pastors of these days were required to submit their resignation each year.

During those early years the congregation had certain notable traits. One was strict discipline. Dancing, card playing, and alcoholic beverages were prohibited. All male members were required to attend church meetings or give satisfactory excuse. Men and women sat on different sides of the church with the men on the "Amen" or right side of the pulpit. When, on a Sunday in 1876, the custom was was finally abandoned, the minister spoke on, "We have seen great things today."

A portion of the church was set apart for the Negroes who were allowed to be members of the church both before and after the war. There is no record of any Negroes taking letters of dismission after the war, but the revised roll of 1880 appeared without any colored names. It is uncertain whether they were all dismissed or whether they joined separate churches for Negroes.

After 32 years as "Rose of Sharon" the church became "Durham Baptist" in 1877. In 1888 the name was again changed, this time to "First Baptist". The church was a member of the Mt. Zion Baptist Association from 1870 until 1948 when First Church, along with 33 other churches, left that Association to form the Yates Baptist Association.

The Durham First Church has long been known as "the Mother of Churches" and properly so, for the spirit of "spreading out" has characterized its membership from its earliest years. The list of churches in Durham and vicinity which it organized alone or in cooperation with other Baptist churches is an impressive one.

Rev. Jesse Howell, the first pastor, resigned in 1859, and was succeeded by Rev. J. C. Marcom, who served until 1861, when Mr. Howell was recalled for two years. Again, he was recalled in 1867, following the resignation of Rev. A. D. Blackwell, and served four more years. Under his leadership the congregation organized Mt. Hermon and Berea churches and Sunday School work was begun at First Baptist.

Politics sometimes entered into church affairs, and a new pastor, O. Churchill, elected in 1864, was dismissed because he was a member of the Red Strings, a notorious peace society, during the War Between the States.

Rev. F. M. Jordan, who followed Mr. Howell, initiated the plan of extending help to ministerial students at Wake Forest. Succeeding Mr. Jordan was Rev. A. F. Redd, who served only one year, and with the coming of Rev. Columbus Durham a new era began for this church. For the first time the pastorate became a fulltime one and the congregation provided the first parsonage in 1879.

Dr. Durham instituted a systematic plan for givingto state and foreign missions, education, the poor, and the Oxford Orphanage. He had a firm belief in organization; however, he seemed to have had some doubt about women's ability to function in an organized capacity. But in March, 1887, during his pastorate, the women of the church were organized into two societies, the Ladies' Missionary Society and the Ladies' Aid Society. These later merged into the Woman's Missionary Society (Union). After 12 years he resigned to become the first State Secretary of Missions.

The next pastor, Rev. G. P. Bostic, gave up his charge after only one year to become a missionary to China in 1889. One of the South's strong men in preaching power and evangelistic fervor, Dr. J. L. White, was the next pastor and following him in 1893 was the beloved Dr. W. C. Tyree, who served the second longest pastorate in the history of the church.

Briefly recalling events of the ensuing years we find that during the pastorate of Dr. White the city of Durham made a strong effort to secure the proposed Baptist university for women, but failed and Meredith College was established in Raleigh. The first church missionary was employed during the pastorate of Rev. C. J. Thompson and BYPU (Baptist Young People's Union, now Church Training), was organized in 1906. The first pipe organ was installed while Dr. J. W. Lynch was pastor, and Dr. J. J. Hurt's term of service was notable for a marked increase in church membership. Following him, Rev. B. D. Gaw served only one year before his death in 1918.

Under the leadership of Rev. J. E. Welch plans were begun for a new church building, and a fulltime financial secretary was employed. During the one year that Rev. S. J. Porter served the prayer meeting, attendance reached 350 and 1,000 were attending Sunday School. The budget was increased to include amounts for an educational worker and a church secretary.

Dr. C. C. Coleman came after the church had voted to move and his ministry is noted for the building of the handsome new house of worship on Cleveland Street. Also, the records show 246 additions by four revivals and a net gain in membership of 271. Dr. Ira D. S. Knight became minister of the congregation in 1929 and for 10 years led the church through the crisis of the national depression. Despite the crisis the church gained 25% in membership, and during the depression decade the congregation contributed more than $525,000 through its various treasuries.

Rev. J. Winston Pearce's pastorate from 1940–54 saw the church pay off completely all outstanding indebtedness in a drive headed by Mr. John Buchanan and the building and endowment of the Betsy Cheek Memorial Chapel. Rev. Dennis Hockaday, who had served as associate pastor with Pearce, was called as pastor in September, 1954. Some of the major achievements during his pastorate include the purchase of property adjoining the church upon which the new education building now stands, air conditioning the sanctuary and lower auditorium, assisting in the building of a Baptist church in Jamaica, establishment of two mission chapels in Durham, organization of a Boy Scout troup, beginning of the church kindergarten, and dedication of the new educational building and the Norton Memorial rose garden.

During the pastorate of Rev. R. F. Smith special attention was focused on the youth of the church and in late summer, 1969, a coffee house was opened for them at the church. During this time the senior citizens of the church were organized as the "Dynamic Adults".

In November, 1967, the fellowship hall, to be known as "Morgan Hall", was dedicated to the memory of the beloved James P. Morgan who had served the church as educational director for 18 years during the pastorate of Dr. Pearce.

The present pastor, Dr. R. C. Henderson, started his work in June of 1973, coming at a time when the sanctuary is undergoing extensive remodeling.

Ministers and their terms of service have been: 1845–1859, Rev. Jesse Howell; 1859–1861, Rev. J. C. Marcom; 1861–1863, Rev. Jesse Howell; 1864, Rev. O. Churchill; 1864–1867, Rev. A. D. Blackwood; 1867–1871, Rev. Jesse Howell; 1871–1875, Rev. F. M. Jordan; 1875, Rev. A. F. Redd; 1876–1888, Rev. Columbus Durham, 1888–1889, Rev. G. P. Bostic; 1889–1892, Rev. J. L. White; 1893–1902, Rev. W. C. Tyree; 1902–1907, Rev. C. J. Thompson; 1909–1911, Rev. J. W. Lynch; 1912–1916, Dr. John Jeter Hurt; 1917–1918, Dr. B. D. Gaw; 1919–1923, Dr. J. F. Smith, Jr.; 1973– Dr. Richard C. Henderson.

HISTORY OF MOUNT HERMON BAPTIST CHURCH

The recorded history of Mount Hermon began one hundred and twenty-five years ago -- April 1, 1848. On that date three trustees "for the Society of Missionary Baptist of Mount Hermon Meeting House" paid the sum of five dollars for a tract of 3.9 acres of land located approximately 8 miles west of Durham and 1 mile east of Highway 70.

On June 24, 1848, Mount Hermon was organized as a church, the first of several sponsored by the Rose of Sharon Church of Wake County -- now the First Baptist Church of Durham. The organization of the church was affected by the Rev. Jesse Howell, assisted by Elder George W. Purefoy. At the first business conference 19 members were received by letter and 8 by baptism. The Rev. Mr. Howell served as first minister of the church.

From the beginning, in every conference meeting, original rules of membership and decorum were read and stressed, and the peace and fellowship of the church was inquired into.

Mount Hermon has been affiliated with three different associations of churches. One year after its organization, June, 1849, the church voted to attach herself to the Beulah Association and messengers were appointed to attend the annual meeting. The relationship with the Beulah Association continued until 1870 when Mount Hermon became one of the 13 original churches to organize the Mount Zion Association. The first messengers to the association to be enrolled from the church where Mr. David Strayhorn, Mr. Iley Copley, and Mr. Henry Pickett. The relationship with the Mount Zion Association continued until 1948, when thirty-four churches organized the Yates Baptist Association. Mount Hermon becane a member of the new association. It was the same year that Mount Hermon observed its Centennial Anniversary with a Homecoming Service on June 6. It was also the same year that the church entertained the seventy-ninth annual session of the Mount Zion Association in October.

The original structure housing the Mount Hermon Baptist Church served the congregation until 1911 when a second structure was built on a new site across the road from the original one. In 1929 a third structure -- located on the original site -- was begun. The foundation and sub-floor for a brick-vaneer building was laid out, but because of the unexpected economic conditions of that era, work was discontinued. When fire destroyed the second building in the 1930's a fourth building attempt culminated in a third building of brick-vaneer construction. The third building was dedicated August 31, 1941. It stood on the original building site until it was destroyed in 1968 to make possible the relocation of a highway.

The present building is the first of a proposed five-unit plant. It is the fourth building and the third location for Mount Hermon. It stands approximately one-half mile from the site of the first church structure. Ground was broken for the present building in June, 1960, under the pastoral leadership of the Rev. Hayne Rivers. The new building was located on a five-acre plot adjacent to the pastor's home and the church fellowship building. The present building, facing the Old Hillsborough Road, and removed from the railroad that ran alongside previous buildings, was gladly occupied November 26, 1961. The mortgage for the new building was paid off in 1967. Immediately another building fund was begun in preparation for the erection of a second unit of the long-range building plan.

Several events important to the church have marked her move into the twentieth century.

In 1931 the first B. Y. P. U. was organized, the first Vacation Bible School was held, and the first Woman's Missionary Society was organized. Brotherhood and R. A. work did not begin until 1958.

In 1934 her first and only member to be ordained into the gospel ministry, Paul G. Hester, was ordained at the request of a neighbor church.

The benefits of electric lights and a central heating plant were first experienced by the congregation in 1950.

The Sunday School was departmentalized in 1955 -- the result of the influence of a week spent at Ridgecrest by some of the church leadership.

In March of 1956 the entire group of deacons resigned in order to begin a system of rotation which has continued until the present.

A new Wurlitzer Organ was presented to the church on Mother's Day, 1957, by the Young Adult Sunday School Class taught at the time by Mrs. Clyde Webb. This organ served the congregation until September of 1972, when a new Rodgers organ was purchased and installed.

Senior adult involvement has been very evident in the life and ministry of Mount Hermon. In 1963, the Woman's Missionary Union sponsored a Senior Citizens' Christmas Party. It has become an annual affair of beauty and joy to which are invited all retired and confined members of the church and community, and all former church and community members who now live elsewhere.

Youth, too, have been important in the life of the church. In 1969, the first summer Youth Director was employed. He was Bill Harrill, a student from Durham at Gardner-Webb College. Since that time a Youth Council has been formed. The Chairman of the Youth Council represents youth of the church on the Church Council. One direct and continuing influence of youth emphasis has been the enrichment of the Christmas season by the observance of Advent.

Music, too, has always been important at Mount Hermon. In 1971, Mr. Oscar Couch was honored for three decades of service in music by being presented a plaque and being named Music Director Emeritus. Two choirs for children and one for youth have been organized and functioning since 1970. The Children's Choirs and the Youth Choir regularly participate in worship services.

Mount Hermon, from its beginning, has maintained its own cemetery. In the late 1960's the church landscaped its cemetery to make it a beautiful, serene, and restful ground.

Missions interest and missions giving have characterized Mount Hermon. Approximately one-third of total gifts goes to associational, state, and world-wide causes.

The present staff paid by the church includes the pastor, a part-time secretary, and janitor.

During the one hundred and twenty-five year history of the church, Mount Hermon has had 35 pastors and interim pastors. Three men have served the church as pastor two or more times. The average length of pastorates has been 5 years. The longest ministry was that of the first pastor, the Rev. Jesse Howell, who served a total of 30 years.

Pastors and interim pastors have been as follows:

Rev. Jesse Howell	1848–1874	Rev. Charles Norville	1923–1928

Rev. C. T. Plybon	1923	Rev. H. B. Anderson	1966

The Mount Hermon church building stands on the crest of a hill. Hopefully, its location symbolizes its desire to be a beacon to all who are lost, a reminder to all who are indifferent, and an encouargement to all the faithful who believe in God's saving grace through Jesus Christ.

HISTORY OF THE YATES BAPTIST ASSOCIATION

The Mt. Zion Association, out of which the Yates Association was formed, was organized in 1769. Seventy-nine years later, on October 12, 1948, 34 churches applied for and were granted letters of dismission to form a new association. This official action was signed by the Rev. C. N. Royal, Moderator, and the Rev. Charles C. Smith, Clerk.

Three weeks later, on Sunday afternoon, November 7, a Called Meeting was held at First Church, Durham.

In deciding upon a name for the new association, the "Rev. C. E. Byrd, pastor of the Mt. Pisgah Church, moved that the name be, 'The Yates Baptist Association'. Inasmuch as the great missionary Matthews T. Yates, was born and reared within the bounds of this Association, and his membership was with Mt. Pisgah Church. On being seconded the motion was enthusiastically carried by a rising vote." (1949 Minutes, p. 16).

The following officers were elected: Moderator, Rev. John T. Edwards; Vice-

Moderator, D. J. Booth; Clerk, Rev. Charles C. Smith; Treasurer, O. A. Johnson; Historian, Rev. Charles C. Smith; S. S. Superintendent, Claude W. White; T. U. Director, Floyd Rhodes; Evangelism Committee Chairman, H. B. Anderson; Executive Committee: M. G. Hall, J. H. Anderson, J. J. Thornton, G. F. Lipe, W. W. Scott, Stewart Green, T. O. Sorrell, Cary Cole, W. E. Stanley, W. B. Carr, C. H. Shelton, and O. H. Burnett.

The Rev. Oren Bradley was the first missionary of the association.

The first sessions of the Yates Association were held on October 25, 26, 1949, at the Ephesus and Grey Stone (then West Durham) Churches. At that annual meeting the Rev. Horace G. Hammett was elected Moderator, and Rev. John H. Knight, Vice-Moderator, with the Clerk, Treasurer, and Historian being re-elected.

It was learned that, during that first year, the churches had contributed $1,044.77 toward the support of the associational program. Total gifts from the churches amounted to $784,226.62, including $66,098.35 through the Cooperative Program. There were 17,697 church members.

The budget for the 1949–50 year was $8,519.00, including $400.00 for "Negro work". This was "a Cooperative Program with the Home Mission Board and the Negro Baptist of our associational area which will provide a Superintendent of Missions for the Negro churches." (1949 Minutes, p. 29).

It was in the 1950 annual meeting that the Baptist Council was officially requested "to turn over its work to the association with all of its privileges, responsibilities and obligations". (1950 Minutes, pp. 20, 21, 26).

1950–1952

At the annual meeting in October of 1950, John H. Knight, Moderator, presented a paper on "Why the Baptist Council Should be Disbanded, with the Newly Organized Yates Association Assuming Its Responsibilities and Obligations." Originally, the Council had been organized, "because the Mt. Zion Association was too scattered and too loosely knit to do effective work, and because of the crying need in and around Durham for the expansion of Baptist work . . . It is safe to conclude that, with the compact geographical area of the Yates Association, and with the majority of her member churches comprising the Baptist Council, the Council has finished her work and that the Association can best carry on from here . . . It is possible that the Baptist Council in continuing its own program of operation would ultimately render more harm to the Kingdom cause by weakening and dividing Yates Association. . .

"Therefore, Mr. Chairman, I make the motion that the Associational Board recommend to the Yates Association that the Association request the Baptist Council of Durham and Vicinity, Inc., to turn over its work to the Association with all of its privileges, responsibilities and obligations.

After considerable discussion, the whole matter was tabled, but the merger was finalized at Braggtown Church on Wednesday, October 29, 1952.

Reverend Oren Bradley, Superintendent of Missions, when the Association was organized, continued until February 1, 1951. Reverend J. Walter Moose was "Acting Superintendent of Missions on a week-to-week basis" in 1952.

3) An increase in line with Federal recommendations.
4) We cut this amount this year hoping to "get by", but we have had unexpected expense, plus an old $300 bill from last year making us over-spend. We **must** have more for this item in 1974.
5) This is a new but necessary item because we have fallen behind in some basic capital needs.
6–17) No changes.
18) We anticipate several activities necessitating some expense.
19) A new item to underwrite the printing of tracts.
20) A new item to underwrite the enlarging of this ministry.
21) A new item to underwrite the reactivating of this committee.
22) Following the example of the Home Mission Board in giving for this interdenominational Christian Teleministry, we are offering our encouragement on a local level. Only professed Christians are allowed on the telephone.
23–27) Routine increases.
28) Our first summer program with Miss Gloria Kimball was highly successful. We would like to enlarge the program next summer through the help of the State Convention.

REPORT OF ASSOCIATIONAL BOARD

At Mount Carmel Baptist Church, November 21, 1972, the Board reaffirmed "its belief in the Confession of Faith, adopted by the Association; particularly that which expresses the belief that baptism by immersion is the New Testament mode." By an 80 to 39 vote the Board requested "that all member churches respect the Constitution of the Association, and to refrain from any practice which denies the association the right to abide by its own Constitution, determine the membership of the association and who shall be reported through it, and that any church or churches imposing such practices be respectfully requested to comply with these requests by the time of the next associational meeting . . ."

At Edgemont Baptist Church on February 13, 1973, the budget for 1973 was presented by Billy Garrett, Finance Committee Chairman, and adopted. The Board voted to have a special meeting of the association at Carrboro Church on May 8, 1973, in lieu of the regular Board meeting. However, the Executive Committee was authorized to call it off, if after due consideration they deemed it wise. (The Executive Committee later decided to hold the Regular Board Meeting.)

At Carrboro Baptist Church, May 8, 1973, Reverend Pat Collins was elected Chairman of the Camp Committee, Reverend Crate Jones was elected as Chairman of the Constitution Committee, and Reverend Ernest Ferrell was elected as a member of the Constitution Committee. The Board adopted by common consent: "(1) that all churches record on the associational letter from each year beginning next fall, 1973, (a) the total immersed members (for information of the Yates Association on its copy of the associational letter), (b) the total of all members (for the N. C. State Convention and the Southern Baptist Convention) that are dependent upon these letters for their records, (2) that the Constitutional Committee study the constitution and present revisions as necessary at the annual meeting in October, 1973 . . ."

At Homestead Heights Baptist Church, July 19, 1973, Chairman Milton Roberson presented the proposed calendar for 1974, and Chairman Billy Garrett presented the financial goals for 1974. Miss Nannie Mae Herndon reported on activity of the Committee to Study the Church Training Program. Plans for the annual meeting were discussed by Reverend B. E. White, Chairman of the Annual Meeting Committee and Reverend Nelson Chambers, pastor of the host church for the second day, Rose of Sharon. It was announced that Dr. Perry Crouch had accepted an invitation to speak.

At Hope Valley Baptist Church on September 11, 1973, Mrs. Emily Warren was recognized for 10 years of serviceto Yates Association and was presented a lovely silver bowl as a love gift from the association. Emphasis was given the Christian Action League's stand on "Liquor-by-the-Drink and the Billy Graham Crusade of September 23–30 by Reverend Lawrence H. Knott. Miss Nannie Mae Herndon reported the completion of survey materials for the Church Training Research Committee and that five churches have consented to use them as pilot projects. Mrs. Frances Dorrity announced coming activities ofthe WMU. The possible purchase of the Garrett Road property was rpeorted referred back tothe Finance Committee. It was announced that Reverend Boyce Kimball. Director of the Youth and Family Service had resigned.

At Lakewood Baptist Church, October 9, 1973, reports were made by Reverend John Laverty, Chairman of the Music Council, Reverend Nelson Chambers, pastor of the annual associational meeting host church for the second day, Miss Nannie Mae Herndon, Chairman of the Church Research Training Committee, Reverend Pat Collins, Chairman of the Camp Committee, and Reverend Crate Jones presented proposed constitution changes to be voted on at the annual meeting. The Board adopted a recommendation from the Executive Committee that the resignation of Reverend Boyce Kimball be accepted and his financial assistance be continued in keeping with the budget item until December 31 or until he is employed some place else, whichever comes first. The Board also adopted the returning of Annual Letters to the churches when they do not comply with the prescribed procedures and that the association in its first session at Parkwood on Monday night, October 29, officially vote on withdrawing fellowship and excusing voting messengers from churches not complying.

It has been a great experience for me these four years as your Vice-Moderator and Moderator to make new friendships among the Board members, messengers and pastors as I've met with you in committees, Board meetings, and visited your churches.

Respectfully submitted,
John Clayton, Moderator

(In the next paragraph, "five organizations" will also be changed to "six organizations.")

Respectfully submitted,
Crate Jones, Chairman

REPORT OF THE SUNDAY SCHOOL

The Sunday School Committee is grateful for what Godhas accomplished during the pastyear. Two important events highlight the work of this committee for 1973. The first experience was the coming together of an estimated three hundred Sunday School members from the various churches to participate in a one-night Sunday School revival. For those who attended it was indeed an inspirational experience in undergirding our Sunday School work. The plan presented was a challenge for each officer and teacher to make a One For One Commitment to increase our enrolment in the Sunday Schools throughout our Association. Last year we were able to note an increase in Sunday School enrolment for the first time in a number of years.We trust that the One For One effort will reinforce the trend.

The second highlight was the Vacation Bible School Clinic held at Holloway Street Baptist Church to whom we are indebted for the use of their facilities. The The Association Clinic was attended by 147 VBS workers during a single night session. Only one of our Associational workers was able to attend the state clinic at Wingate. Our sincere appreciation to Miss Nancy Hildebran, Educational Director of Durham Memorial Church and Mrs. Myra Motley, of the Baptist State Convention for filling the vacancies in our Associational VBS staff.

The coming year is filled with renewed challenges for teaching and leadership training under the study course approach called Back to Bethel. Special efforts have been made to provide the Association with available qualified associational workers for the coming year. My own soul is haunted with the recurring thought that "we are but one generation away from paganism." May we come to realize our responsibility to God in this generation as we consider our total commitment to God.

Prayerfully submitted,
W. T. Brogden, Director

REPORT OF CHRISTIAN SOCIAL MINISTRIES COMMITTEE

The work of the Christian Social Ministries Committee has been interrupted several times during the year due to a turnover in committee members. The new committee chairman, Charles Midkiff, resigned from the committee after the first of the year when he left our Association to assume work in a new church. A lay woman who was the committee's secretary had moved from our Association. Certainly the committee's having two new chairmen in one year has not been an asset to the committee's work.

One of the most thorough forms of ministry supported by the committee this year has been the Literacy Program. More than thirty teachers have been trained in two training sessions, and most of them are currently teaching. Plans are being developed for another training session to make use of additional volunteers who can teach the waiting list of non-readers.

The participation of the churches in the Association in the food program has enabled our Association to show loving care to many families in crises in our metropolitan area. This form of ministry is the most tangible way our committee has been able to encourage churches to express God's love to some of the "least of these."

An increasing number of youth and adults alike are participating in a wide variety of ministry forms in Butner. Not only are the recreation programs going well, but numerous gifts have been given at Christmas, and the youth of at least one church conducted Vacation Bible School among youth there.

A number of couples have worked with the Sheriff's Department in having the ministry of presence and counseling for inmates at the jail on Friday evening. Although this program has been interrupted for several reasons, the prospects for its future development appear bright.

One of the major concerns of the committee this year, as well as in the months ahead, is to develop a survey of the forms of ministry churches are now engaging in. Parallel to this is the compilation of various forms of ministry in which individual churches in the Association collectively might participate. The goal of the Christian Social Ministries Committee is not limited to the things that can be done by our Association as a whole. Perhaps more it is to give such description and inspiration to churches that they can develop and participate in ministry projects of their own. The concept of our committee has been to obtain such information that a number of churches might be involved in the same type of project without overlapping with the same people at the same time.

The committee continues to be very indebted to the work and leadership of Boyce Kimball, Minister of Youth and Family Services for the Association. Without his knowledge of Christian ministries and his contacts with people and agencies in the city, the work of our committee would not have been as effective this year.

Respectfully submitted,
Robert W. Bailey, Chairman

REPORT OF MUSIC COUNCIL

The Music Council of the Yates Baptist Association met four times during the past season in executive meetings to plan the work of the council for the season, and make some tentative plans for the coming season.

On Sunday afternoon, October 15, 1972, the twelfth annual Yates Association Hymn Sing was held at Guess Road Baptist Church. Choirs from Trinity Baptist Church and Guess Road Baptist Church participated with some special music, and members of the Music Council gave a handbell demonstration. The selection of hymns used for the congregational singing was made by using the favorites of Yates Association, chosen in polls taken for the previous four years. By taking the first six choices of each year, ten different favorite hymns were obtained.

An associational choir was used in each session of the 1972 annual meeting on October 23 and 24. This group met for rehearsal just prior to each session and made a fine contribution to the meeting.

The annual Choral Clinic for choir members and music leaders in the churches was held at Grace Baptist Church on Monday, March 19, 1973. About 60 people attended, representing 21 churches. Dr. Paul M. Yoder, from Campbell College, was the guest leader for this clinic. He discussed some of his ideas about choral and vocal tecnhique, and led the group in reviewing a number of anthems.

As this report is being prepared, the Music Council is making final plans for the 1973 Hymn Sing and the music for the 1973 Annual Meeting. We would like to re-emphasize that we who are members of the Yates Association Music Council stand ready to give assistance to any church of our association, so far as time, opportunity, and ability permit. We want to serve in the most effective way we can. To help us do this, we are planning a very special sharing seminar on Friday evening, November 16, at Temple Baptist Church, at 7:30 P. M. for all choir directors (and we are asking the pastors to come, too). Let us know your ideas on how we can serve you better, and how we can cooperate in being more effective in the work of God's Kingdom.

Respectfully submitted,
John T. Laverty, Director

REPORT OF YOUTH ADVISORY COMMITTEE

In reviewing the past events this year, since January, 1973, we notice that there have been a variety of monthly Youth Happenings. We began to enlist churches as hosts for each month's events. They would have the monthly event in their church and provide refreshments. We have averaged 75–100 in attendance.The following churches have participated since the first of this year in these Happenings: Bethesda, Durham Memorial, Ephesus, First, Grace, Grey Stone, Guess Road, Holloway Street, Park View, Plainview, Rose of Sharon, Trinity, and Westwood.

In the months to follow, the following churches will play hosts to these events: (January – May, 1974): Cedar Fork, Grey Stone, Lakewood, Berea, and Olive Branch.

We have had some exciting events this year, such as the Easter drama in April led by youth from various churches called "The Eucharist". Another interesting program was the one in February where a youth pastor, Lester Cooper, from Enfield came and spoke on "Coca Cola Religion -- It's the Real Thing!" Musical youth groups such as Holloway Street, Rose of Sharon, and Faith have also led a Youth Happening experience.

In the last two months of this year, we are planning two unique Happenings. On November 17, Davis Bowen, state youth coordinator, will lead a panel discussion on "The Role of the Youth in the Church Today". We will also have on that night a musical to be performed by youth from Enfield Baptist Church, Enfield, North Carolina. This event will take place in the social hall of Ebenezer Baptist Church. In December, we will have an associational youth caroling downtown and then go to a nearby church for fellowship.

In conclusion, it has been a highly successful year. We have come a long way, but this would not have been possible without each individual church's support. Most of all, "thank you" to a great Youth Advisory Committee who care enough about our youth to work with them throughout all these Youth Happenings. Praise God . . . our youth are on the road to where it's happening, and our committee is seeking to work with them.

REPORT OF CHURCH TRAINING COMMITTEE

The Associational Research Committee has been given the assignment to investigate 1) the personal development needs of the members of our churches, 2) what our association can and should do to assist the churches in meeting these needs, and 3) how to set up and carry out such a program. We have compiled a series of questions pertaining to Organization, Literature, Member Training, Continuing Education, the Tournaments, and the Festival of the Arts. We are attempting, through these questions, to find the answer to our first assignment.

Six pilot churches have already given these questions to their members (youth and adult) for evaluation. The tabulated results are quite interesting and helpful to the local church and to the Research Committee.

In November we expect to ask for representatives from the other churches in Yates Association to attend a briefing session and then conduct the research questions in their churches.

Respectfully submitted,
Nannie Mae Herndon, Chairman

REPORT OF DEACONS' COMMITTEE

The Deacons' Committee held its first meeting during October, 1972. The meeting was to make preliminary plans for the Deacons' Night in January, 1973, at Durham Memorial Church. The people present for this meeting were Roy Watson, Preston Hall, Norman Seagroves, Roy W. Lowder, and Rev. Hubert Mumford, Superintendent.

The Committee held a second meeting in November at Immanuel Church, inviting the Chairmen of the Boards of Deacons from other churches in the Association. There was discussion as to how deacons might do a better job for Christ in their respective churches.

In January of 1973, the Durham Memorial Church was host forthe Deacons' Night for all Deacons and Deaconesses. There was a male quarter which provided beautiful music. Mr. E. C. Cannon gave a personal testimony on how he had experienced God's love in recent months after undergoing brain surgery. Roy W. Lowder, Chairmen of the Deacons' Committee, was the speaker. The meeting adjourned to the Fellowship Hall where everyone enjoyed refreshments.

Plans are already being made for Deacons' Night on January 29, 1974, at Immanuel Church. Please begin making arrangements to be present at this very inspiring meeting.

Respectfully submitted,
Roy W. Lowder, Chairman

REPORT OF FUTURE DEVELOPMENT

The Future Development Committee, which began its work in May, 1972, has had its number tremendously depleted, leaving only three members. However, the Executive Committee made a decision to leave the number as it was until the end of the year.

In recent weeks wehave begun meeting again and have had two meetings. We interpreted a part of our task as being a study of the structure of the Association and the make-up of the office staff.

With the loss of Boyce Kimball from our staff, it was felt that top priority should be given to a study of what staff members we needed and job descriptions for each.

To properly do this, we asked the present Associational staff to complete a list of things that is being done at this time.

Although this is not complete we now have a list of seventy-five things that are being done and the number is growing.

The members of this Committee feel that our work is urgent because our working relationship with the N. C. Baptist Convention and the Home Mission Board of the S. B. C. is implicated financially.

We will be bringing our recommendations to the Associational Board as quickly as possible.

Respectfully submitted,
Gerald Goodwin, Chairman

REPORT OF WOMAN'S MISSIONARY UNION

October 1, 1972, marked the beginning of a new denominational emphasis in the Yates Association WMU, "Living the Spirit of Christ in Faith", with the challenge of the Watchword, "Ask of me (faith) and I will make the nations your heritage, and the ends of the earth your possession." (Psalm 2:8 RSV). Missions and Evangelism are central in the watchword and we have had many opportunities this year through WMU to witness through Mission Action and Evangelism.

The Baptist Women's Day of Prayer was observed in cooperation with the women of the National Baptist Association in Durham on November 6, 1972. The day meeting was held at Temple Church with approximately 25 in attendance. The night meeting was at Union Baptist Church with approximately 40 present. Women from both Associations participated on the programs.

During the Week of Prayer for Home Missions, Dr. Glenn Igleheart, Home Mission Board representative, conducted atwo-night study session of the Home Mission Graded Series Book, **No Man Goes Alone**. The Mt. Zion and Raleigh Associations were invited to the meetings at Calvary and Guess Road Churches. Approximately 505 were present. This was a first for our Association and we feel it was very successful.

The 25th session of the Yates WMU was held at Park View Church on April 17, with the theme, "Sharing My Faith Through Missions". Miss Bertha Smith, retired missionary to China, was the speaker for the evening session. Miss Nancy Curtis, State Baptist Young Women's Director, was guest speaker for the afternoon session. Mrs. Rachel James, missionary to Viet Nam, installed the officers for the new year. Mrs. C. B. Williamson, Jr., from First Baptist, brought an inspirational message through song, "He Touched Me". There were 450 in attendance with 42 churches represented. The meal was provided by Group IV (Mrs. J. A. Deal, group leader), consisting of the following churches: Angier Avenue, Berea, Bethesda, Cedar Fork, Edgemont, Homestead Heights, Hope Valley, Lowe's Grove, Olive Branch, Park View, Trinity, and Page Road.

On May 5, the Baptist Women sponsored an Associational Prayer Retreat at Yates Camp. A very inspirational Bible study was presented by Rev. Clell Gibson, pastor of Braggtown Church. Rev. J. G. Goodwin, missionary to Korea, brought a challenging and self-searching message to the 25 ladies present.

The WMU participated in the Yates Missions Fair on July 21 at Durham Memorial. Each age-level organization had a display representing its activities in the theme of, "Sharing Christ Through . . . . ."

Incoming associational officers attended an overnight workshop at Mundo Vista on September 7–8 in preparation for the new year. Their first task was to teach a one-night workshop at Grey Stone Church, September 18. This corresponded with the State oriented regional workshop which was taught by State workers earlier in the day.

Murdoch Center ministry is continuing with fifth-Sunday visitation by WMU and church members. Churches respond well to the mission action project by regular donations of food to the associational food pantry.

A Mission Action Committee of three, Mrs. Frank Nelson, Mrs. W. B. Harrill, Mrs. W. A. Godwin, has been appointed to serve with the Association Christian Social Ministries Committee to make a study of these needs in our association.

God has blessed us this year in many ways. We have had new organizations, an increase in membership, and an increase in subscriptions to WMU magazines as a result of the emphasis on "Giant Steps". We pray that the new year, with the emphasis on "Mission Support" will bring more women into our organization and more souls into the Kingdom who can participate meaningfully in intercessory prayer and giving for missions.

The Associational Acteens had quarterly meetings with very good attendance. The Council members and association leaders attended an overnight workshop. Twelve Baptist Young Women's groups were organized during the year.

We are grateful to the churches who so graciously provided for our needs at our various meetings during the year. We have truly felt in this past year the fulness of the Spirit and anticipate an even greater year for 1973–74.

Respectfully submitted,
Mrs. W. T. Dorrity, Director

REPORT OF MISSIONS COMMITTEE

The Missions Committee met five times during the year. The committee wishes to express appreciation for the work of Miss Gloria Kimball who worked faithfully during the summer months and into the fall of the current year. Particularly effective was her work in the week-day ministries, youth meetings, missions fair, and receiving information from and being helpful to pastors of the Association.

The Committee has no recommendation to the Association.

MISSIONS REPORT

The Missions Committee, composed of J. B. Buchanan, H. W. Pickett, O. C. Mangum, Robert Rummell, Dr. Albert Collier and Jerry Kelly, had a number of meetings during the year and attempted to take an objective look at our mission work for the Yates Association.

A. The Association currently owns three acres of land which has not been developed on the Garrett Road. Some consideration has been given to purchasing land contiguous to the property. This matter was referred to the Finance Committee and we understand the party offering the land has since withdrawn his offer to us. The Garrett Road property has many possibilities; possibly a future church, a day-care center or a youth center. As the area develops, it will become clearer just what should be done with this valuable piece of land.

B. Weekday Ministries. The Committee wishes to encourage each church to consider using its facilities in ministries during the week. Various committees of the Association, including the Christian Social Ministries Committee, stand ready to assist in any way. Also agencies of the State and Southern Baptist Convention are encouraging such developments in the programs of the churches.

C. The Committee wishes to commend the work of Mrs. Gloria Kimball who worked among us this summer. Gloria gave time over and beyond that required of her. She made an effort to interview each Pastor and to ascertain what each church was doing by way of ministyy. In addition, Mrs. Kimball gave leadership to youth programs, to helping set up the Mission Fair and other valuable services to the Association.

D. Future Churches. The Yates Association should look with favor with the establishment of new church-type missions. Our Association is in one of the most rapidly growing sections of our state. We encourage the establishment of additional churches which must be sponsored by one of our churches. The Missions Committee directed the Associational Superintendent, Hubert Mumford. and the Chairman of the Missions Committee to look into the possibility of establishing a new church in Chapel Hill.

E. The Missions Committee suggests that each church do its best to support missions in our homeland through our Home Mission Board, in foreign countries through our Foreign Mission Board and our State Board. Especially would we encourage each to give consideration to supporting the State Missions effort at establishing and improving the various assemblies such as Mundo Vista in Caraway and the Caswell Baptist Assembly.

F. This Association has four on the Research Triangle Missions Committee, Jerreal Buchanan, James West, Robert Bailey, and Hubert Mumford. Other members of this committee are representatives of the Raleigh and Mount Zion Associations. Also serving is Ernest Upchurch of the Department of Metropolitan Missions, North Carolina State Convention. The purpose of this Committee is to discover ways and means by which the churches can serve the area better.

G. This past summer a seminar on urban studies conducted by the Southern Baptist Seminary at Wake Forest, directed by Professors Thomas A. Bland and E. Luther Copeland was made in our area. The results of this study are made available to Pastors and other leaders of the area. The objective of the study was to discover the types of ministries in the area, the structure of church programs and patterns of relationships among churches.

Respectfully submitted,
Jerreal Buchanan, Chairman

REPORT OF STUDENT WORK COMMITTEE

Members: Clay Warf, Chairman, W. Grady Thomas, E. B. Weatherspoon, Mrs. W. M. Upchurch, Jr., Stancil Baucom, Perry Norris.

This Committee met last year to determine how best the constitutional responsibilities of this Committee could be adhered to. These responsibilities are basically two-fold:

(1) "To cooperate with and promote the work of the Baptist Student Program in the several institutions within the area of the Association, and;

(2) to encourage the ministry of the churches to the students."

In meetings with the Baptist student chaplains in the area, the committee adopted the following objectives:

(1) Relate to the churches what the B. S. U. is doing.

(2) Promote outreach teams from B. S. U.

(3) Obtain the names of youth workers in each of the Association's churches.

(4) Arrange a meeting of the Yates Ministers' Association with the student chaplains providing the program.

(5) Encourage the churches in the Association to support B. S. U. work by:
    (a) Contributing financially,
    (b) Encouraging students from local churches to be involved in B. S. U.
    (c) Encouraging churches to invite B. S. U. groups for programs.

All of these objectives were not met last year, but they provide this committee with a good starting point for the new year.

Respectfully submitted,
Clay Warf, Chairman

REPORT OF ORDINATIONS COMMITTEE

The Ordinations Committee was called upon by four churches to assist in the examination of four candidates for the ministry. Those candidates were examined and counseled concerning the Christian ministry, and then were recommended by the Ordination Committee to their churches for ordination to the Christian ministry.

On November 20, 1972, Mr. Ronald Rowe at the request of Temple Baptist Church.

On May 29, 1973, Mr. Gordon Saunders at the request of Grey Stone Baptist

Church.

On May 29, 1973, Mr. Leland Kerr at the request of Hope Valley Baptist Church.

On June 4, 1973, Mr. Harry Kahn at the request of Bethesda Baptist Church.

On June 19, 1973, Mr. George Dillon at the request of Trinity Baptist Church.

Respectfully submitted,
Everette J. Smith, Chairman

REPORT OF EVANGELISM COMMITTEE

The report of the Evangelism Committee is purposely about the future. We have seen many accomplishments in the past. Many of our pastors and laymen went to the Statewide Evangelism Conference; many of our youth went to the Statewide Youth Evangelism Night; several churches are continuing in Lay Witness Training; several churches were represented at the Church Bus and Children's Church Conference at Cresset Church; some churches have had Shopping Center Services; pastors attended the Billy Graham School of Evangelism; and, we hope every church was involved in the Central Carolina Billy Graham Crusade.

However, Fred E. White, Consultant in Evangelism, says, "Though Southern Baptists have experienced great success in reaching people, perennial evangelism is still our greatest need in the decade of the seventies. Evangelism must be rescued from the concept of the "occasional" or "special" and placed in the center of the essential on-going life and witness of the church." We want to urge every church to put a TOP PRIORITY on evangelism. We want you to catch the spirit of evangelism to replace the spirit of self-preservation.

We are going to attempt to communicate with every church a number of evangelism projects from which they can select those best suited for them to provide for a year 'round emphasis upon evangelism. "An evangelism project is legitimate only if it contributes to a dynamic witnessing and ministering congregation." This is what the Evangelism Committee wants every church to become.

We would like to ask for your help. We want to take a "Survey of Evangelism in Churches real soon. The survey will ask for records, actions, and plans. With this information we can see what is being done in evangelism. You can pass on your ideas to sister churches. We can see what areas need more attention. We thank you in advance for this help.

Let us list some things we will be suggesting: an area-wide people search campaign to find people and discover needs, shopping center evangelism, lay renewal week-end evangelism, lay witness training, youth and campus evangelism projects, ministers' retreats, use of tracts and books to spread the gospel, evangelistic services in the Sunday Schools, telephone ministries, and Christian family witnessing plans.

We would like to suggest that every organization in the Yates Association become evangelistic, e. g., the Sunday School, Brotherhood, Woman's Missionary Union, etc. It is exciting to think about what is being done and to believe what God is going to do. At your meetings let someone give an evangelistic testimony for the glory of God!

Ponder this quotation: "It is better to give a year or so to one or two men who learn what it means to conquer for Christ than to spend a lifetime with a congregation just keeping the program going.

REPORT OF FOUNDATION COMMITTEE

The Foundation Committee this year has concentrated on studying and reaching a conclusion on how we might best carry out the Constitutional responsibilities of the Committee. After several meetings, much correspondence, and diligent study of all materials which could be obtained, the conclusion was reached that the present brochure should be reproduced in a more attractive appearance. Our best source of advice advised that we would be wise in keeping it in its present form. It is now planned to distribute the new brochures and encourage all churches to promote "Stewardship after Death" during January, 1974 (MAKE YOUR WILL MONTH).

Appreciation is expressed to fellow members Doyle Griffin, Mrs. D. R. Perry, and Fred Rhodes and especially to Rev. Gattis Perry for the great amount of time he spent in evaluating the wealth of materials collected.

Respectfully submitted,
Cary C. Cole, Chairman

REPORT OF CAMP COMMITTEE

The Yates Baptist Camp was used this year by only 29 of our 48 churches. One hundred and thirty-four reservations were used by 854 adults and 1,201 children and youth. This amounts to barely one-fourth of the total membership ofthe Association -- many used it more than once -- who availed themselves of this beautiful site.

Several areas of the Camp havebeen improved. The caretaker's house is being painted on the outside, an air conditioner was donated for his use and necessary electrical work done to accomodate it. The Nichols-Maddry Lodge has been improved as two refrigerators were replaced, new mattresses on all bunks, and extensive (expensive) work done relating to storm drains and grading. The Outdoor Chapel whichhad suffered from neglect has been cleaned up and the erosion problems -- hopefully -- have been solved.

The Falls Lake Project will have some effect on future development. It is expected that sometime in 1974 we will have reached an agreement with the U. S. Army Corps of Enginners relatingto property acquitision and such matters. At that time serious study can be given to long-range planning.

There remains one major need, the Lodge MUST be painted on the exterior, the best estimate so far is $575.00. With this project completed,the facilities will be in "respectable" condition.

Pat Collins, Chairman

REPORT OF RADIO AND TV COMMITTEE

The RTVC has put forth considerable effort this past year in creating interest in using available radio time for spreading the Gospel of Jesus Christ in our area. It was found that larger churches already had programs planned for both radio and TV, and that they had experienced considerable success by using such media. However, it was also found that few smaller churches even had interest in either radio or TV. Those who did, found lack of finances or other drawbacks preventing them from committing themselves. Needless to say, God gave us opportunities in this area this past year that we have not used wisely. We can do better in 1973–74.

PUBLIC SERVICE PROGRAMMING

The Federal Government has regulations governing the radio and TV media. A certain amount of free time must be made available for the benefit of the general public. Your RTVC, in 1972–73, took advantage of this fact whenever special church events took place. Examples of advertising this past year: Individual church homecoming dates were broadcast; the "1,000 Voice Choir" with John Peterson, was advertised on radio and TV; J. D. Morris's Music program held at the Durham Civic Auditorium was advertised.

The chairman of the RTVC has personally had many conferences with station managers in order that we may secure more public service time. Let's use it when it is available.

PROSPECTUS FOR 1973–74

1. We ofthe RTVC would like to see many smaller churches in the Yates Association taking advantage of radio time when it is available.
2. It is in the best interest of the churches of this association to establish a radio library. This library would contain records and tapes of music and sermons from churches in the Yates Association. There would be tapes of solos, duets, trios, quartets, choirs, and other special music. Tapes of sermons of every preacher having a radio program would also be on file. Such a library would make program material available to the RTVC for delivery to the station in the event a preacher was unable to appear for a broadcast.
3. The library area would be used for recording both music and sermons for broadcasting. That, of course, means purchasing one or two quality reel tape recorders with silent pause, and one or two quality record players. If these items are available in our association, we would be willing to make use of them rather than making a purchase.
4. The RTVC wouldlike to interest each church in the association in considering a gift of not less than $5.00 per month toward an associational programming effort for radio.

5. We have an opportunity to have the "Baptist Hour" on each week. Time is available, financing is needed.

Respectfully submitted,
Andrew King, Chairman

REPORT OF AUDITOR

I have examined the statement of cash receipts and expenditures of the Yates Baptist Association for the calendar year ended December 31, 1972. My examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances, except that it was not practical to extend my examination of income beyond the recorded receipts.

In my opinion, the accompanying statement of cash receipts and expenditures presents fairly the recorded cash transactions of the Yates Baptist Association for the calendar year ended December 31, 1972, on a basis consistent with that of the preceding year.

Frank D. Nelson, CPA

Auditor

CONSTITUTION
Revised 1973

Article I. NAME

This body shall be known as the Yates Baptist Association of North Carolina.

Article II. PURPOSE

The purpose of this Association shall be to provide a convenient and orderly means for the extension of the ministry of the cooperating Baptist churches in Durham County and adjacent territories which support the programs of the Baptist State Convention of North Carolina and the Southern Baptist Convention.

Article III. ARTICLES OF FAITH

The confession of faith of this Association shall be the "Baptist Faith and Message" with its five-point statement of the historic Baptist conception of the nature and function of confessions of faith in our religious and denominational life as adopted by the Southern Baptist Convention in 1963 at Kansas City.

(Five-Point Statement From "The Baptist Faith and Message")

(1) That they constitute a concensus of opinion of some Baptist body, large or small, for the general instruction and guidance of our own people and others concerning those articles of the Christian faith which are most surely held among us. They are not intended to add anything to the simple conditions of the salvation revealed in the New Testament, viz., repentance towards God and faith in Jesus Christ as Savior and Lord.

(2) That we do not regard them as complete statements of our faith, having any quality of finality or infalibility. As in the past so in the future Baptists should hold themselves free to revise their statements of faith as may seem to them wise and expedient at any time.

(3) That any group of Baptists, large or small, have the inherrent right to draw up for themselves and publish to the world a confession of their faith whenever they may think it advisable to do so.

(4) That the sole authority for faith and practice among Baptists is the Scriptures of the Old and New Testaments. Confessions are only guides in interpretation, having no authority over the conscience.

(5) That they are statements of religious convictions, drawn from the Scriptures, and are not to be used to hamper freedom of thought or investigation in other realms of life.

Article IV. MEMBERSHIP

Section 1. This Association in session shall be composed of duly elected messengers from cooperating Baptist churches in Durham County and adjacent territories and the regular elected officers of the Association and members of the Associational Board which are in agreement with the purpose as stated in Article II. When not in session this Association shall be comprised of its member churches which shall elect members to the Associational Board in accordance to Article X.

Section 2. Each church shall be represented at the annual meeting of the Association and at any special meeting during the year by messengers who shall be duly certified in the following ratio:

(1) Three for the first hundred members or fraction thereof and one for each additional hundred or fraction thereof, provided that the total number of messengers shall not exceed ten.

(2) All pastors of churches of the Association shall be recognized as messengers, in addition to those specified above.

Section 3. Only individuals who are baptized (immersed) believers and members of churches of this Association shall be seated as voting messengers at any Associational meeting.

Section 4. Sisters, will you join and help us? Moses' sister aided him;
Will you help the trembling mourners Who are struggling hard with sin?
Tell them all about the Saviour, Tell them that He will be found;
Sisters, pray, and holy manna Will be showered all around.

Let us love our God supremely, Let us love each other, too;
Let us love and pray for sinners, Till our God makes all things new.

REPORT SECTION

THE HISTORY OF RIDGECREST BAPTIST CHURCH

The Ridgecrest Baptist Church had its beginning in the discarded Holt Elementary School building located seven miles north of Durham on Highway 501. A spark of faith and a vision of need in the heart of Rev. B. E. Morris, pastor of Grey Stone Baptist Church, was reason enough to make a census of the community. This census was undertaken by the Brotherhood of Grey Stone Church, under the direction of Rev. Waldo Woodcock.

The Grey Stone Baptist Church was offered a lot by Mr. and Mrs. T. W. Wilkinson, if the church would assist in starting a mission in this community. On June 26, 1955, Rev. Jack Wilder, pastor of Holloway Street Baptist Church, began a revival to stimulate more interest in the new mission. Twenty-five people came as charter members. On the closing of the revival, July 3, 1955, Mr. and Mrs. T. W. Wilkinson presented the church a deed to the property, and a brief dedication service was held. The dedicatory prayer was given by Robert Holleman, moderator of the Yates Association.

The services of Ernest H. Ferrell were secured by the Grey Stone Church to direct the program of the mission which began operation the first Sunday in July, 1955. Under the leadership of the Mission Pastor, a revival was held with Rev. James Pollard as evangelist. At the close of the revival on October 23, 1955, the organization of Ridgecrest Baptist Church came into being with a membership of forty. Rev. H. B. Anderson brought the organizational message, and Rev. B. E. Morris presented the members.

On May 20, 1956, the soil was turned in a dedication service for the first unit of the church. The cost of the building was approximately $50,000.00. With the aid of State Missions, the church continued to progress. On January 4, 1959, Rev. Ferrell gave notice of his resignation effective February 15, 1959.

On April 5, 1959, Rev. Hoyt Rutledge was called as pastor. Under his leadership, the church purchased the property from Highway 501 to the present property. A Bond Issue was instituted to expand and remodel the Educational Building at a cost of $80,000.00. His ministry of preaching and teaching is still felt in our church. Rev. Rutledge resigned December, 1964, to become pastor of Fairmont Park Baptist Church in High Park, N. C.

In April, 1965, Rev. Paul Shoupe was called as pastor. He served until September, 1969. During his ministry, a new parsonage was built. Two lots north of the church were purchased from T. W. Wilkinson for the purpose of expansion. Rev. Shoupe resigned September, 1969, to accept a call to Falls of Neuse Church in the Raleigh Association.

On March 8, 1970, Rev. Paul F. Couch was called as pastor, coming from Plaza Baptist Church of Charlotte, North Carolina. Some of the major achievements during his pastorate include:

...Beginning Kindergarten and Day Care in 1970
...Employing part-time secretary in 1971
...Organizing Bus Ministry in 1972
...Calling full-time Music, Youth and Education Director in 1972
...Starting weekly church newsletter in 1972
...Purchasing additional property adjoining church in 1973
...Organizing Children's Worship in 1973
...Purchasing 25 acres of land, 2 miles from present location at a cost of $50,000.00 in 1974
...Leading church to relocate on new land
...Leading church to triple budget and giving
...Baptizing 204 converts in last thirty months

The Lord has, with abundant grace, blessed Ridgecrest Church and led the church into a warm and joyful fellowship. The present membership is 571.

In Christ Ridgecrest faces the future with confidence and expectancy.

THE HISTORY OF FAITH BAPTIST CHURCH

An evangelistic tent meeting held by Rev. Ralph Cannon led to Sunday School and Worship Services on Sunday afternoon at the home of Mrs. Banks Clayton. From these meetings. Faith Baptist Church was organized on Sunday, July 28, 1946. That same day the Women's Missionary Union was organized.

In July, 1946, the church extended a call to the first pastor, Rev. Floyd Paschall, who served from July 28, 1946, until October 12, 1947. The first year budget (1946–1947) was $2,810.00. During Rev. Paschall's ministry the first Sanctuary was built on a lot which was donated to the church. Rev. Paschall's salary was $25.00 per week. The first church Trustees were Rev. Floyd Paschall and Mr. B. D. Rimmer, and the first church clerk was Mrs. Worth Ferrell.

On October 26, 1947, Rev. R. H. Dalehite came to serve as pastor and remained in service at Faith until September 24, 1950. Three additional Sunday School rooms were built during his term of service.

Then Rev. Warren E. Kerr came to serve on a part-time basis. He was called to full-time service August 26, 1951, and continued until August 31, 1953. During his pastorate, the first choir and Training Union were organized. Mrs. Sammy James, Foreign Missionary (former Rachel Kerr) helped in all phases of church work; also, Home Missionary, Miss Cora Lee Cannon.

On September 27, 1953, Rev. F. W. Love became the pastor and remained until August 28, 1955. In December, 1954, the church voted to give 10% to the Cooperative Program.

Rev. Robert Lawson began his ministry April 4, 1956, and continued until December 4, 1956. It was during his pastorate that the church voted to build a new Sanctuary. Ground-breaking ceremonies were held December 2, 1956.

In August 1958 Rev. Donald P. Cooper became pastor and served until June 28, 1963. During his ministry, the Mattie Kelly property was purchased in 1960, and construction was started on the present educational building. A Brotherhood was organized and a Day Nursery started, which was later closed. In 1963 the church purchased the Latta property for a pastorium. The auditorium was completed in 1958.

Rev. K. S. Sanders was called as pastor November 1, 1963, and remained until November 7, 1965. During his ministry the pastorium was built and plans were made for a larger Sanctuary. Property at the right of the present Sanctuary was acquired and cleared for parking. September 8, 1956, was the date the church voted to purchase the piece of property adjacent to the church property from Andy Morganton.

From November 24, 1965, until January 16, 1966, Dr. John Eddins served as interim pastor.

Rev. A. C. Tatem came to the pastorate on January 16, 1966, and served until June 10, 1967. In May, 1966, an electric organ was acquired and in July a gift of money to be spent for air conditioning the Sanctuary was received. The church voted to build four additional Sunday School rooms. On October 2, 1966, the first Girl's Auxiliary Coronation Service with two Queens was held

Rev. Yates served as interim pastor from June, 1967, until December 3, 1967.

Rev. David Osborne came December 3, 1967, and remained until October 14, 1970. The new nursery building was occupied in October 1967. The first church bus was purchased February, 1968. In September, 1968, the church offered a $200.00 per year scholarship to help anyone in church-related vocations as long as they maintained a Christian testimony. In October, 1968, the church voted to start the present Sanctuary. In 1969, the church began to support missionary Walter Holland in Mexico. Also that same year the first full-time custodian was employed, and the church voted to hire a part-time music director.

Vernon Sparrow served as interim pastor from November 18, 1970 until March 21, 1971.

Rev. Howard Ellis and Rev. Aubrey Quackenbush served as alternate interim pastors.

Rev. Donald Cooper came to Faith on January 3, 1972, and served as pastor until August 4, 1974. Rev. Howard Ellis was called to serve as assistant pastor and youth director on March 5, 1974. He served until August 13, 1974. In 1972 the educational building was painted and the floors tiled. In that same year carpet was put in the church offices; a new sound system, a commercial gas range and air conditioner for the kitchen were purchased. Family Night was begun and was a great success until it was discontinued in 1973 due to the energy crisis. In 1972 there were 113 additions to the church family (68 by baptism and 45 others).

In 1973 the bus ministry was very successful. Four additional buses were purchased. A double-wide mobile home was purchased and set up on the church property for the assistant pastor and youth director, Rev. Wayne Cook. The church also purchased an air conditioner and additional office equipment sufficient to set up an office for Rev. Cook. Rev. Cook served at Faith from June 3, 1973, until July 7, 1974. In 1973 several men got together and designed and built a beautiful prayer chapel. A Baby Grand piano and hymn books were purchased with money given over and above the tithes. In 1973, 67 souls were added to our congregation. (40 by baptism and 27 others).

The Lord just keeps on blessing, and on November 18, 1973, the church called a second assistant pastor, Rev. Marvin Thomas. Rev. Thomas worked mainly with convalescent homes and hospitals. A second mobile home was purchased for Rev. Thomas and additional office equipment purchased. Rev. Thomas served at Faith until July 7, 1974. One hundred members of Faith have enrolled in a Home Bible Study Course, sponsored by the Home Mission Board. Through July 31, 1974, 74 souls were added to the Faith family (36 by baptism and 38 others).

Two young men will enter school in the fall of 1974 to prepare for the ministry. Four young men have been called to the ministry and one to full-time service in the ministry of music. The year 1974 was highlighted by the young people's mission venture to central New York. Eighteen young people, along with the pastor, Rev. Donald Cooper, his family and several other families, made an impact on central New York state that will long be remembered. The mission was supported by the church through much prayer, finances and physical labor. The majority of the funds came through a bottle drive, which yielded 18,000 bottles. Services were held in all 4 Southern Baptist churches in the Utica-Rome area, and 1 service at Griffiss Air Force Base. There were 16 crusade services and 6 Vacation Bible Schools held. There were a total of 450 conversions, 700 rededications, 3 called to preach, and 1 called to full-time ministry in music. Praise the Lord for His countless blessings!

Our church enrollment as of July 31, 1974, is 457. Over the years the Lord has really blessed Faith Baptist Church with some great men of God to be our leaders. At this writing, Faith is without a pastor, but we are trusting Jesus to have even greater things in store for us than we have ever known. We claim God's word, Romans 8:28, "And we know that all things work together for good to them that love God, to them who are called according to His purpose".

Faith Baptist Church stands, as always, a lighthouse in this world of darkness and sin, pointing the way to the Light, the Lord Jesus Christ, the only hope, the Saviour of mankind.

REPORT OF THE ASSOCIATIONAL BOARD

Five meetings of the Associational Board were held during the 1973–74 Associational year. The scheduled July meeting was canceled because no significant item of business needed attention.

Two words characterize each of the five meetings: brevity and harmony. No meeting lasted longer than 45 minutes. The meetings were marked by openness of discussion that indicated differences of thought, but with forbearance for the opinions of others. Each meeting concluded with a period of congenial fellowship during which Board members shared a variety of refreshments provided by the host churches: Ephesus, Cedar Fork, Holloway Street, and Mount Hermon.

Devotional periods of two of the Board meetings were enriched by the music of the Laverty family. At Holloway Street it was John with his violin and Mary Ruth at the piano, and at Mount Hermon it was John at the piano with Tim singing.

The most significant actions taken by the Board other than those related to the day-to-day work of the various organizations were the following:

1. At Ephesus, November 20, the Finance Committee was authorized to apply to the Baptist State Convention of North Carolina for $2,500 to be used for office help and $1,400 to be used to employ two summer student workers, one white and one black.

2. At Holloway Street, February 12, the Associational budget was approved. The Moderator was empowered to appoint a Parliamentarian, and the Moderator announced that the Clerk had been instructed by the Executive Committee to print

the 1973 minutes in keeping with the requirement of the Constitution that only immersed members of churches be counted. The effect of this ruling would be that blanks would appear by the name of any church for which the number of immersed members was not known. He further stated that unless overruled by the Board or the Association, this would be the policy of the Association so long as the present Constitution was in force.

3. At Cedar Fork, May 14, the Board voted to purchase from Crown Investment Corporation 13 acres of land adjacent to the Yates Camp for the sum of approximately $10,000. The land was acquired to offset the anticipated acreage loss to the Falls of Neuse Reservoir Project proposed by the Army Corps of Engineers. The Board also voted for the Moderator to write each member church requesting a one-time gift of $50 - $100 to initiate the land purchase.

4. At Ephesus, September 3, the Board approved a recommendation of the Future Development Committee that the Finance Committee incorporate into its proposed budget for the 1974–75 year an item of approximately $11,000 for a Director of Church and Community Ministries. The recommendation was made with the thought that such a person would be an associate to the Superintendent of Missions. Of the Salary, approximately $6,700 would be paid by the Baptist State Convention and the Home Mission Board.

5. At Mount Hermon, October 8, the Future Development Committee recommended, and the Board approved, rescinding the action taken at Ephesus which requested the Finance Committee to include a Director of Church and Community Ministries in the new budget. The Future Development Committee Chairman stated that the Committee, because of the small attendance at Ephesus and the narrow margin of approval, had made an extensive survey among pastors and Board members to ascertain if the degree of support would really warrant the inclusion of a second staff person in the Associational budget. The survey indicated that the most practical thing to do was to drop the idea of employing another person and encourage each church to help provide volunteer workers for Associational ministry opportunities.

R. M. Winecoff, Moderator

REPORT OF THE CAMP COMMITTEE

1974 was our year to clean-up, paint-up, and fix-up. We saw the LODGE rejuvenated by the fresh paint, green grass, stepping stones, split-rail fence, shrubbery, and finally, the dedication plaque was applied.

The CHAPEL was made usable by some clearing of brush and general spruce-up. The POND looks very nice now that the banks have been cleared of tall grass around the edge. SIGNS at the approach on Hwy. 98 and at the gate were repainted, giving a respectable appearance and clear instructions and directions concerning the ownership and use of the facilities.

At the May Board meeting the Association passed a motion that authorized the purchase of approximately 13 acres of land which adjoins our property. Appreciation is expressed to Mr. A. B. Stone, a former chairman of this committee. Mr. Stone's vision in seeing the future need for this parcel of land prompted him to make the purchase possible this year at the 1970 value, plus interest since that time.

The future development still hinges upon the outcome of negotiations with the U. S. Army Corps of Engineers regarding the Falls Lake Project. Efforts will be made to redraw the severance line to allow us to retain ownership of some of the most desirable areas for present and future use.

Hopefully, 1975 will be the year to see definite plans made concerning more buildings for year-round use - perhaps cabins in clusters or a combination lodging/meeting type of structure. And, of course, we look forward to a good swimming pool.

This year 29 of our churches used the camp; 848 adults and 856 children and youth. One thing that limits utilization of the facilities on a year-round basis is that only 14 persons can be accommodated in the bunks of the Lodge. Out of a possible 365 days of use, only 124 reservations were made.

Respectfully submitted,
Patrick Collins, Chm.

REPORT OF THE SUNDAY SCHOOL

We are grateful for the blessings of the past year in our Association, and we are optimistic about the coming year. To be pessimistic is to eliminate ourselves from a right to leadership by lack of faith and vision!

The Vacation Bible School Clinic on April 30 in the Temple Church was attended by 177 persons, and was well received. On May 9 in the Westwood Church there was an interpretation clinic on the current "Reach Out" emphasis in our Convention. Plans are now in the making for four age-group clinics (Pre-school, Children, Youth, and Adult) in our Association on one-night stands, and will be announced soon.

On March 10 and 11, 1975, a Central Training School is to be held in Grey Stone Church. The school will be staffed by personnel from the Sunday School Board and will offer training in the revised Sunday School Administrative books. In a computer print-out of the eight largest population centers in our state, Durham was selected as one of the locations for these special studies in both general and age-group books. We are grateful that we will be one of the first to get this special training. All of our churches are urged to clear these calendar dates and make an effort to have every Sunday School officer and teacher in attendance.

An excellent slate of officers has been enlisted for the new year, and we believe that it will be our best. We covet the cooperation of every church, every pastor, and every member in the Sunday School program. We all need each other! Please join us!

Respectfully submitted,
Ed Kissiah, Director

REPORT OF DEACONS' COMMITTEE

Praise the Lord for a very exciting year with the Deacons in our Association. During the year wonderful events took place. Members on the Committee were W. J. Peters, Morris Currin, Preston Hall, J. Louis Colclough, and Roy W. Lowder, chairman.

The annual Deacons' Night was held January 29th at the Immanuel Church on Hillsborough Road. We were blessed by The J. C. Power and Light Company from Duke University as they came to sing a variety of religious songs. Each member also shared his personal Christian testimony.

After the singing, the deacons divided into small groups for sharing and discussing the roll of a deacon. The comments were very interesting. Coffee and cookies were served at the closing.

There were definite reasons for the success that we had during the year. The most important reason was Jesus Christ, because with our eyes on Him, we had spiritual power to get on with our plans and get the job done.

But I want to give praise also to the Reverend Hubert Mumford and his wonderful Christian leadership. It was his positive Christian joy and excitement that got our Committee on the right road. He met several times with the Chairman to give support and ideas as to the right kind of programs for our deacons' meetings.

It was Reverend Mumford, being led by the Holy Spirit, who directed the Deacons' Meeting in March when Reverend Bob Tremaine came to be with us. The meeting was held at Grace Church and about 400 people were present. The deacons throughout the Association are still excited over this tremendous man of God and our program.

Mr. George Archer and the Men's Choir from Grey Stone Church blessed our souls with beautiful music, especially with "The King Is Coming".

Thank you, Reverend Mumford and Grey Stone, for all your help. Our plans and programs for 1974–1975 are even more exciting than ever. The Deacons' Committee asks for your prayers and support of our programs in the days ahead, and "To God Be The Glory".

Respectfully submitted,
Roy Lowder, Chairman

REPORT OF THE ORDINATION COMMITTEE

The Ordination Committee was called upon by two churches to assist in the examination of two candidates for the ministry. After examination, they were recommended by the Committee to their churches for ordination.

On December 4, 1973, Mr. Paul Mauney, at the request of Parkwood Baptist Church.

On August 1, 1974, Mr. Norman Gossett, at the request of Grace Baptist Church.

Respectfully submitted,
Howard Corley, Chairman

REPORT OF STUDENT WORK COMMITTEE

Meetings of this Committee were held several times over the past year in order that the constitutional responsibilities of cooperating with and promoting the work of the Baptist Student program be accomplished. We completed a project in the spring of 1974 which dealt with getting the names of high school seniors from churches in the Association and sending them a letter encouraging them to participate in the BSU activities at their respective colleges. Included with that letter were two brochures giving general information about BSU activities and one which gave specific information about each BSU organization in North Carolina colleges.

At present, the Committee is involved in getting information from the BSU centers concerning outreach teams, retreat groups, and other resources available to the churches in the Yates Association. When this information is collected, it will then be distributed to all the churches.

This Committee has also begun work, with the cooperation of Mr. Mumford and the Youth Advisory Committee, toward getting an Apostoloi Team to work in our Association during the summer of 1975. This would be a team of four young people working through the Department of Student Ministries of the State Convention. Their main function would be to work in the churches of our Association in terms of youth ministries, Vacation Bible Schools, recreational activities, worship services, etc.

The Student Work Committee has been able to begin setting some guidelines and goals for our work and we look forward to the prospects ahead.

Respectfully submitted,
Clay Warf, Chairman

REPORT OF THE YOUTH ADVISORY COUNCIL

If numbers are to be used to gauge success, the most successful events this year "happened" in February with the Arts and Crafts Fair and in March with a Spring Banquet. The Arts and Crafts Fair at Grey Stone drew the largest number of people for any event planned by the YAC. A talent show preceded the viewing of the booths and the announcement of the winners in three categories. All ages were involved. The Spring Banquet drew the largest crowd of youth to attend a single event at which the youth from Watts Street presented the program in dramatic relevancy along with the singing group "Celebration", members of the BSU at U. N. C.

Other events involved the film, "The Occult", an Easter drama written, directed and produced by the youth of Faith Church, and a "Splash" party. Several events were canceled due to lack of response from churches in the Association.

In May we lost our chairperson. As the year progressed, other members moved away, causing some difficulty in maintaining continuity. As a result of this and other factors, the YAC has decided to change the format somewhat and plan quarterly HAPPENINGS as opposed to monthly events.

One major plan for the coming year is to have an Apostoloi Team join us for ten weeks in the summer. They will be available for any church to use in a variety of ways. The YAC will be responsible for scheduling them in various churches. In order to maintain an effective ministry which will speak to the youth of Yates Association, the YAC needs the cooperation of all churches. Especially would this Committee like to be of service to those churches lacking staff in the area of youth work. We would like your suggestions regarding how this Committee can best meet your needs.

Respectfully submitted,
Nancy Hildebran,
Denny Turner, Co-chairpersons

REPORT OF FUTURE DEVELOPMENT COMMITTEE

The Future Development Committee has been in existence since 1972. It was an outgrowth of an earlier Committee, called City and Metropolitan Study Committee.

As this Committee began its work, the first concern was to establish some guidelines -- to come to grips with what we believed to be our assignment. Subsequently, we came to see that ours was a job that would not be short-lived and that there were three main areas of concern: (1) To get a clear picture of our Associational organizational structure and make recommendations in this area; (2) To study the objectives of the Association and explore areas of weakness and make recommendations; (3) To study the make-up of the Associational staff, divisions of labor, additional needs.

On each of these areas some work has been done; however, the work has been hindered by several basic things: continual changes in personnel on the Committee, resignation of Associational staff, and divisive issues that cause temporary deterioration in the fellowship.

While we saw our task embracing these three main areas, we also soon realized that all were inter-related. For instance, changes in objectives and Associational programs call for changes in structure, etc. We have tried to keep all of this in mind as we worked.

Many of you have been here much longer than I have and you are more aware of the changes in the Associational program. However, a few statements on the past might help you to review and new people to understand the situation that now exists. (1) History reveals that the budget has grown from $7,000 to $65,000. (2) Many changes in the Durham-Chapel Hill area have occurred, such as increased urbanization, deterioration of cities and increased population. These changes necessitate re-evaluation of methods for reaching people and meeting their varied needs. (3) Yates Camp, with needs to expand and the tremendous possibilities that it holds, has been added during this period. (4) Problems existing in the fellowship, that we trust are being worked through, hopefully to lead us to a fellowship more conducive to accomplishing the tasks that are before us.

During this year, we made one recommendation to the Board concerning a new staff position. However, in a subsequent meeting, after a survey of pastors, this recommendation was withdrawn because of obvious lack of support. However, as we withdrew that recommendation, we made a statement that I wish to reiterate at this time. We encourage all pastors and board members (all members of churches) to help our Superintendent of Missions find voulnteers to perform the various ministries which he and other committees deem most important.

Gerald Goodwin, Chairman

AUDITOR'S REPORT

I have examined the statement of cash receipts and expenditures of the Yates Baptist Association for the calendar year ended December 31, 1973. My examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances, except that it was not practical to extend my examination of income beyond the recorded receipts.

In my opinion, the accompanying statement of cash receipts and expenditures presents fairly the recorded cash transactions of the Yates Baptist Association for the calendar year ended December 31, 1973, on a basis consistent with that of the preceding year.

Auditor

REPORT OF THE RESEARCH TRIANGLE MISSIONS COMMITTEE

Purpose

The purpose of the Research Triangle Missions Committee as originally expressed was to help associations and churches of this area to determine the needs of people, and to suggest ways the churches and associations could minister to these needs.

Dissemination of Information

Of major concern is sharing the information with the churches and associations as compiled by this Committee. These suggestions are offered:

1. Ask one representative from each of the associations represented on this Committee to share the information contained in this report with his association at the next annual meeting.
2. Share this information with other groups, such as the Associational Committee on Christian Social Ministries, Associational Missions Committee, related state committees, officers of churches (such as W. M. U. Presidents, Deacons, Church Missions Committees, and Pastors).
3. Encourage program committees to use some of this material, and when possible some of the resource people called on by this Committee, in programs and conferences.

Research People and Agencies

A. Triangle J. Council of Governments, Research Triangle Park (549–8302)

The Committee met with a director of this agency who gave valuable information concerning the physical development of this area served by the agency and the effects such development, both present and future, will have on the social, educational, industrial, and religious life of the area. Information shared by this agency can be obtained by any responsible person.

B. Southeastern Seminary and Related Personnel

The Committee called upon Dr. Thomas Bland and Dr. Luther Copeland, Professors of Southeastern Seminary, for information and mission philosophy. These two shared with the Committee other studies which have been made in the area.

C. Department of Human Resources, 325 N. Salisbury Street, Raleigh, N. C.
Key Person: Mr. David Flaherty, Secretary of the Department of Human Resources

Mr. Flaherty was enthusiastic in sharing his concerns with representatives of churches and agencies. After two meetings with this informed and enthusiastic government official, responsible for hospitals, homes for aged, orphanages, special schools, health services, some licensing boards, the following information, observations, and suggestions are made:

1. Basic philosophy of David Flaherty regarding services. It is the feeling of Mr. Flaherty that the number of residents in institutions can be reduced if certain conditions can be met.

a. Improvement in public attitude toward persons who are residents. Many residents of institutions are emotionally and physically well enough to return to life in their home communities if families and neighbors would accept them. Churches can do much to help change attitudes.

b. Churches and other community institutions can render a great service by offering the use of their buildings, enlisting help from their congregations, and teaching their people to help take care of the suffering, the aging, and the emotionally ill.

c. David Flaherty also points out that much time is spent with a person who is committed to a prison, trying to rehabilitate him for society, and such a service is needed. But, in contrast, people who are invalids or emotionally handicapped and who have done no harm to anyone, are isolated from society and need its help.

2. Crying needs for ministry. (Needs as set forth by David Flaherty)

a. Foster homes

Some persons (both children and adults) who are now in institutions, could be better taken care of in Foster Homes. There would be some subsidy available to help provide material things and food for those persons. Information on qualifications for such homes can be received by calling the hot line, 1–800–662–7590.

b. Respite-Centers

There is need in major cities, and in the associational areas, for a place where an invalid, or some other handicapped person, can be left for a little while (over the weekend, or for a few days), so as to give the person permanently caring for the individual time for vacation, to take necessary trips, to recover from illness, and the like. An Association could render this service for an enitre community. Mr. Flaherty informed us that some Federal funds are available for such Centers, and could be used toward getting staff members to operate such activities.

c. The need for church groups to identify with residents of Institutions.

(1) Individual and personal recognition. If a church member would identify with a specific individual in an institution, to promise to pray for him, perhaps to wear a bracelet with his name on it, or take gifts on special occasions, the resident would feel wanted, and eventually helped.

(2) Church groups could take on the responsibility of decorating a ward, windows, etc., and relieve the drab conditions which exist in some wards simply because of lack of attention.

(3) The need for volunteers to go on certain days to help feed persons who cannot feed and help themselves.

(4) Residents taken out on pass. Sometimes residents of institutions would be permitted to go with responsible persons on a few hours pass. Such attention would help break the monotony of the institution.

d. The need for churches to give attention to Senior Citizens. Old people are sometimes put into institutions, but could be better cared for in someone's home.

e. Marriage and the Family. The divorce rate is reaching alarming proportions. There is need for churches to provide for family counseling services and help support those already existing.

f. Churches could render some services which are made available through State Funds, but have no one to distribute them. Some examples are:

(1) Food for the hungry (food stamps and other).

(2) Transportation for the needy.

(3) Referral service for the needy.

D. A Handle – A Place to Begin

1. We recommend that each association have a special representative to communicate with the various agencies and that this person work in conjunction with the Christian Social Ministries and the Mission Committees of each association.

2. That there be a representative in each church to which this information and procedures could be referred.

3. That the President of the W. M. U., each Deacon, Pastor, and President of Men's groups, be contacted especially by the church representative, and that each of these officers, along with others, would be invited to attend conferences where these challenges will be presented.

4. That the heads of agencies and institutions be provided with the names of persons in each church seeking to serve the community.

E. Apartment Ministries

Apartment Ministries, and the need thereof, was presented to the group by Mr. Odell Weaver and Mr. Tom Metts. Each association, through its committees, should make the churches of the Association aware of these needs.

Respectfully submitted,
Jerreal B. Buchanan, Chairman

REPORT OF WOMAN'S MISSIONARY UNION

"The Word was made flesh, and dwelt among us . . . full of grace and truth" (John 1:14). With the challenge of the watchword for 1973–74 before us, the Yates Woman's Missionary Union launched into a year of opportunity. We cultivated an understanding of how to communicate the validity of the Bible to others in today's world and an understanding of ways in applying the Bible to problems of our time. Another emphasis during the year was Bible study and an outreach to others.

The Baptist Women's Day of Prayer was observed in cooperation with the Black Women of Durham, November 5, 1973. The day meeting was held at Mount Vernon Baptist Church with approximately forty in attendance. The night meeting was at Braggtown Baptist Church with approximately seventy-five in attendance. Women from both groups participated on the program. This special day has been observed in our association for several years and each year we feel a depth of growth, and a unity with our fellow Christians for the purpose of sharing the love of Christ with others.

During the Week of Prayer for Home Missions, Mr. Jimmy Hinson, an Associate in Evangelism of North Carolina State Convention, presented ideas in reaching people in the Durham area, using the book **The Cutting Edge** as the basis for his presentation. This two-night study was held at Grace Church with approximately fifty enrolled.

On April 27 the Baptist Women sponsored an Associational Prayer Retreat at Yates Camp Grounds. An inspirational Bible study was presented by Dr. Robert

Winecoff, Pastor of Mount Hermon Baptist Church. Mr. Burtt Potter from the State Convention shared with the group ways and experiences of reaching people for Christ.

On August 27, W. M. U. Youth Night was held at the Rose of Sharon Baptist Church. The theme for the meeting was, "Finding a Purpose for Living". A Choral reading and several selections of music was presented by the youth of Durham Memorial Baptist Church under the direction of Mrs. Fred Howerton. Miss Jolene Ivey, Acteens Director of North Carolina, presented a challenging message about finding God' s purpose for one's life and being committed to that purpose. Rev. Clell Gibson, Pastor of Braggtown Baptist Church, gave a challenging invitation of committing one's self to Jesus Christ.

The Twenty-Fifth Annual Session of the Yates Woman's Missionary Union was held at Grey Stone Baptist Church on April 23, 1974. The theme for the meeting was "Sharing Christ Through His Word". Printed below is the program used in the celebration of our Twenty-Fifth Anniversary.

During the Evening Program a Special Anniversary Feature honoring Past Presidents was observed.

Twelve ladies have served as Presidents in our Association over the twenty-five years. We were pleased to have with us on this special occasion nine of the twelve. One is deceased. Mrs. George E. Harward, first president, was present. These ladies were presented a corsage and gift to show appreciation for their fine leadership.

It is interesting to note that twenty-five years ago on April 22, 1949, the Yates

W. M. U. held its first Annual Meeting at Bethesda Church with Mrs. W. B. Byers, Superintendent (as the office was called then) presiding. A note was read from her expressing her regrets of not being able to attend due to health reasons. Twenty-five years and one day later we observed our Twenty-fifth Anniversary.

Over the twenty-five years women in our Association have been made aware of local needs as well as needs around the world through W. M. U. God has truly blessed us in many ways.

We express a word of gratitude to the churches who so graciously provided for our needs at various meetings during the year. We have felt the "Sweet, Sweet Spirit" among us and "We know that it was the presence of the Lord".

The following have served as presidents of Yates Woman's Missionary Union from 1948 through 1974:

Mrs. George Harward	1948	Mrs. R. L. Blackwood, Sr.	1962–64
Mrs. W. B. Byers	1948–51	Mrs. W. J. Broadwell	1964–66
Mrs. R. D. Holleman	1951–53	Mrs. Carlton O. Couch	1966–68
Mrs. E. T. Newton, Sr.	1953–55	Mrs. Robert E. Gray	1968–70
Mrs. R. L. Costner	1955–57	Mrs. V. J. Chance	1970–72
Mrs. H. S. Mumford	1957–59	Mrs. W. T. Dorrity	1972–74

Mrs. W. T. Dorrity

REPORT OF MUSIC COUNCIL

The Music Council of the Yates Baptist Association met three times during the past season in executive meetings to plan the work of the Associational music emphases.

An associational Hymn Sing was held on Sunday, October 21, 1973, at the Braggtown Baptist Church.

An associational choir provided music at the sessions of the Annual Meeting on October 29, and 30 (at Parkwood and Rose of Sharon churches).

As this associational year ended, plans were being finalized for a special choral workshop to be held Saturday, November 9, 1974, at Grey Stone Baptist Church. This is to feature the nationally-known composer of sacred music and youth musicals, Ralph Carmichael. In addition there will be classes for vocal and choral methods, and for children's choir techniques, led by authorities in those fields.

Respectfully submitted,
John T. Laverty, Director

REPORT OF THE RESOLUTIONS COMMITTEE

Resolved, that we express grateful appreciation

To: Dr. Robert Winecoff, Moderator of this Association, for his tireless, tactful and efficient presiding over this 26th annual meeting of The Yates Association; to Harrell Perry for recording the minutes of this meeting; to Rev. Hubert S. Mumford, Superintendent of Missions; to all committees, and those who have worked so faithful to make this session informative and challenging.

To our speakers, Dr. Nathan Brooks, Rev. Everette Smith and Rev. Hubert Mumford for inspiring messages; and to Dr. Mark Corts, our visiting minister, for bringing the two special, challenging messages.

To our Music Director, choir and musicians for the most inspiring musical messages possible.

Also, we would like to thank our associational churches, Lowe's Grove and Lakewood for the use of their buildings and gracious hospitality; to Braggtown for graciously providing a place for the Tuesday meeting and lunch; and to The Group 3 Churches (Calvary, Cheek Heights, Durham Memorial, Faith, Fieldcrest, First, Gorman, Grace, Holloway Street, Plainview, Red Mountain and Ridgecrest) for assisting in providing the noon day meal for those in attendance.

Let us also remember in Christian love those who have passed on to be with the Lord, and the families that cherish the memories of these loved ones.

That we acknowledge our complete dependence upon All Mighty God and give Him the glory for whatever has been accomplished in the Yates Baptist Association this past year. Let us beseech Him for guidance and be challenged to reach upward to greater goals in The Kingdoms work in this Association in the coming year.

Respectfully submitted,
James E. Holland,
Mrs. W. J. Broadwell,
Mrs. Robert Helms,

CONSTITUTION
Revised 1975

Article I. NAME

This body shall be known as the Yates Baptist Association of North Carolina.

Article II. PURPOSE

The purpose of this Association shall be to provide a convenient and orderly means for the extension of the ministry of the cooperating Baptist churches in Durham County and adjacent territories which support the programs of the Baptist State Convention of North Carolina and the Southern Baptist Convention.

Article III. ARTICLES OF FAITH

The confession of faith of this Association shall be the "Baptist Faith and Message" with its five-point statement of the historic Baptist conception of the nature and function of confessions of faith in our religious and denominational life as adopted by the Southern Baptist Convention in 1963 at Kansas City.

(Five-Point Statement from "The Baptist Faith and Message")

(1) That they constitute a concensus of opinion of some Baptist body, large or small, for the general instruction and guidance of our own people and others concerning those articles of the Christian Faith which are most surely held among us. They are not intended to add anything to the simple conditions of the salvation revealed in the New Testament, viz., repentance towards God and faith in Jesus Christ as Savior and Lord.

(2) That we do not regard them as complete statements of our faith, having any quality of finality or infallibility. As in the past so in the future Baptists should hold themselves free to revise their statements of faith as may seem to them wise and expedient at any time.

(3) That any group of Baptists, large or small, have the inherent right to draw up for themselves and publish to the world a confession of their faith whenever they may think is advisable to do so.

(4) That the sole authority for faith and practice among Baptists in the Scriptures of the Old and New Testaments. Confessions are only guides in interpretation, having no authority over the conscience.

(5) That they are statements of religious convictions, drawn from the Scriptures, and are not to be used to hamper freedom of thought or investigation in other realms of life.

THE HISTORY OF CRESSET BAPTIST CHURCH

Organizational services for Cresset (formerly Fellowship) Baptist Church were held on November 29, 1959, in the sanctuary of the Yates Baptist Church. Dr. Leroy Parker (then president of the N. C. Baptist State Convention) challenged the 145 charter members to be an evangelistic, mission minded, praying and giving church. This has been a worthy goal through almost 16 years. Rev. Fred Tumblin of Greenville, S. C., was called as first pastor and served until 1963. For the first three and one-half years the church met in the Howerton Bryan Funeral Home. Mr. Winston Montgomery and his staff were quite generous in making available to us their chapel. Along with Mr. Montgomery we were also helped and encouraged by Rev. Henry Anderson, Rev. Hubert Mumford, and others too numerous to mention here.

Our first baptismal service was on February 21, 1960, at Grey Stone Baptist Church. Another perhaps "all time first" was the lovely wedding of Mary and J. D. Keith in the "Funeral Chapel" on August 9, 1960. Also in 1960, on April 3, we purchased the five acres on which our present building is located.

On July 16, 1961, William T. Brogden, son of Mr. and Mrs. Boyd G. Brogden, Sr., was ordained as a minister of the Gospel. Bill, now Assistant Pastor at Grey Stone Baptist Church, was the first from our church to go into full time Christian Service, but one of our primary desires has been to see a number of our people follow God's leading into full time Church or Mission related vocations.

The first building on Picket Road was begun in 1962 with the ground breaking ceremonies on Sunday afternoon, December 2. Our oldest member, Miss Nannie Peed (now deceased), spaded the first shovel of dirt. The first service was held in the new building on Sunday, September 1, 1963. We had our first Homecoming celebration on the third Sunday in September of 1963, and our first baptism in the new building on September 29, 1963. Our pastor, Rev. Tumblin, accepted a call to a church in Macon, Georgia. While without a pastor for almost a year we were blessed by the ministry of Rev. C. N. Royal (former pastor of Angier Avenue Baptist Church, now deceased).

In December of 1964 our present pastor, Rev. Ned Mathews, accepted the call to come and lead our church. As he preached the whole counsel of God's Word his spiritual energy and enthusiasm became contagious. In 1965 we took our first church census, a new pastorium was constructed, and there was a renewed interest in Bible study.

Our first Girls' Auxiliary Coronation Service was in May, 1966, and our first two-week Vacation Bible School in June. Our Sunday School began a real increase in enrollment and we also entered a bond program in order to enlarge our church facilities. The new building was occupied in early 1968.

In November of 1967 the church name was changed from Fellowship to Cresset. The meaning of the word creeset is "an iron holder for an open fire" and our desire is to live up to our name and see the fires of evangelism glow in our city and throughout the world.

Our youth activities began to increase in 1968. Our first youth retreat was held at the Yates Campground in August. In the spring of 1969, we had our first contact with Missionary Charles Hobson of Argentina when he led us in revival services. The services were a tremendous spiritual experience and as a result of this revival, four of our young people were led to be "summer missionaries" with Child Evangelism. In July we bought our "first' ' activity bus. In November we celebrated our 10th anniversary and conducted our first Lay Institute with Dr. Mike Hopping from Atlanta, Georgia, leading.

A program of Lay Evangelism Training was begun in April, 1970. This has perhaps meant more to our church than any other one thing. Under the leadership of our pastor, many of our people have learned how to share Christ with others. This work is a continuing one and the trained continue to train others.

Our desire to work with internationals was realized when a group of Chinese from this area began having a weekly Bible study in our church. A number have become members of our church, and are serving as teachers, deacons, and in many other capacities. They have truly blessed our lives with their presence among us. This history of 1970 would not be complete without saying that in this year we felt a great sorrow and loss in the homegoing of two of God's choice servants, Brother V. A. Shore, Sr., and Rev. Thomas McKneely.

Children and adults alike were charmed by the talents and spiritual beauty of storytime on Sunday evenings by Mrs. Carol Avery. This was in 1972. Also in that year a ministry among our senior citizens was begun with Mr. Duncan Cole as its director. This was called TIMICAS, and this group enjoys get-to-gethers for fellowship, field trips to various places, and are especially helpful in the important telephone evangelism ministry.

In the summer of 1972 six of our young people attended "Explo '72" in Dallas, Texas, along with 80,000 others from the United States and foreign countries. Christmas of 1972 had as its special guest, Happy Calhoun of Possum Gap, Georgia.

Bus Evangelism introduced a real turning point in the life of our church, when in September of 1972 we began busing people to church. The results were astounding. We now have five bus teams and routes, three children's churches, and a marked increase in attendance and church membership. The most important fact of bus evangelism is that individuals, and in some cases whole families, have come to know Christ and follow Him in baptism and church membership. Also in 1972 we reached our highest goal of $3,000 for the Lottie Moon Christmas Offering.

On January 1, 1973, Robert Weatherly was called as Minister of Youth and Evangelism. His ordination service was held at Cresset on January 7, 1973. Under Bob's leadership our youth work and bus evangelism have been strengthened and increased.

Our first Easter sunrise service was held on the church lawn in 1973. That summer three of our young men attended the Royal Ambassador Congress in St. Louis, Missouri. In a miraculous way, in the summer of 1973 the church had opportunity to purchase 40 acres of land on Garret Road. "The Lord's half-acre program" was conceived and by sacrificial giving in many cases, families purchased portions of land and gave it to the church. In June of 1974 the property was bought and paid for and we were ready "to build".

In September, 1973, the area-wide Billy Graham Crusade was held in Carter Stadium in Raleigh. Many of our people participated in choir work and personal counseling. Our pastor served on the Crusade Executive Committee.

The fall of 1973 brought a new program to our youth in the form of "Proteens". Rev. Frank Hamrick came and introduced this program to our young people and their parents. Proteens is now entering into its third year. This includes Bible study, recreation, and Christian fellowship, with summer camp for added inspiration and meeting new Christians.

Christmas of 1973 brought lots of memories for our pastor and wife and lots of laughs for all as "This is Your Life – Ned and Shelby Mathews" was presented.

The following year, 1974, was a busy one for buying property, growing bus routes, active youth groups, renewed interest in youth choir, and closed out with a return visit from Happy Calhoun at our annual Christmas banquet.

In January, 1975, we entered a $475,000 bond program to pay off old debts and begin building on the "Promised Land". Our young people held a weekend retreat at Ridgecrest and began work on "The Common Cup", their first musical production, to be presented in the spring. January was a busy month ending with a most unusual Sunday evening service complete with kerosene lamps, pump organ, old-fashioned singing and preaching, and old-fashioned dress.

In February the youth entertained the TIMICAS group at a Sweetheart Banquet. On a cold Sunday, March 2, we broke ground for the first phase of our building on Garrett Road. Every work in the church was represented by those who turned a spade of earth. Building began in April. May days brought the Mother-Daughter banquet and the production of the "Common Cup" by the youth choir.

In June the first Vacation Bible School and Youth Camp was held on Garrett Road. In July our youth group went to the Wilds for a week where Allyson Jones won first place in a National Essay Contest. On August 25 Cresset Christian Academy opened its doors with 70 pupils, plus faculty. The school provides a Christian education for kindergarten through the 11th grade.

The Lord has done great things for us whereof we are truly grateful and glad. He has blessed our past and given us bright promises for the future.

THE HISTORY OF HOPE VALLEY BAPTIST CHURCH

Hope Valley Baptist Church is completing its 16th year under the direction of a new pastor, Dr. James I. Murphy. Our first pastor, the Reverend William L. Pearson, served from 1959 until 1965. The Reverend Warren E. Kerr served nine years as pastor, 1965–1974.

In the early 1950's Berea Baptist Church made plans to relocate on Garrett Road. Land was secured from Roy and Lida Atkins (one-half of the original tract a gift); Daniel and Dorothy McDuffie (one-fourth of the land as a gift); one-fourth of it was purchased. In 1958, the members of Berea Baptist Church adopted a resolution in conference suggesting that Berea Baptist Church remain where it was and that persons who desired to remove to the Garrett Road site be awarded all money and assets in the building fund, a piano, and visual aids equipment; that the cemetery at Berea be opened for use by members of either group.

Those who would constitute the new church proceed to construct a building on the property provided by Berea on Garrett Road. February 1, 1959, when the building was almost completed, 70 eligible voters decided to name the church "Hope Valley" and they elected a planning committee.

On March 15, 1959, the first worship service was held in the newly constructed building, after which a conference was presided over by Reverend Hubert S. Mumford, Superintendent of Missions of Yates Association, until Reverend William L. Pearson was called as pastor. Then the church elected deacons, adopted a constitution, adopted a budget ($5,838), set a schedule for services, agreed to receive charter members through April 19, 1959, arranged for a revival, and agreed to apply for membership in the Yates Baptist Association. One hundred twenty-eight members transferred from Berea to Hope Valley at once. In April the church had 134 members, with a Sunday School membership of 159 and an average attendance of 140. The Training Union enrollment was 58. That summer a community census was made.

Since a strong and rather unique beginning in 1959, Hope Valley has:

1. Purchased a parsonage in 1965, later to be sold in July, 1974 as a result of plans for the Jordan Reservoir;
2. Purchased property including a five-room house. This brought the amount of land being used by the church to seven;
3. Paid off the debt on the first building in 1968;
4. Under the leadership of the Reverend Warren E. Kerr, sent forth two ministers of the Gospel (Leland Kerr and C. F. Boykin, Jr.);
5. Increased the annual budget from $5,838 in 1959 to $58,394.15 in 1975;
6. Launched and almost completed a $300,000 building program which provides a well-equipped sanctuary and other space for future use;
7. Developed a church staff consisting of pastor, secretary, minister of music, and sexton;
8. Grown in membership to 214 persons.

Across these 16 years there has been a significant growth in Chrisitan maturity on the part of the members as is evidenced by current stewardship practice, Bible-centered interest and concern, and vision for reaching the larger Hope Valley community through evangelism and service.

REPORT OF THE ASSOCIATIONAL BOARD

Five meetings of the Board were held last year, also several meetings of the Executive Committee between sessions of the Board. Because of the illness of the Moderator, the Vice Moderator functioned as Moderator during June, July, and August.

Plans, activities, needs, and achievements of committees and associational organizations : were heard at each meeting. Matters of business significant to the Yates Association and not dealt with elsewhere are reported below.

At Page Road, November 9, a major item was consideration of the annual meeting. Praise was expressed for the "fine meeting just passed". A question was raised about the value of the meal served on the second day, especially in view of the cost, the large attendance, and the fact of no afternoon program. The Board considered a resolution presented by Frank Nelson from the deacons of Braggtown: "Be it resolved that the individual churches or special groups of churches not be held responsible for the meal at the annual meeting." The Board decided that . . . "individual churches or special groups of churches not be **automatically** held responsible for the meal at the annual meeting", and that ". . . the decision concerning the meal be left to the discretion of the program planning committee."

Application to the North Carolina State Baptist Convention requesting $2500 for office help and $1000 for two summer workers were approved.

At Park View, February 11, a proposed budget for 1975 totaling $63,856 was approved. Announcement was made that $2100 for office help and $1000 for interracial summer workers had been approved by the State Convention.

The following officers were elected: Rev. Julian Motley, Vice Moderator; John Clayton, Chmn., Nominations Committee; George Ray, Chmn., Camp Committee; W. W. Sprouse, Chmn., Christian Social Ministries Committee; Stacy Covil, Co-Chairman, Christian Social Ministries Committee; Billy Garrett, Chmn., Future Development Committee; and Mrs. Ruth Mangum, member, Christian Social Ministries Committee.

The Board approved six recommendations by the Superintendent of Missions related to emphasizing the Cooperative Program. Among them were: the purchase of the film, "Rope of Sand", the Annual Meeting Committee plan some special emphasis on the Cooperative Program, and churches be challenged to increase giving by 2% of total undesignated receipts, or by a 15% increase over 1974 gifts.

At Plainview, May 13, the Moderator reported that the Executive Committee had decided -- in response to an inquiry -- that the Lay Leader Award could not be awarded posthumously because . . . "this would be inconsistent with the purpose of the recognition." A new organization, "Singles Over Forty", was reported by Mr. Ed Kissiah.

The significance of the Cooperative Program was emphasized by an entertaining puppet show presented by Grey Stone youth and their director, Bill Brogden.

Dr. Richard Henderson, for the Annual Meeting Committee, stated their unwillingness to assume responsibility for deciding about a meal on the second day of the annual session, and raised questions about the wisdom of securing larger facilities for the concluding session and about electing the Annual Meeting Committee for a longer period than one year in order to facilitate long-range planning. The first two items were referred to the Executive Committee and the latter to the Constitution Committee.

Stewart Wallace reported that the Missions Committee had received a request from Ebenezer requesting re-admission to the Yates Association. He also stated that the committee planned to ". . recommend during the next Annual Meeting that Ebenezer Church be reinstated without a waiting period."

The prior appointment by the Moderator of Everette Smith as Chairman of the Nominations Committee to replace John Clayton, upon his resignation, was sustained.

Approval was given a recommendation of the Future Development Committee; that ". . . the Executive Committee be authorized to look into the possibility of hiring a person . . ." as a second staff member, tentatively called "Minister of Outreach", that the report be considered by the Board on June 24 if feasible, and that if affirmative action was recommended and approved then, that final action be taken at the Annual Meeting. (The June 24 meeting was not held).

At Yates Baptist, July 29, the Board studied two job descriptions for a second staff person as written by Dr. Ernest Upchurch and by the Executive Committee. In view of the obvious lack of unanimity about the necessity for a second person and, the nature of his work if a second person were employed, the Moderacor was asked by the Board to appoint another committee to study the matter with instructions to have at least a progress report by the October Board meeting. (The Moderator subsequently appointed: Ray Cumbee, Chairman, Crate Jones, Clell Gibson, Norman Gardner, Stancil Baucom, Travis Clements, and Robert K. Witherspoon as the committee.)

The Board approved a recommendation from the Executive Committee that the 4th Sunday of October of each year -- or any Sunday more suitable to each church -- be observed as Pastor Appreciation Day in the churches of the Association.

At Mount Moriah, October 21, the Board approved a division of the present Constitution into Constitution and By-Laws with several minor changes designed to clarify or update the document. A proposed budget for 1976 totaling $66,258 was studied, and approval was given for the purchase of a new addressograph at a cost of approximately $1500. (The purchase will come from the 1975 budget.)

With the consent of its director Mrs. John Freeman, TACLO, The Associational Church Library Organization, was disbanded until such time as it might become a viable organization again.

Approval was given a resolution introduced by the Rev. Art Burkam for the Ministers Conference of the Yates Baptist Association related to pornography. The resolution was approved with the understanding that efforts were being made to develop and present to Durham City and County officials a model ordinance based on one written by the Christian Action League. Adoption of the resolution was interpreted as "moral backing" for the efforts to be exerted in influencing City and County officials to enact an ordinance aimed at eliminating the sale and distribution of pornographic materials.

The Resolution approved by the Board is as follows:

"We the people of the Yates Baptist Association recognize and deplore the fact that there is a crass commercial exploitation of explicit sexual conduct through the public exhibition or sale of lewd films and obscene publications, and

"Whereas, the commercial exploitation of explicit sexual conduct through the public exhibition or sale of lewd films and obscene publications constitutes a debasement and distortion of a sensitive key relationship of human existence central to family life, community welfare, and the development of human personality, and

"Whereas, this exploitation is indecent and offensive to the sense and public morals and interferes with the comfortable enjoyment of life and property, and as

such interferes with the interest of the public in the quality of life and the total community environment, the tone of commerce in our city and county, property values and the public safety and morals, and

"Whereas, this exploitation and the continued operation of such activities is detrimental to the best health, safety, convenience, good morals, and general welfare of this city and county, and the residents thereof;

"Therefore, it is with the foregoing in mind that we resolve that we will take a vocal and public stand against such activities which exploit such explicit sexual conduct throught he public exhibition or sale of lewd films and obscene publications, and urge our governmental leaders to adopt an ordinance which declares such activities to be a public nuisance and which provides for their abatement."

No monumental decisions were made by the Board, but it did seek in openness and good spirit to undergird and implement the work of the Association in its efforts to reach out in the name of Christ to people. Concern for people at the point of their need has been a recurring theme throughout the year, and appropriately so.

The year just closed has not been one in which there were no differences of opinions, but it has been one characterizes by a, "We're on the move in the right direction" spirit. We have acted like brothers -- in Christ.

Robert M. Winecoff,
Moderator

REPORT OF THE STUDENT WORK COMMITTEE

The work of the committee over the past year has been centered around two special projects. The first of these projects was to secure the services of the Apostoloi Team to work in and through churches in the Yates Association during the summer of 1975. This team was made up of four Baptist college students and was sponsored jointly by the Baptist State Convention and the Yates Association. During the summer the team worked with a number of different churches in V. B. S., day camps, recreation, drama, worship, and many other areas of ministry. This committee is especially indebted to the Youth Advisory Committee which worked directly with the team and the participating churches.

The second project also involved the Apostoloi Team, but was directed for the benefit of young people from Yates Association who were entering college in the fall of this year. This project involved the planning and conducting of an event at the Baptist Student Center at U. N. C.-Chapel Hill to help orientate prospective freshmen to college life. The freshmen were also introduced to B. S. U., work and what it can mean to all college students. This committee is especially indebted to Mr. Bob Phillips, Baptist Campus Minister at U. N. C.-Chapel Hill, for his conducting of this program.

Respectfully submitted,
M. Clay Warf, Chairman

REPORT OF THE CONSTITUTION COMMITTEE

The Constitution Committee recommends a division of our present Constitution into a Constitution and By-Laws. It proposes that Article XI, "Committees and their Duties", except Section 21, and Article XII, "Rules of Order", be removed from the Constitution and incorporated in the By-Laws; the former because changes in name, size, and duties are frequently proposed for the associational committees and the incorporation of this article in the By-Laws would facilitate such changes; the latter because Rules of Order are commonly included in By-Laws.

It also proposes that the first sentence in Article X, Section 2, be incorporated in the By-Laws. It has no relationship to the rest of the section and does not affect the policy-making organization of the Associational Board.

The committee recommends the change in title from Superintendent of Missions to Director of Missions, to be consistent with a change approved at the 1975 session of the Southern Baptist Convention, and to amend the Constitution by using the new term wherever the old term appears.

The committee recommends that the words, "first session of the" be deleted from Section 4 of Article IX.

The committee recommends a clarifying change in Article IX, Section 4, to read, "except that the moderator may not serve more than two years in succession."

The committee recommends that the office of Historian (Article IX, Section I), be dropped, since that office has been combined with that of clerk, and the duties retained under those of clerk. It recommends that the office of parliamentarian be added in Article IX, Section 1, with a Section 10 added to define the duties. It proposes that the present Article XI, Section 21, be added to Article IX of the Constitution as Section 11.

The committee recommends that the following be added as Section 10 of Article IX of the Constitution:

The Parliamentarian shall advise the Moderator on questions of Rules of Order and procedure at the annual sessions of the Association and at Associational Board Meetings.

The committee recommends a change for clarification in Article X, Section 2, to read:

It shall have the power to fill vacancies among the officers, committees, and organization workers of the Association and committees of the Associational Board which may occur during the year.

The committee recommends that the portion of the third sentence of the introductory statement of Article XI, which would become Article I of the By-Laws under these recommendations, beginning "and are subject . . ." be deleted and the following sentences substituted for it:

Members of committees shall serve for a term of three years. To institute a rotation system and to provide for a continuing committee, at the 1976 session, one member of each three-member committee shall be elected for one year, one for two years, one for three years, and thereafter each committee member shall be elected to serve for three years.

In case of five-member committees, at the 1976 session, one member shall be elected to serve for one year, two members for two years, and two members for three years, and thereafter each committee member shall be elected to serve for three years.

In the case of seven-member committees, at the 1976 session, one member shall be elected to serve for one year, three members for two years, and three members for three years, and thereafter each committee member shall be elected to serve for three years,

In the case of nine-member committees, at the 1976 session, three members shall be elected to serve for one year, three members for two years, three members for three years, and thereafter each committee member shall be elected to serve for three years.

The committee recommends the addition of the Future Development and Youth Advisory committees to the standing committees and that these, with their memberships and duties, be incorporated in Article I of the By-Laws.

The committee recommends that the Foundation Committee shall be discontinued as a separate committee and its duties incorporated with those of the Stewardship Committee.

It further recommends that sections of the proposed Article I of the By-Laws (the present Article XI of the Constitution) be renumbered to reflect the additions and deletion of committees.

The committee recommends that the name of the Christian Social Ministries Committee (Article XI, Section 5) be changed to Community Ministries Committee.

The committee recommends as Section 10, Article I, of the By-Laws the following:

The Future Development Committee shall be composed of five members whose duty it shall be to study the associational program, as to its strengths and weaknesses, its priorities and effectiveness, its organizational structure, and in the light of its purpose to make recommendations as feasible for the improvement and strengthening of said program.

It recommends as Section 21 of Article I of the By-Laws:

The Youth Advisory Committee shall be composed of at least five members, normally church youth directors, whose duty it shall be to provide or sponsor periodic events or emphases for and/or with the youth of our churches.

The committee recommends that the word "considered" be deleted from the last sentence of the introductory statement to the present Article XI of the Constitution (proposed Article I of the By-Laws) and the sentence read "The Moderator and the Director of Missions shall be ex-officio members of all standing committees."

The committee recommends that Article III of the proposed By-Laws (present Article X, Section 2 of the Constitution) be amended to read "Baptist student chaplains in the educational institutions within the area of the Association."

The committee recommends that the following be included as Article IV of the By-Laws:

These By-Laws may be amended by a majority vote of those present and voting at any annual meeting of the Association.

Respectfully submitted,
C. Bruce Little, Chairman

REPORT OF THE SUNDAY SCHOOL

This has been a good year in Associational Sunday School work. A good spirit seems to prevail in the participating churches and we are grateful for the blessings of the year. It is our continued prayer that every church in the Association will participate in the Sunday School program. Together we can do that which we might not be able to do alone.

An Adult Workers' Clinic, effectively led by Norman Gardner, was held at Trinity Church on January 13 with 68 present.

On March 11 and 12 there was a Central Training School at Grey Stone Church with 384 present. These special update conferences were led by Sunday School personnel. The quality of Sunday School work in Yates Baptist Association should improve greatly as a result. Plans are now in the making for a similar school in March, 1976.

At the Vacation Bible School Clinic on April 22 at Angier Avenue Church 210 were present, representing a substantial increase over the past two years.

On May 1, there was a Preschool and Children's Workshop at Braggtown Church led by Hilda Mayo, June Gardner, Linda Chandler and Judy Harward and a team from Braggtown Church.

During the year various staff members have assisted in the churches, as requested. An even greater year is in prospect for 1975–76. We need every church participating in this program. Please join us!

Respectfully submitted,
Ed Kissiah, Director

REPORT OF WOMAN'S MISSIONARY UNION

"Share His Love Now" was the Southern Baptist theme for the year 1974–75. W. M. U. was very involved in carrying out this theme. We had as our major project this year, "Love Thy Neighbor". Each age level organization was reminded that when we really love we will share God's love. Without love there will be no sharing.

The first Monday of November has been designated as Baptist Women's Day of Prayer. Yates Bapitst Women met jointly with the Durham County Missionary Union and observed this day of prayer. The morning meeting was at Holloway Street Baptist Church and the evening meeting at Mt. Gilead. Approximately 120 people attended these two meetings. As we met together we again realized that there is one God over all mankind.

Yates Association was honored to have Missionary Frank Belvin in February teach the Adult Home Mission study, "Missions in the Mosiac". Mr. Belvin taught the book in three different churches with every one invited to attend. Many of our churches took advantage of this opportunity. Frank Belvin is a Home Missionary to the Indians of Oklahoma and wrote one of the chapters in the book.

Our 26th Annual Associational meeting was April 15th at Temple Baptist Church with 400 in attendance. Alma Hunt, who for many years was the Executive Secretary of Woman's Missionary Union of the Southern Baptist Convention was the featured speaker in the evening session. Special music was presented by Betty Eagle, soloist, and the adult choir of Bethesda Baptist Church. "Share His Love Now" was the theme of the meeting. Mrs. H. O. Hern, wife of a missionary to Lebanon, spoke in the afternoon session on how His Love is being shared in a foreign land. Three Acteens thrilled our hearts as they shared with us ways they have found to share the love of God.

In May the G. A.'s sponsored a Mother-Daughter banquet which was an overwhelming success. Mothers and daughters came from all around the Association to Braggtown Baptist Church and enjoyed a time of good food, fellowship, and learning.

Quarterly meetings for Acteens and their leaders were held in the various churches during the year with good participation.

The Associational WMU council members conducted a one night workshop September 15th at Mt. Carmel Baptist Church. Twenty eight of our churches were represented with 160 registered in attendance.

Each of the age level directors have been busy aiding the churches in their work. We are looking forward to a great year in WMU as we emphasize spiritual Growth and Direct Evangelism. There is a new exciting interest in WMU among our women in Yates Association for which I Praise The Lord.

Respectfully submitted,
Darlene Harrill, Director

REPORT OF BROTHERHOOD

For several years we have had difficulty in maintaining a Brotherhood organization, and having a worthwhile program. This year something different was attempted with success.

Following a suggestion from the Rev. Edwin Bullock, Director of our State Brotherhood Department, we set up a Council rather than an organization. Key persons from all the churches, especially those concerned about Royal Ambassadors and Baptist Men's work, were invited to meetings each month to discuss, plan and carry out Associational Brotherhood Activities. Gradually a small group of loyal and dedicated men was formed. Out of that group a Brotherhood Director, a Royal Ambassador Director, and a Baptist Men's President were enlisted. Next year the council will continue to meet in charge of these three officers, plus others as they are also enlisted.

During the past year several successful meetings were held.

On January 21 a "Brotherhood Launch Night" was held at Guess Road Church with the Association "Yatesmen" singing, the Rev. Robert Watson bringing some information on the Royal Ambassador organization, and the Rev. Edwin Bullock bringing the main message.

On March 17 and 18 a Mid-Year Brotherhood workshop was held at Guess Road Church as a refresher course for church workers.

The Annual Royal Ambassador Track Meet was held at Southern High School on Saturday, April 26.

The best attended meeting of the year was "Man-Boy Night" at Yates Camp on Saturday afternoon and evening of June 7. Men and boys played together in various games in the afternoon. There was special music, a demonstration of magic, food galore, and a final message by the Rev. Richard Shaw, pastor of Red Mountain Church. The laymen worked hard for this event under the leadership of Mac Clary.

The final meeting of the year was a Leadership Conference at Grace Church on September 2, with guest teachers from Raleigh: Mr. Jim Burchette and Rev. Robert Watson in addition to our own Superintendent of Missions.

Next year I shall be able to step aside and let some loyal, dedicated laymen lead in the program.

Several exciting events are planned. A "Prayer Supper" sponsored by the Baptist Men will be held on Saturday night, January 24. This comes the night before "Baptist Men's Day" to be observed in many of our churches.An American Red Cross First Aid Course will be sponsored in February. Both a swimming course and a golf tournament are set for July.

The annual Man-Boy Night and the R. C. Conclave are scheduled for June 26 and August 21 respectively. The climax for 1976 will come on October 1, 2 when the Royal Ambassadors and their leaders take a Mission Tour to Mundo Vista and the North Carolina Zoo.

Congratulations, Men!

H. S. Mumford,
Acting Brotherhood Director

REPORT OF MUSIC COUNCIL

The Music Council met for planning meetings five times during the past year.

One big event, which was for the entire association was the Associational PraiSing at First Baptist Church, Friday evening, April 25. This was an evening of praise to God through music. All churches of the association were invited to participate and most of them did. The members of the council served as direcotr of groups of churches. These groups each sang several numbers. At the end of the service all the choirs sang several numbers combined under the direction of Charles Gatwood, of the Music Department of North Carolina Baptist State Convention.

Between the choir selections there were several solos and duets and congregational hymns. The PraiSing was a tremendous success. In fact, many who were there felt it was the finest associational music event they hadever attended.

There was a successful and helpful Music Directors meeting on Saturday afternoon September 6 at the association camp grounds. Those who attended also enjoyed a cookout as part of the meeting.

Respectfully submitted.
John Laverty, Director

REPORT OF TACLO ORGANIZATION
(Slightly revised and abbreviated)

The Associational Library Committee sponsored a Library Workshop on Saturday, March 8, at the Grey Stone Baptist Church, with a library consultant from Raleigh bringing a slide presentation and a helpful instructional lecture and discussion. Plans were made for a Library workers' Conference in September, but these were cancelled because of a conflict in dates in the Associational calendar.

Due to a temporary lack of interest in using the consulting services, the TACLO organization has been disbanded for 1976. It is hoped that a meaningful survey may be made in the months that lie ahead to determine the resources, the needs, and the direction of the church libraries of the Yates Association.

Respectfully submitted,
Mrs. Sue C. Freeman, Chairman

REPORT OF THE CAMP COMMITTEE

The committee has been occupied with maintenance of the Camp during most of the year. Normal upkeep, coupled with a few repairs, and some vandalism have caused us to overspend.

Our caretaker, Eugene Funderburk, has been forced to take a disability retirement, and unable to continue. We are therefore in urgent need of a replacement.

Tentative sites have been set for a basketball court, and a 30' flagpole.

The committee has conferred with the Army Corps of Engineers concerning our severance line. When plans for the Falls of the Neuse were announced several years ago, we realized we would lose several acres to the Federal Government. At the present time it appears that we may regain a few acres on high ground that will accommodate multipurpose buildings.

Finally, let us say that we are convinced that additional facilities will be erected in 1976; these should multiply the use of the property.

Respectfully submitted,
George Ray, Chairman

REPORT OF SINGLES OVER 40

This new group was organized during the year. It was "first" among North Carolina Baptist Associations. Mrs. Maxine Morgan of First Church at the time was enlisted as a consultant for its organization.

It meets primarily for fellowship on the first Saturday of each month. Those above 40 years of age who have lost their mates by death or divorce, or are still unmarried, are welcome. Notices are sent to all churches each month.

Officers are: President, Mr. Claiborne Ross; Secretary/Treasurer, Mrs. Bernice D. Eubanks; Program Co-chairpersons, Mr. Ed Kissiah, Mrs. Darlene Harrill.

Respectfully submitted,
Mrs. Bernice D. Eubanks,
Secretary/Treasurer

REPORT OF CHRISTIAN SOCIAL MINISTRIES COMMITTEE

1975 was a year of progress for the Christian Social Ministries Committee. Becoming better organized than in the past, the committee initiated and made progress in several areas of work:

FOOD CLOSET: A plan was organized for involving local churches in follow-up with families helped by the food closet. At least 14 church contacts were made through this service.

MENTALLY RETARDED: This committee helped secure possible Sunday School rooms to house classes for the MR in our local churches.

LAUBACH LITERACY: Two courses were held in 1975 for training in Laubach with 31 persons receiving this training.

MURDOCH–UMSTEAD: The committee visited at the Butner complex and arranged for a "Murdoch-Umstead Friends Night" meeting in October of 1975. The purpose of this meeting was to acquaint the local churches as well as surrounding associations with the areas of service available to us there. Craft exhibits, displays and music were provided by the Murdoch-Umstead patients. Although we feel a giant step has been taken in this ministry, there remains much work to be done here.

PUBLICITY: A request was made from this committee to each association church for a laision person to coordinate the work of the committee with the ministry of their church. Although response was limited in this area, we feel that ground work has been laid for us to build upon.

PRISON CAMP: Plans are now being formulated to begin a ministry with the Guess Road Prison Camp. Concrete plans for this ministry await us as we begin a new year of work.

Although only a dent has been made in the work that needs to be done by this committee, we feel that God will lead us, as this new year begins, to bigger and better avenues of service in His name.

Respectfully submitted,
Wilson Sprouse, Chairman

REPORT OF FUTURE DEVELOPMENT COMMITTEE

The Future Development Committee, in searching for better ways to minister to the needs of the believers and the non-believers, has made one recommendation to the Executive Committee.

We recommend "that the Executive Committee be authorized to look into the possibility of hiring" an assistant to our Director of Missions, called "Minister of Outreach". This is our only official action this year, but our committee remains with a posivite attitude for future needs. We will, with the guidance of the Holy Spirit, offer further recommendations that we feel will better express the work of Jesus.

Respectfully submitted,
Bill R. Garrett, Chairman

REPORT OF THE DEACONS' COMMITTEE

The Deacon Committee of the Yates Association had a very exciting year during 1974–75. Our committee was made up of five members as follows: Mr. Billy Judd; vice chairman, Mr. Hugh Hicks, Mr. Bill Worcester, Mr. Virgil Rigsbee, and Roy Lowder, chairman.

The committee met many times during the year in order to plan our projects. One project was to get the names and addresses of all laymen in our association who would be interested in giving their personal testimonies or preaching when the opportunity was available. We had several names turned in; but over all the results were unsatisfactory. We moved on toward our annual Deacon's Night which was February 18, 1975, at First Baptist Church. To say the least it was the most successful program of its nature in the history of the Yates Association. It was estimated that nearly 600 people attended this meeting. Music was provided by Mrs. Richard Henderson and Miss Robbie Gale; personal testimonies were given by Mr. Virgil Rigsbee and Dr. Rollin Burhans. Refreshments were served in the basement of the host church.

We wish to thank First Baptist Church for allowing us to hold our meeting with them. There is no way that our committee can express appreciation for all the help and leadership we received from Rev. Hubert Mumford. He worked harder than our entire committee to help make the program a success. People are still talking about the program.

Our efforts to hold a Yates Associationwide Revival failed at the last moment because of the sickness of the guest preacher, Dr. Mark Corts. We hope to have one in the year 1975–76. As chairman of this committee for three years, one of the greatest blessings I received was the privilege of working with Rev. Mumford. I came to understand him and love him and respect him as a true man of God. I could never have led this committee without him and the help of the Yates Association office. I believe the 1975–76 committee will do an outstanding job.

Respectfully submitted,
Roy W. Lowder, Chairman

REPORT OF THE MISSIONS COMMITTEE

It seems appropriate at the beginning of this report to quote in part from Article XI, Section 13, of our Associational Constitution: "THE MISSIONS COMMITTEE shall be composed of seven members, whose duty it shall be . . . to ascertain the need of new churches and missions within the boundaries of the Association, to recommend to the Association or the Associational Board the location of sites and purchasing of lots for such churches or missions, and to assist the organization of such churches as might be authorized, and to review for the Finance Committee applications from churches for State Mission funds. It shall be the duty of this committee to study the applications of churches seeking admission into the Association and to make recommendations regarding the same."

The committee had several meetings during the year. A few areas in the associational territory have been under observation as possible church sites, because of major housing developments. But action on any particular project seemed premature.

Because of anticipated changes in housing and commercial development, it is doubtful if the Garrett Road property will be used for a new church. The committee, however, wishes to continue its study of this valuable piece of property and the surrounding area.

Next year may result in specific and exciting recommendations from our committee.

In March a letter was received by the moderator from the Ebenezer Baptist Church requesting re-admission to the Association. On April 4th this request was shared with the Missions Committee. The committee voted unanimously to recommend during the next Annual Meeting the "Ebenezer Church be re-instated without a waiting period." It was felt that the "waiting period" was meant for examining doctrine, polity, and organization of newly formed churches and therefore served no purpose under these unique circumstances.

The Missions Committee therefore recommends to the messengers of this session "that Ebenezer Baptist Church be re-instated without a waiting period."

Respectfully submitted,
Stewart Wallace, Chairman

REPORT OF YOUTH ADVISORY COUNCIL

In keeping with last year's decision to plan Youth HAPPENINGS on a quarterly rather than monthly schedule, the YAC reports three major events which have brought noteworthy response. In October, 1974, the YAC began planning for Apostoloi '75, a group of four college students sponsored jointly by the Yates Baptist Association and the North Carolina Baptist State Convention, who would work with individual churches in the area of youth ministries. In introducing Apostoloi '75, YAC sponsored a Spring Banquet, "In the Land of the Shamrocks", in March which featured the Team in a program of music. Around 200 youth and leaders from 12 churches participated.

The Team arrived in Yates Association on June 2. Throughout the Summer they worked directly with 15 churches conducting VBS, retreats, programs of recreation and Bible study and participating in two Youth HAPPENINGS. In June, over 200 youth from 14 churches met at Yates Camp for a Bluejean Jamboree which included sports events, food, music, and a contemporary worship service led by Apostoloi '75. In August YAC sponsored a Bon Voyage Lot Gathering at Grace Church to allow the youth an opportunity to say "goodbye" to the Team and give Apostoloi one more chance to sing, entertain, and challenge the youth. Around 100 youth from 15 churches attended.

We of the YAC feel that this has been a productive year in that attendance has been good for each event and, also, that more churches have been involved in each event, often for the first time. It has been a major concern of the Council that more lay leaders and youth become involved in planning events, and we have seen that happen. Once more we ask for the cooperation of church leaders and once again encourage those churches lacking staff in the area of youth work to use this Committee as part of your youth program.

Respectfully submitted,
Nancy Hildebran
Denny Turner, Co-Chairpersons

AUDITOR'S REPORT

I have examined the statement of cash receipts and expenditures of the Yates Baptist Association for the calendar year ended December 31, 1974. My examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances, except that it was not practical to extend my examination of income beyond the recorded receipts.

In my opinion, the accompanying statement of cash receipts and expenditures presents fairly the recorded cash transactions of the Yates Baptist Association for the calendar year ended December 31, 1974 on a basis consistent with that of the preceding year.

Frank D. Nelson, CPA
Auditor

REPORT OF THE EVANGELISM COMMITTEE

The principle project of the evangelism committee for this year was the planning, promoting and conducting of a lay school of evangelism. The school was planned around the "WIN" (Witness Involvement Now) materials developed by the Home Mission Board of the Southern Baptist Convention with the complete cooperation of Bill Lamb, Director of the Division of Evangelism for the N. C. State Baptist Convention and Hubert Mumford, Superintendent of Missions of the Yates Baptist Association,the school was a tremendous success.

The committee worked faithfully with almost 100 percent attendance at the meetings held throughout the year. The planning process covered the entire year starting with the first meeting with Bill Lamb at Holloway Street Church in early fall of 1974 and culminating in the school on October 6–9, 1975.

We were fortunate to have an excellent director in Mr. Thurman Fox, Superintendent of Missions of the Pilot Mountain Association in Forsyth County. Mr. Fox has directed more than 50 such schools and did an outstanding job for us.

The cooperation of the pastors of the sixteen participating churches was a large factor in the success of the school. The pastors not only led in promoting and enlisting but were completely responsible for the Thursday night witnessing visitation including the organization and the securing of unsaved prospects, one for each person attending the school.

From the 16 churches participating there were 310 persons registered for the school. There were 20 professions of faith registered during the Thursday evening witnessing. On Thursday evening, October 9, there were almost 300 people out witnessing for Christ from this school.

It is exciting to contemplate the long-range results of this school if each church will follow up with the continuing program of witnessing and discipling of converts, which is the real on-going impact of the WIN program.

Respectfully submitted,
Ellis Thomas, Chairman
